Introduction: Writing Cures 1
GILLIE BOLTON

PART I
Theory and research **5**

1 The passion of science, the precision of poetry: therapeutic writing – a review of the literature 7
JEANNIE K. WRIGHT

2 Cognitive psychology and the biomedical foundations of writing therapy 18
GEOFF LOWE

3 The contribution of narrative ideas and writing practices in therapy 25
JANE SPEEDY

4 Reading ourselves: imagining the reader in the writing process 35
CELIA HUNT

5 From archetype to impressions: the magic of words 44
DEREK STEINBERG

PART 2
Writing in therapy **57**

6 Writing by patients and therapists in cognitive analytic therapy 59
ANTHONY RYLE

7 Journal writing as a therapeutic tool 72
KATE THOMPSON

8 Writing the link between body and mind: the use of writing with clients suffering from chronic stress-related medical disorders 85
STEPHANIE HOWLETT

9 'When I write I think': personal uses of writing by international students 95
COLIN LAGO

10 'Every poem breaks a silence that had to be overcome': the therapeutic role of poetry writing 106
GILLIE BOLTON AND JOHN LATHAM

11 On the road to recovery: writing as a therapy for people in recovery from addiction 123
CLAIRE WILLIAMSON

PART 3
Writing online **131**

12 Therapy online – the therapeutic relationship in typed text 133
KATE ANTHONY

13 Developing online, text-based counselling in the workplace 142
JEANNIE K. WRIGHT

14 Electronic text-based communication – assumptions and illusions created by the transference phenomena 151
LIN GRIFFITHS

15 Messages to Jo – the Samaritans' experience of email befriending 160
STEPHANIE HOWLETT AND ROBERT LANGDON

16 Ethical and practical dimensions of online writing cures 170
STEPHEN GOSS AND KATE ANTHONY

PART 4
Reflective practice **179**

17 Reflective and therapeutic writing in counsellor training 181
JAQUIE DANIELS AND COLIN FELTHAM

18 The uses of writing in the supervision of cognitive analytic therapy 189
ANTHONY RYLE

19 Black and blue: writing for reflective practice 196
GILLIE BOLTON, HEATHER ALLAN AND HELEN DRUCQUER

20 After the session: 'freewriting' in response 212
JOHN HILSDON

21 Writing in a reflective practice group for staff working with people with dementia 221
LISA HELLER

22 Conclusions and looking forward 228
GILLIE BOLTON AND JEANNIE K. WRIGHT

Index 232

Index

entries in **bold** denote figures/tables
entries in *italics* denote document titles

access, online counselling 143, 147
Acres, D. 218
addiction recovery 123–9; case study 127–8; compulsory writing assignments 125–6; multi-disciplinary team 128
addictive personality traits 124
After Heavy Rain 114
alexithymia 86
Allan, H. 208–9
Amsterdam Writing Group 11
analysis, self 41
anxiety, and poetry 115, 116
Apollo 1, 10, 106
archetypes of collective unconscious 49
Aristotle 117
art: and emotional disclosure 119; therapy 2, 3, 48, 49; and writing 2–3, 9
At a Journal Workshop 73
attachment theory 46, 49
Atwood, M. 129
autobiography writing 123–9, 215
automatic writing 215

Bacigalupe, G. 10
befriending, email *see* online counselling (Samaritans)
bibliotherapy 215; *see also* writing therapy
biomedical foundations of emotional disclosure *see* emotional disclosure
body, emotional expression through *see* psychosomatic illness
Bolton, G. v, 9, 10, 230
borderline personality 62, 63
bottling things up *see* suppression; *see also* emotional disclosure
brainstorming 102
Breton, A. 215
British Association for Counselling and Psychotherapy (BACP): *Guidelines for Online Counselling and Psychotherapy* 135, 142, 146, 170, 212, 213

