

JPRAS

Journal of Plastic, Reconstructive & Aesthetic Surgery

An International Journal of Surgical Reconstruction

VOLUME 63 • NUMBER 2 • 2010

Contents

Original Article

- The anatomic basis of the internal mammary artery perforator flap: a cadaver study
M. Schmidt, O.C. Aszmann, H. Beck and M. Frey 191

Invited Commentary

- Discussion of: The anatomic basis of the internal mammary artery perforator flap: a cadaver study
P.C. Neligan 197

Original Articles

- The osteomuscular dorsal scapular (OMDS) flap: an alternative technique of mandibular reconstruction
C. Vacher and C. Lkah 198
- Free flap reconstruction for melanoma of the head and neck: indications and outcomes
M.D. Moncrieff, K. Spira, J.R. Clark, J.F. Thompson, A.R. Clifford, C.J. O'Brien and K.F. Shannon 205
- Muscle-flap salvage of prosthetic dural repair
C. Chung, A.J.V. Forte, R. Momeni, Q. Fatima Masood and D. Narayan 213
- Computer-aided morphological analysis for maxillo-facial diagnostic: a preliminary study
E. Vezzetti, F. Calignano and S. Moos 218
- Osteogenesis of the construct combined BMSCs with β -TCP in rat
M. Zhang, K. Wang, Z. Shi, H. Yang, X. Dang and W. Wang 227
- A new trend for the treatment of blepharoptosis: Frontalis-Orbicularis Oculi Muscle flap shortening technique
C.-S. Lai, C.-H. Lai, S.-H. Huang, I-Feng Sun, K.-P. Chang, S.-S. Lee and S.-D. Lin 233
- Surgical management of thyroid orbitopathy
A.G.M. Chiarelli, V. De Min, R. Saetti, S. Fusetti and H. Al Barbir 240
- Nicolò Manuzzi (1639-1717) and the first report of the Indian Rhinoplasty
P.J. Sykes, P. Santoni-Rugiu and R.F. Mazzola 247
- Invited Commentary*
- Discussion of: Nicolò Manuzzi (1639-1717) and the first report of the Indian Rhinoplasty
M.F. Freshwater 251

Letters to the Editor

- Did Nicolò Manuzzi (1639-1717) carry out reconstructive nose surgery himself?
R.C. van de Graaf 254

Reply to: Letter to the Editor: Did Nicolò Manuzzi (1639-1717) carry out reconstructive nose surgery himself?

