Part 1 THEORIA THEORETICAL POSITIONS	
1 Digital Games and Learning: Modelling Learning Experiences in the Digital Age	17
<i>Sara de Freitas and Paul Maharg</i>	
Introduction	17
Transformational theory sets for games and professional learning	27
Diegetic and transactional dimensions in the SIMPLE case study	35
Conclusion	37
References	39
2 Four-dimensional Consideration of Feedback in Serious Games	42
<i>Ian Dunwell, Sara de Freitas and Steve Jarvis</i>	
Introduction	42
Feedback in Serious Games	46
Timing of feedback	46
Content of feedback	48
Case study: investigating the impact of feedback content and timing	49

A framework for the four-dimensional consideration of feedback in Serious Games	51
Summary and conclusions	58