captured moments 77
care workers reflective practice group *see* reflective practice group
CAT *see* cognitive analytic therapy
catharsis 30; freewriting 214; journal therapy 74, 75; online counselling 153; poetry 109, 110, 116; writing as 93, 187; *see also* emotional disclosure; working through
causal thinking 19, 21
censorship, internal 219
change: facilitating 197; resistance to 182; *see also* personal development
children, narrative writing 97
Cixous, H. 108
client: centredness 9, 10, 11, 12; contra-indications 93–4; suitability, online counselling 143; suitability, writing therapy 9, 12, 13, **14**; writing by 61; writing to 50–53
cognitive analytic therapy (CAT) 3, 59–71; critical rejection 66, 67; diary keeping/self-monitoring 63–4; dilemmas 61, 62, 66; goodbye letters 68–70, 191; guilty striving 66; midway letters 68, 191; narrative mode 60, 61, 64; no-send letters 68, 191; paradigmatic mode 60, 61, 64; passive resistance 66; personal sources questionnaire 63; problem procedures 64, 65, 69; *Psychotherapy File* 62, 64, 65, 66; reciprocal role procedures

61–62, 66, 67; reformulation letters 64–6. 191; repertory grid techniques 63; self-state sequential diagrams 66–8, **67**; snags 61, 62, 65, 66; speech recollection 61; supervision/training *see* email supervision; traps 61, 62, 66; writing by patients 61; writing by therapists 60–61
cognitive behavioural perspective 7, 10
cognitive psychology 18–24
Coleridge, S.T. 108
collective unconscious 49, 50
communication: body *see* psychosomatic illness; emotion 135; non-verbal 60; self 75, 109, 119, 120, 124, 129; writing as 1; *see also* emotional disclosure
computer-mediated methodology *see* online counselling/therapy
The Confessions of Zeno 60
confidence, self 1, 2, 125
confidentiality/security, online therapy 144–5, 175, 176
conflicting personalities 91
confrontation, trauma *see* emotional disclosure
constraints, freedom from 2
containment: poetry 110; psychological 59, 100–1
contraindications, writing therapy 93–4
control, client 124
cost benefit, online counselling 144
counsellors, training *see* training
countertransference reactions, freewriting 216
couples, counselling *see* online counselling (couples)
creativity 1, 10, 40
crisis intervention, online counselling 145
critic, inner 10, 38, 41
critical rejection 66, 67
cultural factors, online therapy 172
culture shock 98, 99
cyberspace 172

defences, bypassing 135
defensiveness 59
dementia patients 221, 223–6; *see also* reflective practice group
depression, and poetry 115
development: infant 85–6; professional *see* writing for reflective practice; of speech/writing 45–7, 59–60; *see also* identity; personal development
dialogues, writing 79–81
diary keeping, CAT 63–4; *see also* journal therapy
disclosure, emotional *see* emotional disclosure
disinhibition effect, online 8, 137, 143, 147, 163
dissociation 67
Drucquer, H. 199–202, 208

Economic and Social Research Council 176
effectiveness: email supervision compared with face-to-face/audiotape use 189–90; online counselling 164; writing therapy compared with vocal 8, 11–12
ego splitting 41–2
email counselling *see* online counselling/therapy
email supervision (CAT) 189–95; case studies 192–3; conclusions 194–5; at a distance 191–2; face-to-face comparison/audiotape use 189–90; Melbourne study 193–4; reformulation diagrams 191, 192, 193; supervision themes 194; using writing 190–91
emails, unsent 77–8, 101–2; *see also* letters, unsent
emotion, communication 135; non-verbal 60
emotional disclosure, through art 119
emotional disclosure, biomedics of 18–24; gender effects 19; and immune function 18, 21, 22; limiting factors 22; and long-term health 18, 19, 20, 21; and mortality 20–21; positive 20–22; and PTSD 20; *see also* catharsis; suppression
emotional expression 86, 87; through symptoms *see* psychosomatic illness; *see also* emotional disclosure
employees, counselling *see* online counselling (Sheffield University employees)
Encounter 114–15
Epston, D. 10
Ethical Framework, BACP 213
ethics, and freewriting 212, 213
ethics, and online therapy 170–78; assessment/identity 176;

confidentiality/security 175; contact details 175; cultural issues 172; jurisdiction/national standards 172–3; netiquette 135, 137, 138, 171; payment 175; practical/technical; considerations 174–5; research needed 176–7; therapist training 171–2; time boundaries 174
evolution, speech/writing 45–7, 59–60
Experience 75
expression, emotional 86, 87; *see also* emotional disclosure