P. Sykes, P. Santoni-Rugiu and R. Mazzola.	255

Original Articles

Reconstruction of traumatic nasal deformity in Orientals	
C.-T. Chen, T.-L. Hu, J.-B. Lai, Y.-C. Chen and Y.-R. Chen	257
A biomechanical comparison of vertical figure-of-eight locking suture for septal extension grafts	
K. Han, H.S. Jin, T.H. Choi, J.H. Kim and D. Son	265
An integrated fat grafting technique for cosmetic facial contouring	
Y. Xie, D.N. Zheng, Q.F. Li, B. Gu, K. Liu, G.X. Shen and L.L.Q. Pu	270
Evaluation of facial growth in non-cleft patients using the analysis method for patients after a cleft lip and/or palate repair	
C.-h. Li, B. Shi, X. He and T. Meng	277
Detailed assessment of cleft lip scar following straight line repair	
I. Tamada and T. Nakajima	282
Planning and optimising DIEP flaps with virtual surgery: the Navarra experience	
W.M. Rozen, E. Garcia-Tutor, A. Alonso-Burgos, R. Acosta, F. Stillaert, J.L. Zubieta, M. Hamdi, I.S. Whitaker and M.W. Ashton	289
Preoperative planning of DIEP and SGAP flaps: Preliminary experience with magnetic resonance angiography using 3-tesla equipment and blood-pool contrast medium	
A. Alonso-Burgos, E. García-Tutor, G. Bastarrika, A. Benito, P.D. Domínguez and J.L. Zubieta	298
The transverse myocutaneous gracilis flap: technical refinements	
A. Fattah, A. Figus, B. Mathur and V.V. Ramakrishnan.	305
The limitations of tissue-oxygen measurement and positron emission tomography as additional methods for postoperative breast reconstruction free-flap monitoring	
A. Schrey, T. Niemi, I. Kinnunen, H. Minn, T. Vahlberg, K. Kalliokoski, E. Suominen, R. Grénman and K. Aitasalo	314
Ipsilateral pedicle TRAM flaps for breast reconstruction: are they as safe as contralateral techniques?	
T.A. Janiga, D.M. Atisha, I.F. Lytle, E.G. Wilkins and A.K. Alderman	322
Studies of injection ports of permanent expandable breast implants	
A.F. Ulrik and S. Matzen	327
Patient satisfaction with aesthetic outcome after bilateral prophylactic mastectomy and immediate reconstruction with implants	
J. Gahm, G. Jurell, Å. Edsander-Nord and M. Wickman	332
Desmoid tumour of the breast	
S. Chummun, N.R. McLean, S. Abraham and M. Youseff	339
Re-defining pseudoptosis from a 3D perspective after short scar-medial pedicle reduction mammoplasty	
K.H. Small, O.M. Tepper, J.G. Unger, N. Kumar, D.L. Feldman, M. Choi and N.S. Karp	346
Cognitive capacity: No association with recovery of sensibility by Semmes Weinstein test score after peripheral nerve injury of the forearm	
Z.J. Boender, J. Ultee and S.E.R. Hovius	354
Management of full-thickness skin defects in the hand and wrist region: first long-term experiences with the dermal matrix Matriderm®	
W. Haslik, L.-P. Kamolz, F. Manna, M. Hladik, T. Rath and M. Frey.	360
Study of the neural and vascular anatomy of the anterolateral thigh flap	
Q. Zhang, Q. Qiao, L.J. Gould, W.T. Myers and L.G. Phillips	365

Letters to the Editor

Reply to: A clinical tip for prominent ear dressings: a simple advice for prevention of slippage." JPRAS 2009;62(5):668	
E. Bovill, R. Boulton and S. Wharton.	372

Reply to: Free-style local perforator flaps: concept and classification system. <i>JPRAS</i> 2009;62(5):602-609	
S.W. Waterston, O. Quaba and A.A. Quaba	373
Reply to: Clinical tip for the examination of the flexor digitorum superficialis. <i>JPRAS</i> 2009;62(4):525	
D. Bell.	374
Reply to: Use of the orbicularis retaining ligament in lower eyelid reconstruction. <i>JPRAS</i> 2009;62(7):896-900.	
D.O. Kikkawa and M.J. Lucarelli.	375

Book Review

Cosmetic Medicine & Aesthetic Surgery: Strategies for Success	
B. van der Lei.	376

Corrigendum

Corrigendum to: "The ideal bone marking instrument in craniofacial cases" [Journal of Plastic, Reconstructive & Aesthetic Surgery 2009;62(6):741]	
S. Hollis.	377

Case Reports: E-only Publication

Vulvo-perineal reconstruction with a reverse sensitive rectus abdominis salvage flap in a multirecurrent anal carcinoma	
G. Di Benedetto, W. Siquini, A. Bertani and L. Grassetti	e127
Reconstruction of vulva using pudendal thigh gluteal fold bilobed flap	
R. Ninomiya, K. Kishi, N. Imanishi, H. Nakajima and T. Nakajima	e130

