CONTENTS

CHAPTER 1

Geography: An Exploration of Connections

1

Where Is It? Why Is It There? Why Does It Matter? 2

What Is Geography? 3

Physical and Human Geography 3

Geographers' Visual Tools 4

Understanding Maps 4 • Geographic Information Science (GISc) 7

THE DETECTIVE WORK OF PHOTO INTERPRETATION

8

The Region as a Concept

Regions 9

Thematic Concepts and Geographic Insights in This Book 12

ENVIRONMENT

12

Human Impact on the Biosphere

Physical Geography

Landforms: The Sculpting of the Earth 13 • Plate Tectonics 13
• Landscape Processes 13 • Climate 14 • Climate Regions 14
• Temperature and Air Pressure 16 • Precipitation 17

Global Climate Change 21

Drivers of Global Climate Change 21 • Climate-Change Impacts 23 • Vulnerability to Climate Change 23
• Responding to Climate Change 24

Water 26

Calculating Water Use per Capita 26 • Who Owns Water? Who Gets Access to It? 27 • Water Quality 27
• Water and Urbanization 28

Food 28

Agriculture: Early Human Impacts on the Physical Environment 28 • Agriculture and Its Consequences 29
• Modern Food Production and Food Security 29

Globalization 31

What Is the Global Economy? 31

• Workers in the Global Economy 32 • The Debate over Globalization and Free Trade 33

Development 34

Measuring Economic Development 35 • Geographic Patterns of Human Well-Being 36 • Sustainable Development and Political Ecology 36

POWER AND POLITICS

38

The Expansion of Political Freedoms

What Factors Encourage the Expansion of Political Freedoms? 39

Geopolitics 39

International Cooperation 40

URBANIZATION

42

Why Are Cities Growing?

42

Patterns of Urban Growth 43

POPULATION

43

Global Patterns of Population Growth

43

Local Variations in Population Density and Growth 44

Age and Sex Structures

47

Population Growth Rates and Wealth

47

Gender

49

Gender Roles 49 • Gender Issues 50

Sociocultural Issues

51

Ethnicity and Culture: Slippery Concepts 51 • Values 52

• Religion and Belief Systems 52 • Language 53 • Race 53

PHOTO ESSAYS

1.3 Understanding Maps 5

1.4 The Detective Work of Photo Interpretation 8

1.7 Human Impacts on the Biosphere 14

1.11 Climate Regions of the World 18

1.15 Vulnerability to Climate Change 24

1.22 Power and Politics 40

1.24 Urbanization 44

1.30 Major Religions of the World 54

CHAPTER 2

North America

58

The North American Region

60

PHYSICAL GEOGRAPHY AND ENVIRONMENTAL ISSUES

61

Landforms

61

Climate

62

Environment

64

Climate Change and Air Pollution 64 • Water Resource Depletion, Pollution, and Marketization 64 • Loss of Habitat for Plants and Animals 68 • Oil Drilling 68 • Logging 68
• Coal Mining and Use 70 • Urbanization and Habitat Loss 70

HUMAN GEOGRAPHY

70

Human Patterns over Time

70

The Peopling of North America 71 • The European Transformation 71 • Expansion West of the Mississippi and Great Lakes 73 • European Settlement and Native Americans 74
• The Changing Regional Composition of North America 75

Globalization and Development	75
The Decline in Manufacturing Employment 75 • Growth of the Service Sector 76 • Globalization and Free Trade 76 • Repercussions of the Global Economic Downturn Beginning in 2007 78 • Interdependencies 79 • Women in the Economy 80 • North America's Changing Food-Production Systems 80 • Changing Transportation Networks and the North American Economy 83	

Political Issues	83
The Expansion of Political Freedoms in the United States and Canada 83 • Debt and Politics in the United States 84 • The United States and Canada Abroad 86 • Challenges to the United States' Global Power 86	

Relationships Between Canada and the United States	87
Asymmetries 87 • Similarities 87 • Democratic Systems of Government: Shared Ideals, Different Trajectories 87 • The Social Safety Net: Canadian and U.S. Approaches 89 • Gender in National Politics 90	

Urbanization	90
---------------------	----

Population and Gender	94
Gender and Fertility 95 • Aging in North America 95 • Population Distribution 96	

Sociocultural Issues	98
Immigration and Diversity 98 • Race and Ethnicity in North America 101 • Religion 103 • The American Family 103	