family relationships, resolving 37–8
family script 49
family and systemic therapy 10
fantasy: guided 36–7; reader 49
farewell letters *see* goodbye letters
feedback statements 82–3
Feinstein, E. 14
five-minute sprints 76
Fowles, John 95, 99
free association 215
free associative writing 108
freewriting 212–20; catharsis 214; with clients 216, 217, 218-19; and countertransference reactions 216; dangers 218; examples 215–17; legal/ethical issues 212, 213; rationale 214–15; session notes 212–13, 218–19; techniques 81–2, 213–14; triggers 213; unconscious, accessing 215, 217
Freud, Sigmund 1, 45; free association 215; psychosomatic illness 85; unconscious 46
Freudian slips 139

gender, and emotional disclosure 19
Gestalt therapy 79
global author 41
Goldberg, N. 186
goodbye letters 68–70, 91–2, 191
guided fantasy 36–7
Guidelines for Online Counselling and Psychotherapy (BACP) 135, 142, 146, 170, 212, 213
guilty striving 66

healers, wounded 181
healing: and poetry 1, 10, 106; records 75
health, long-term and emotional disclosure 18, 19, 20, 21
Heaney, Seamus 108
helplessness, client 124
holding framework 40
Hughes, Ted 108
humanities perspective 7, 8–10, 13
Hunt, C. 9

I-Thou relationship 136, 137; *see also* therapeutic relationship
IBS *see* irritable bowel syndrome
identity: challenges to 98–9; development, and narrative writing 97–8, 99
illness *see* mental illness; psychosomatic illness
image, in poetry 106, 117–19
imagination 10
imagining the reader *see* implicit reader
immune function and emotional disclosure 18, 21, 22
implicit reader 35–43; definition 35–6; ego splitting 41–2; guided fantasy 36–7; inner critic 10, 38, 41; objectification of self 41; potential space 39–41; resolving family relationships 37–8; writer identity 38–9
inheritance, of capacity for myth 49, 50
inhibition *see* suppression; reduced *see* disinhibition effect
inner critic 10, 38, 41
intended reader *see* implicit reader
integration, self 80
intensive journal method 187
International Society of Mental Health Online (ISMHO) 135
international students, personal writing 95; biographical origins 97–8; identity challenges 98–9; interpersonal value 101–2; language use 99–100; lists 102; psychological containment 100–1; self-understanding 101; sounds/music 103; story, concepts 103–4; supporting others 103; survey 96–7; unsent letters/emails 101–2; working things through 100–2; writing and thinking 95, 104
internet counselling *see* online counselling/therapy
internet relay chat (IRC) 136, 138
interpretation, narrative 26–7
introverted personality type 74
IRC (internet relay chat) 136, 138
irritable bowel syndrome (IBS) 88–9, 91
ISMHO (International Society of Mental Health Online) 135

Journal to the Self 73
journal structure, in training 185–7
journal therapy 3, 72–84; captured moments 77; as catharsis 74, 75; clustering 76; dialogue 79–81; feedback statement 82–3; five-minute sprint 76; free-writing 81–2; for introverted personality type 73; as journey 72, 73; lists 76; lists of one hundred 77; perspectives 75, 81; reasons for 74–5; record of healing 75; and repetition 75; self-communication 75; techniques 76–82; unsent letters 77–9; validation of experience 75
journal use, in training 183–5
journal writing: intensive method 187; psychosomatic illness 87–9; for reflective practice 206
journalling 214, 215
Jung, C.G. 49

Keats, J. 108

L'Abate, L. 11
Lapidus (UK) 72
Latham, John 111, 112–15, 117; *After Heavy Rain* 114; *Encounter* 114–15
learning, through reflection 226–7
legal issues: freewriting 212, 213; online therapy 172–3
Letter to My Husband 78
letters 29–30; goodbye 68–70, 91–2, 191; guided 11; midway 68, 191; reflective 50–53; reformulation 64–6, 191; in therapy 48; unsent 3, 29, 68, 77–9, 90, 101–2, 191
letting go *see* catharsis; emotional disclosure
liminal space 31
list making 76, 102; of one hundred 77
literary theory 26–7
literature review, science/humanities dichotomy 3, 7–17
loneliness 124, 128, 129