Correspondence and Communications: E-only Publication

Undergraduate plastic surgery: Is extracurricular education enough?	
S. Aboelmagd	e133
Why not perforator flap training models in rats?	
S. Kayano, M. Nakagawa, S. Nagamatsu, T. Koizumi and S. Akazawa	e134
Cost-effective plastic surgery skills training	
W.-Y. Chan and M. Dalal	e136
Cost effective plastic surgery skills training—reply	
P.S. Yadav, Q.G. Ahmad, V.K. Shankhdhar and G.I. Nambi	e138
Foreign-body granulomas caused by polymethylmethacrylate (PMMA) microspheres: Successful correction by autologous fat transplantation	
K.P. Santana, L.H. Pereira, O. Sabatovich and A. Sterodimas	e139
Fat trap lipo-augmentation	
J. Odili and D. Nield	e142
Sports glasses contributing to nasal lacerations	
W. Allan, M. Athanasiadou, A. Ismail and O.G. Titley	e144
Heterotopic ossification of a temporal fascial flap pedicle in ear reconstruction	
G.J. Price and K.J. Stewart	e146
Reverse Yú flap for upper lip reconstruction	
R. Belmonte-Caro, P. Infante-Cossio, A. Garcia-Perla-Garcia and E. Torres-Carranza	e148
Surgical treatment of a basal cell carcinoma in the upper forehead area by combination of reconstructive and aesthetic surgical techniques	
N. Torio-Padron, H. Bannasch, S.U. Eisenhardt, A.S. Dowlathshahi and G.B. Stark	e151
Basal cell carcinoma arising from nasal piercing: Cause or coincidence	
M.F.Y. Ng, J.H.W. Clarkson and F.J. Hogg	e153

Collodion baby associated with congenital auricular anomalies: Postpartum splinting of a rare congenital auricular deformity	
F. Schonauer, A. Scarcella, I. Mataro, A. Umbaldo and G. Molea	e155
Maxillofacial trauma: An unusual presentation	
M. Ahmad, S.S. Hussain and S.A. Malik	e157
A case of pancalvarial osteomyelitis: Diagnosis and management	
H.S. Uppal, F. Issa, I. Byren and D. Johnson	e159
Repositioning of the malpositioned ear with a new technique of fascia lata suspension	
T. Satoh, S. Yamashita, T. Yasuoka, K. Hasegawa, Y. Namba and Y. Kimata	e161
Tacking the pinna with external mattress sutures to facilitate correction of prominent ears	
O. Çizmeci, H.U. Aydin and B. Yiğit.	e164
Diagnosis and therapy in patients with recurrent third branchial fistula	
P. Chen and C.Z. Yang	e166
Letter: Obesity and complications in breast reduction surgery	
R. Nassab, N. Hamnett, M. Barrett, S. Dhital and A. Juma	e168
A readily available temporary nipple prosthesis to aid positioning of nipple areola reconstructions	
A.M. Williams and O.M.B. Austin	e169
Sun burn as a consequence of resting reading glasses on a reconstructed breast	
A.L. Mahajan, T.W.L. Chapman, M.R. Mandalia and R.J. Morris	e170
Radiotherapy tattoo - A landmark for an underlying expander implant port in breast reconstruction	
V.A. Mahajan, A.L. Mahajan and R.J. Morris	e171
Implant augmentation after perforator flap breast reconstruction	
H.L. Chia, N. Breitenfeldt, A.C.E. Canal and C.M. Malata	e172
Beware - raising a DIEP flap post abdominal laparoscopic surgery	
S. Lo, D. Masud and A. Hazari	e174
Treatment of the severe or recurrent inverted nipple by interposition of a resorbable polydioxanone sheet	
G. Peeters, J. Decloedt, H. Nagels and B. Cambier	e175
Surgical management of hidradenitis suppurativa in the sub-mammary area	
M. Nakanishi, K. Yokota and M. Ochi	e177
Successful management of a recalcitrant bronchopleural fistula associated with infection after total pneumonectomy	
L.L.Q. Pu.	e180
Pectoralis major flap perfusion	
B.T. Varghese	e183
The serratus anterior free flap revisited	
E. Sham, F. Bruscino-Raiola and M.K. Leung	e184
Basic surgical practice on discarded adipocutaneous flaps in massive weight loss surgery	
F. Boriani, K. Degano and S. Bruschi	e186
The challenge of surgical treatment for giant scrotal lymphoedema - the role of local flaps	
M.V. Ponte de Souza Filho, R. de Almeida Girão and M.E. Tomás Filho	e187
Transverse split gluteus maximus muscle flap for closure of a radiation-induced ulcer on sacrococcygeal region	
S. Yuan, W. Yang, Z. Jin, X. Ma and Y. Hu	e189
Squamous cell carcinoma of the finger masquerading as paronychia	
V. Fung, D.C.G. Sainsbury, D.C. Seukeran and K.P. Allison	e191
Subjective improvement of the hands in sequential bilateral carpal tunnel surgery	
A. Afshar and Z. Yekta	e193
Herpes zoster in the median nerve distribution	
Y. Tahiri, N.D. Hamelin and J.-P. Brutus	e195

