

CHAPTER 1 — INTRODUCTION	1
The Importance of Early Identification and Intervention	1
Delayed Language Development and Negative Behaviors	4
The Skills Necessary for Conducting Language Intervention	5
CHAPTER 2 — LANGUAGE ASSESSMENT	7
An Alternative Approach to Language Assessment	8
Conducting a Language Assessment	9
Establishing Rapport	9
Inappropriate Verbal and Nonverbal Behaviors	10
The Testing Environment	10
Materials	10
Reinforcers	11
Summary	11
The Behavioral Language Assessment	11
Cooperation with Adults	12
Requests (Mands)	13
Motor Imitation	14
Vocal Play	15
Vocal Imitation (Echoic)	16
Matching-to-Sample	17
Receptive Language	18
Labeling (Tacting)	19
Receptive by Function, Feature, and Class	20
Intraverbal	21
Letters and Numbers	23
Social Interaction	24
The Behavioral Language Assessment Form	25
CHAPTER 3 — INTERPRETING THE BEHAVIORAL LANGUAGE ASSESSMENT	29
An Item-by-Item Analysis of the Behavioral Language Assessment	29
Cooperation with Adults	29
Requests (Mands)	29
Motor Imitation	30
Vocal Play	30
Vocal Imitation (Echoic) and Articulation	30
Matching-to-Sample	31
Receptive	31
Labeling (Tacting)	31
Receptive by Function, Feature, and Class (RFFC)	31
Intraverbal	32
Letters and Numbers	32
Social Interaction	32

Setting up an Intervention Program	33
Five Model Profiles	34
Level 1 Profile	34
Level 2 Profile	37
Level 3 Profile	41
Level 4 Profile	44
Level 5 Profile	47
CHAPTER 4 — AUGMENTATIVE COMMUNICATION	51
Speech as the Primary Goal	51
Sign Language	52
The Advantages of Sign Language	53
Table 4-1	53
The Disadvantages of Sign Language	56
Table 4-2	56
Analysis of Signing Using the Concepts From Skinner's Book Verbal Behavior	56
Why Sign Language Training Programs Often Fail	57
Table 4-3	58
Picture Communication Systems	61
Table 4-4	61
The Advantages of Picture Systems	62
The Disadvantages of Picture Systems	62
Table 4-5	62
Analysis of Picture Systems/PECS Using Skinner's Analysis of Verbal Behavior	65
Special Consideration of The Picture Exchange Communication System (PECS)	69
Spelling, Writing, Typing, and Facilitated Communication	70
Choosing a Response Form	72
Summary	73
CHAPTER 5 — BEGINNING LANGUAGE INTERVENTION	75
Establishing Rapport	76
Requiring the First Response	76
Dealing with Negative Behavior	78
Beginning Language Training (Mand Training)	78
Mand Training for Children who Cannot Echo or Imitate	80
Using Sign Language with Physical Prompts	80
Table 5-1	81
Table 5-2	83
Fading the Physical Prompt	84
Mand Training with Signs for an Imitative Child: Fading the Imitative Prompt	84
Adding New Signs and Fading Out the Verbal Prompt	85
Adding More Signs for Reinforcers	86
Fading Out the Object	86

Training in the Natural Environment	87
Mand Training for a Child who has Some Echoic Skills	87
Table 5-3	88
Teaching Manding to a Physically Disabled Child who Cannot Echo or Imitate	90
The Need for a Language Based Environment.	91
Table 5-4	92
When to Conduct Language Trials	92
How Far Do You Push?	93
Summary	93
CHAPTER 6 — TEACHING BEGINNING IMITATION, ECHOIC, RECEPTIVE, AND MATCHING-TO-SAMPLE SKILLS	95
Teaching Motor Imitation	95
Additional Variables for Developing Imitation	97
Increasing Vocal Play and Teaching Vocal (Echoic) Imitation	98
Teaching Beginning Receptive Language.	99
Teaching Matching-to-Sample	102
Summary	103
CHAPTER 7 — TEACHING TACT AND RECEPTIVE SKILLS	105
Beginning Tact Training Using Speech as the Response	105
Table 7-1	107
Fading Out the Echoic Prompt	107
Table 7-2	108
Table 7-3	110
Fading Out the Verbal Prompt	110
Spontaneous Manding and Tacting	110
Beginning Tact Training Using Sign Language as the Response Form	111
Table 7-4	111
Tacting Using a Picture Pointing or Exchange Response	113
Table 7-5	113
Teaching Receptive Responses Along with Tacts	113
Teaching Receptive Discriminations	114
Generalization and Data Collection	116
Expanding the Tact and Receptive Vocabulary.	117
Summary	119
CHAPTER 8 — RECEPTIVE BY FUNCTION, FEATURE, AND CLASS (RFFC)	127
Standard Receptive Training Versus RFFC	127
Prerequisites for RFFC Training.	129
Beginning RFFC Training.	129
Further Development of the RFFC Repertoire	131
Verbal Modules: Incorporating RFFC Trials Into Other Verbal Trials	132