PHOTO ESSAYS

2.4 Climates of North America	63
2.5 Vulnerability to Climate Change in North America	65
2.8 Human Impacts on the Biosphere in North America	69
2.9 Visual History of North America	72
2.17 Power and Politics in North America	84
2.21 Urbanization in North America	92

CHAPTER 3

Middle and South America 108

The Middle and South American Region	110
--------------------------------------	-----

PHYSICAL GEOGRAPHY AND ENVIRONMENTAL ISSUES	112
--	-----

Physical Patterns	112
Landforms 112 • Climate 114	

Environmental Issues	117
Tropical Forests, Climate Change, and Globalization 117 • Environmental Protection and Economic Development 118 • The Water Crisis 118	

HUMAN GEOGRAPHY	122
------------------------	-----

Human Patterns over Time	122
The Peopling of Middle and South America 122 • European Conquest 123 • A Global Exchange of Crops and Animals 124 • The Legacy of Underdevelopment 124	

Globalization and Development	126
--------------------------------------	-----

Economic Inequality and Income Disparity	127
---	-----

Phases of Economic Development 127 • The Current Era of Foreign Direct Investment 131 • The Informal Economy 131 • Regional Trade and Trade Agreements 132 • Food Production and Development 132	
--	--

Power and Politics	134
---------------------------	-----

The Drug Trade and Conflict 135 • Foreign Involvement in the Region's Politics 136 • Recent Revolutionary Movements 138	
---	--

Urbanization	139
---------------------	-----

Migration and Urbanization 139	
--------------------------------	--

Population and Gender	143
------------------------------	-----

Slowing Population Growth 143 • Population Distribution 143	
---	--

Sociocultural Issues	144
-----------------------------	-----

Cultural Diversity 145 • The Family and Gender Roles 146 • Religion in Contemporary Life 146	
--	--

PHOTO ESSAYS

3.5 Climates of Middle and South America	115
3.8 Human Impacts on the Biosphere in Middle and South America	119
3.10 Vulnerability to Climate Change in Middle and South America	121
3.11 Visual History of Middle and South America	122
3.19 Power and Politics in Middle and South America	137
3.21 Urbanization in Middle and South America	140

CHAPTER 4

Europe

150

The European Region	152
---------------------	-----

PHYSICAL GEOGRAPHY AND ENVIRONMENTAL ISSUES	155
--	-----

Physical Patterns	155
--------------------------	-----

Landforms 155 • Vegetation and Climate 155	
--	--

Environmental Issues	156
-----------------------------	-----

European Leadership in Response to Global Climate Change 156 • Europe's Impact on the Biosphere 159	
---	--

HUMAN GEOGRAPHY	164
------------------------	-----

Human Patterns over Time	164
---------------------------------	-----

Sources of European Culture 164 • The Inequalities of Feudalism 165 • The Role of Urbanization in the Transformation of Europe 165 • European Colonialism: The Founding and Acceleration of Globalization 166 • Urban Revolutions in Industry and Politics 166 • Urbanization and Politics 168 • Two World Wars and Their Aftermath 169 • The Birth of the European Union 169	
---	--

Globalization and Development	170
Europe's Growing Service Economies 170 • The Euro and Debt Crises 172 • Food Production and the European Union 173	

Power and Politics	175
The Politics of EU Expansion 175 • EU Governing Institutions 178 • NATO and the Rise of the European Union as a Global Peacemaker 178 • Social Welfare Systems and Their Outcomes 178	
Urbanization	180
Population and Gender	180
Sociocultural Issues	184
Immigration and Migration: Needs and Fears 184	
• Changing Gender Roles 186	

PHOTO ESSAYS

4.4 Climates of Europe	157
4.5 Vulnerability to Climate Change in Europe	158
4.7 Human Impacts on the Biosphere in Europe	161
4.11 Visual History of Europe	166
4.18 Power and Politics in Europe	176
4.20 Urbanization in Europe	181

CHAPTER 5

Russia and the Post-Soviet States 192

The Russia and Post-Soviet States Region	194
--	-----

PHYSICAL GEOGRAPHY AND ENVIRONMENTAL ISSUES 197

Physical Patterns	197
Landforms 197 • Climate and Vegetation 198	
Environmental Issues	198
Urban and Industrial Pollution 201 • Nuclear Pollution 201	
• The Globalization of Resource Extraction and Environmental Degradation 201 • Climate Change 204	

HUMAN GEOGRAPHY 204

Human Patterns over Time	205
The Rise of the Russian Empire 205 • The Communist Revolution and Its Aftermath 206 • World War II and the Cold War 208	