A rare presentation of solitary mastocytoma in the palm of an infant N. Janakiramanan, D. Chambers and G.J. Dowling	e197
An elastic band foreign body circumferentially around the proximal phalanx, detected 2 years post injury S. Saour, P.-N. Mohanna and M. James	e199
A novel application of the MAGNA-FINDER® external locating device in hand trauma S. Norton	e201
A simple technique for secure external fixation of hand fractures: Bent k-wires wrapped in cement A. George Barabas and M. James	e202
Cool it!! - The judicious use of liquid nitrogen for viral warts is important N. Kandamany and M. Ahmad	e204
Safe and less painful injection of triamcnenolone acetone into a keloid - A technique S. Mishra	e205
The use of Matriderm® in the management of an exposed Achilles tendon secondary to a burns injury A. Boyce, D.D. Atherton, R. Tang and M. Jawad	e206
Maintaining the standards in digital photography M. Ahmad and N. Ahmad	e208
Monitoring of free jejunal transfer A. Dionyssopoulos, P.G. Harris, E. Karagergou, P. Ferrarro, L. Guertin and A.M. Danino	e209
A simple design to improve venous drainage in retrograde island flaps: Surgical technique Y.-F. Li and J. Lao	e211
Use of ligacclips in microvascular surgery P.S. Yadav, Q.G. Ahmad, V.K. Shankhdhar and G.I. Nambi	e213
Use of ligacclips in stopping microvascular anastomotic leaks A. Lahiri, M. Syed and V. Ramakrishnan	e214
The interpretation of vascular changes observed in keystone island flaps: A hypothesis F.C. Behan, C.H. Lo and A. Sizeland	e215
Descending the reconstructive ladder with tube pedicles S.P. Narinesingh, J. Wong, D.A. McGrouther and A.Z. Babar	e217
Efficacy of 'rugby-ball shape' skin grafting using external wire frame fixation without tarsorrhaphy for lower eyelid reconstruction M. Murakami, R. Ogawa and H. Hyakusoku	e220
Novel approach to tie-overs S. Hollis and P. Wilson	e222
Pitta Vac: A quick and easy technique for upper and lower limb vacuum therapy R.E. Hill, C. Malic and T.S. Burge	e223
Abdominal binders - A simple technique to maintain appropriate position K.L. Wallis, P.H. Tay and S. Majumder	e225
A practical approach to managing flipped tissue expander valves C.T.P. Choh, T. Upadhyaya and S.S. Thomas	e226
A simple way to resolve injection port leakage X. Liu, X. Guo, J. Wang and W. Song	e228
A new simple method to create blunt cannulas for fat infiltration F.G. Bravo and M. Kufeke	e229
Use of a plastic syringe as a splint after penile surgery M. Ahmad, S. Shahid Hussain and S.A. Malik	e231
A simple and economical method for performing subcutaneous infusions in plastic surgery E. Rampino Cordaro, F. Calligaris Pasquini, G.F. Guarneri, F. De Biasio, M. Rivilli and P.C. Parodi	e232

Surgical tip: Simple technique for harvesting split thickness skin grafts from degloved skin J.K. Dickson, C. Mills and V. Devaraj	e233
--	------

A short critique aimed to be constructive to authors, referees, and editors M.R. Namazi	e234