Success in the Natural Environment	133
Summary	134
CHAPTER 9 — TEACHING BEGINNING INTRAVERBAL SKILLS	153
Table 9-1	155
Additional Procedures for Teaching Intraverbal Behavior	156
Pure Intraverbals	157
Using RFFC Trials as a Bridge to Intraverbal Responding	158
The Effects of Intraverbal Training	160
Summary	160
CHAPTER 10 — ADVANCED TACT AND RECEPTIVE TRAINING	163
Teaching Verbs	164
Table 10-1	165
Noun-noun Combinations	166
Noun-verb Combinations	166
Adjectives	166
A Single Word May Have Several Different Functions	167
Combinations of Nouns, Verbs, and Adjectives	168
Adverbs	168
Prepositions	168
Pronouns	169
More Complicated Combinations and Grammatical Sentences	170
Auditory Tacts	170
Tactile Tacts	171
Olfactory Tacts	171
Gustatory Tacts	172
Teaching Self-Awareness (Private Events)	172
Public Accompaniment	173
Collateral Events	173
Common Properties	174
Response Reduction	174
Summary	174
CHAPTER 11 — ADVANCED INTRAVERBAL TRAINING	177
Procedures for Teaching Intraverbal Behavior	177
Expanding Fill-ins and RFFC Transfer Training	177
Table 11-1	178
Fill-ins to "Wh" Questions and "Wh" Questions Alone	178
Table 11-2	179
Answering Simple Questions	179
Table 11-3	180
More Tact to Intraverbal Training: Intraverbal Functions	181

Table 11-4	181
Increasing the Complexity of the Question	182
Table 11-5	182
Intraverbal Expansion	183
Conversations on Specific Topics	183
Verbally Sequencing Events	184
Advanced Intraverbal and Academic Skills	184
Summary	184
CHAPTER 12 — TEACHING ADVANCED MANDS	187
Establishing Operations	187
Manding for Missing Items	188
Table 12-1	190
Manding for Action	190
Mands for Attention and the Removal of Aversives	192
Manding for Prepositions, Adjectives, Adverbs, and Pronouns	192
Teaching the "I Want..." Mand Frame and Mand Sentences	193
Mands for Information	194
Arranging the Daily Verbal Environment	196
Summary	196
CHAPTER 13 — THE NEED FOR BOTH DISCRETE TRIAL AND NATURAL ENVIRONMENT TRAINING	199
Table 13-1	200
Mand	202
Table 13-2	203
Receptive, Tact, Echoic, and Imitation	203
Intraverbal	204
Table 13-3	205
Table 13-4	206
Table 13-5	207
Combining DTT and NET for Daily Language Instruction	208
Table 13-6	209
Table 13-8	211
CHAPTER 14 — CRITICAL ELEMENTS OF AN EFFECTIVE EDUCATIONAL PROGRAM	213
Defining The Child's Needs	213
Comparing Educational Programs	214
Intensive Home-based Programs	214
Intensive Individualized School-based Programs	215
Traditional Special Education Classroom	217
Inclusion in Regular Education	218
Summary of Educational Programs Review	220

181	Reviewing Potential Programs	220
182	The Classroom Curriculum	220
182	Classroom Orientation	223
182	Philosophy of the Staff /Teacher in Control of Acquisition	223
183	Basic Behavior Modification	223
184	Augmentative Communication	224
184	Language Analysis and Teaching Skills	224
184	The Classroom Environment	224
184	Staff-to-Student Ratio	224
187	Length of the Instructional Day	225
187	Number of School Days in the Academic Year	225
188	Classroom's Daily Schedule	225
190	Physical Layout of the Classroom	226
190	Parent Education and Involvement	226
192	Skill Acquisition Data	226
192	Disruptive Student Behavior	227
193	Decision Making: Selecting The Best Option	227
194	Reviewing the Outcomes: A Continual Process	229
196	APPENDIX: — A BEHAVIORAL APPROACH TO LANGUAGE	231
196	Table A-1	232
199	Receptive Language and Receptive by Function, Feature, and Class (RFFC)	232
200	The Echoic Repertoire	233
202	Table A-2	233
202	The Imitation Repertoire	234
202	The Tact Repertoire	234
203	The Mand Repertoire	234
204	The Intraverbal Repertoire	235
205	The Textual Repertoire	236
206	The (Transcriptive) Spelling Repertoire	237
207	Summary	237