Macmillan, Ian xvii
marriage counselling *see* online counselling (couples)
Mazza, N. 8, 9
medical records *see* notes on clients
Melbourne supervision study 193–4
mental illness, and poetry 115–16
metaphor: narrative 32; in poetry 106, 117–19; in psychoanalysis 215; *see also* symbols
Milne, A.A. 108
Milner, Marion 40
mind, role in illness *see* psychosomatic illness
mindmapping 76
mortality, and emotional disclosure 20–21
Moskowitz, C. 91
motivation 1
music, and writing 103
myth 49–50

narrative approach 7, 10–11
narrative mode 60, 61, 64
narrative therapy 25–34; client contributions 30; letters 29–30; liminal space 31; and medical records 25, 27–8; metaphor 32; outsider witnesses 28; poetic transcription 25, 30–32; poststructuralism 26–7; therapeutic documents 29–30
narrative writing, and identity 97–8, 99
National Association for Poetry Therapy (USA) 8, 72
netiquette 135, 137, 138, 171
no-send letters *see* letters, unsent
non-verbal communication 60
notes on clients: freewriting 212–13, 218–19; letters, reflective 50–53; narrative therapy 25, 27–8

object relations 155, 157
objectification, self 41
On a Mountain at Night 208–9
online counselling (couples) 151–9; advantages/disadvantages 157–8; assumptions and illusions 151; increased relatedness 152, 157; object relations 155, 157; personal constructs 153–5; therapeutic alliance 156; transference phenomena 152, 153, 156, 157; transitional space 155, 158
online counselling (Samaritans) 160–69, 177; difference of email work 163–4, 165; disinhibition 163; effectiveness 164; future developments 169; guiding principles 161–2; operation 162; pilot scheme 140–41; take up 160, 161; training 164–7; users 163; value 164; volunteers experiences 168
online counselling (Sheffield University employees) 142–50; access 143, 147;

benefits 142–3; case study 146–7; client suitability 143; conclusions 148; confidentiality 144–5; contracts 146; costs 144; crisis intervention 145; disadvantages 145; disinhibition effect 143, 147; misunderstandings 145; nature of 143–4; presence 145; research 143–4; stigma issues 143; technical breakdown 145
online disinhibition effect 8, 137, 143, 147, 163
online therapy 3, 7, 12, 133–41; anecdotal evidence 134–5; defences, bypassing 135; disinhibition effect 137; emotion, communicating 135; ethics *see* ethics of online therapy; internet relay chat (IRC) 136, 138; netiquette 135, 137, 138; openness 137; presence 136, 137; therapeutic relationship 134, 135–9
outsider witnesses 28

paradigmatic mode 60, 61, 64
passive resistance 66
patients *see* clients
payment, online therapy 175
Pennebaker paradigm 7–8, 10, 11, 12, 143
personal development 40, 181–2, **183**; methods **186**; relapse 182; *see also* identity
personal development groups (PDGs) 181–3
personal sources questionnaire 63
personalities, conflicting 91
personality type, introverts 73
perspectives technique 75, 81
Plath, Sylvia 10, 106, 120
play space 206–7
poetic transcription 25, 30–32
poetry 2, 7; altered states 108, 109, 110, 112; catharsis 109, 110, 116; and change 106, 109; as container 110; and healing 1, 10, 106; and mental illness 115–16; redrafting/sharing 113; for reflective practice 198–200, 201–2, 208–9; trawling unconscious 112
poetry therapy 8, 9, 106–22, 215; beginning stage 108–10; end stage 111; middle stage 110–11; self-communication through 109, 119, 120
positive regard, unconditional 197
poststructuralism 26–7
post-traumatic stress disorder (PTSD) 93; and emotional disclosure 20
potential space 39–41
power dynamics 10–11
presence, therapist 136, 137
procedures: problem 64, 65, 69; reciprocal role 61–62, 66, 67
process, writing 2–3
