INTRODUCTION.....	5
1 KNOWLEDGE ECONOMY AND THE EMERGENCE OF KNOWLEDGE SPILLOVERS IN GLOBALIZED ECONOMIC SYSTEM	6
1.1 Importance of knowledge in globalized economic system	6
1.2 The issue and importance of knowledge spillovers inside the economic environment	8
1.3 Measuring effect of knowledge spillovers	9
2 THESIS AIMS, HYPOTHESES AND STEPS OF RESEARCH PROCESS.....	11
2.1 Research aim.....	11
3 METHODS OF ANALYSES.....	13
3.1 Data Envelopment Analysis.....	13
3.2 Multiple linear regression analysis	14
4 MAIN RESULTS.....	16
4.1 Effectiveness analysis of selected macroeconomic determinants of EU 28 countries in the context of the knowledge economy	16
4.2 Analysis of the effects of selected microeconomic determinants of the knowledge economy	21
4.3 Summary of analytical results.....	26
CONCLUSIONS AND BENEFITS OF DISSERTATION THESIS	28
