Abstracts from International Scientific Conference

- Flow-ability to the river: Toward inclusive rivercapex / Ani Çuedari, Florian Nepravishtab, Nada Ibrahimic, Enida Dashjad7
- Chilean experience of fluvial bioengineering for river banks restoration / Samuel Francke-Campaña8
- Identifying and valuation of ecosystem services in landscape by inductive approach: flood-plain forests at Danube river / Pavol Eliáš 10
- The movement of wheelchair users past the urban rivers / Pavla Kotásková, Jitka FIALOVÁ, Mariana Jakubisková 11
- The Centrality of Felt Voice and Ownership to Developing Sustainable 'Sustainable Drainage Systems' / Glyn Everett 12
- The relationship between the morphological status of the urban stream and the floodplain biodiversity – case study of the Leskava Stream in Brno / Jiří Jakubínský, Ondřej Cudlín, Pavel Cudlín 14
- Rain Water Harvesting as an Ecosystem -Friendly Way of Reducing of Costs of Water Supply and of River Pollution in the Cities / Jiri Moravec..... 16
- Using the Ecosystem Services Approach to Assess Benefits of Urban Rivers and Blue-green structure in Norwegian Cities / Kristin Magnussen 17
- How do perceive the residents around medium or large river their countryside / Igor Kyselka, Matej Jasso..... 19
- Indicators for Cultural Ecosystem Services in urban contexts: a critical review for urban planning / Luis Inostroza, Daniele La Rosa, Marcin Spyra20
- Katowice experience of increasing general public awareness of river valleys' significance as public space / Małgorzata Markowska, Agnieszka Gieroszka, Leszek Trząski.....21
- Correlations between Water Resources and Natural Ecosystems in Albania / Klaud Manehasa, Oltion Marko, Florian Nepravishta 23
- The Olza river in the urban cross-border landscape of Karvina, Cieszyn and Třinec. Provision and demand of urban ecosystem services / Marcin Spyra, Luis Inostroza.....24
- Ecological, environmental and historical importance of the first systematic torrent control in the Slovak Republic / Matúš Jakubis..... 25

Human Activities and Biodiversity Protection - Case study of the Bata Canal / Jozef Mindáš, Jozef Tomek, Jana Skvareninova	26
The protection of cultural heritage and the landscape of the urban river waterfront of World Heritage city of Berat / Florian Nepravishta, Ani Cuedari.....	27
Tirana river waterfront development proposals of the new master-plan of Tirana city / Florian Nepravishta, Ani Çuedari.....	28
The Role of Urban Land-Use in Sustainable Urban River Management in Tehran Metropolitan / Sadegh Partani, Atieh Mahmoudi Mozafar, Heshmat Shirkoul, Hossein Hataminejhad.....	29
Economic assessment of recreational ecosystem services affected by the rehabilitation project of a Finnish river / Matteo Simonetto, Alberto Baraussea, Ninetta Chaniotoub, Alessandro Manzardoa, Luca Palmeria, Antonio Scipionia	30
Riverbeds in urban environment and risks of water-borne diseases spreading in developing and developed countries / Ivo Pavlík.....	31
The Public Perception of Urban River Spaces in the Czech Republic / Ondřej Konečný	32
Evaluation of recreational potential of near-nature watercourses in urban area in the Czech Republic / Ivana Lampartová	33
Full papers from International Scientific Conference	
Correlations between Water Resources and Natural Ecosystems in Albania / Klaud Manehasa, Oltion Marko, Florian Nepravishta	37
The movement of wheelchair users past the urban rivers / Pavla KOTÁSKOVÁ, Jitka FIALOVÁ, Mariana JAKUBISOVÁ	41
Economic assessment of recreational ecosystem services affected by the rehabilitation project of a Finnish river / Matteo Simonetto, Alberto Barausse, Ninetta Chaniotou, Kainuun Etu Oy, Alessandro Manzardo, Luca Palmeri, Antonio Scipioni,.....	53
Ecosystem services of Urban rivers and blue infrastructure – a brief introduction / Jiří Schneider, Michaela Venzlů	62
Presentations from International Scientific Conference	67