Globalization and Development	210
Oil and Gas Development: Fueling Globalization 210 • Food Production in the Post-Soviet Era 212	
Power and Politics	214
Urbanization	218
Population and Gender	220
Gender and Life Expectancy 221	
• Population Distribution 223	
Sociocultural Issues	224
Gender: Challenges and Opportunities in the Post-Soviet Era 224 • Religious Revival in the Post-Soviet Era 226	

PHOTO ESSAYS

5.5 Climates of Russia and the Post-Soviet States	199
5.6 Human Impacts on the Biosphere in Russia and the Post-Soviet States	200
5.8 Vulnerability to Climate Change in Russia and the Post-Soviet States	203
5.10 Visual History of Russia and the Post-Soviet States	206
5.16 Power and Politics in Russia and the Post-Soviet States	215
5.18 Urbanization in Russia and the Post-Soviet States	219

CHAPTER 6

North Africa and Southwest Asia 230

The North Africa and Southwest Asia Region	232
--	-----

PHYSICAL GEOGRAPHY AND ENVIRONMENTAL ISSUES 235

Physical Patterns	235
Climate 235 • Landforms and Vegetation 235	
Environmental Issues	237
An Ancient Heritage of Water Conservation 237 • Could There Be New Sources of Water? 239 • Water and Food Production 239 • Vulnerability to Climate Change 239	

HUMAN GEOGRAPHY 243

Human Patterns over Time	243
Agriculture and the Development of Civilization 243	
• Agriculture and Gender Roles 244 • The Coming of Monotheism: Judaism, Christianity, and Islam 244	
• The Spread of Islam 246 • Western Domination, State Formation, and Antidemocratic Practices 247	
Globalization and Development	249
Fossil Fuel Exports 249 • Economic Diversification and Growth 252	

Power and Politics 254

The Arab Spring 254 • The Role of the Press, Media, and Internet in Political Change 256	
• Democratization and Women 258	

Three Worrisome Geopolitical Situations in the Region 258

Situation 1: Fifty Years of Trouble Between Iraq and the United States 258 • Situation 2: The State of Israel and the "Question of Palestine" 259 • Situation 3: Failure of the Arab Spring in Syria 262	
--	--

Urbanization 263

Population and Gender 265

Changing Population Distribution 267	
--------------------------------------	--

Sociocultural Issues 267

Families and Gender 267 • Gender Roles and Gendered Spaces 268 • The Rights of Women 269 • The Lives of Children 271	
--	--

Marwan Ibrahim/AFP/Getty Images

PHOTO ESSAYS

6.5	Climates of North Africa and Southwest Asia	236
6.7	Human Impacts on the Biosphere in North Africa and Southwest Asia	238
6.10	Vulnerability to Climate Change in North Africa and Southwest Asia	241
6.16	Visual History of North Africa and Southwest Asia	248
6.21	Power and Politics in North Africa and Southwest Asia	256
6.24	Urbanization in North Africa and Southwest Asia	264

CHAPTER 7

Sub-Saharan Africa 274

The Sub-Saharan Region	276
------------------------	-----

PHYSICAL GEOGRAPHY AND ENVIRONMENTAL ISSUES 278

Physical Patterns	278
-------------------	-----

Landforms 278 • Climate and Vegetation 279

Environmental Issues	279
----------------------	-----

Deforestation and Climate Change 279 • Agricultural Systems, Food, Water, and Vulnerability to Climate Change 282 • Wildlife and Climate Change 286

HUMAN GEOGRAPHY 288

Human Patterns over Time	288
--------------------------	-----

The Peopling of Africa and Beyond 288 • Early Agriculture, Industry, and Trade in Africa 288 • The Scramble to Colonize Africa 290 • Power and Politics in the Aftermath of Independence 291

Globalization and Development	293
-------------------------------	-----

Successive Eras of Globalization 293 • Regional and Local Economic Development 296

Power and Politics	299
--------------------	-----

Gender, Power, and Politics 302

Urbanization	303
--------------	-----

Population and Gender	305
-----------------------	-----

Sociocultural Issues	309
----------------------	-----

Gender Issues 310 • Religion 311

PHOTO ESSAYS

7.5	Climates of Sub-Saharan Africa	280
7.6	Human Impacts on the Biosphere in Sub-Saharan Africa	281
7.8	Vulnerability to Climate Change in Sub-Saharan Africa	285
7.11	Visual History of Sub-Saharan Africa	288
7.21	Power and Politics in Sub-Saharan Africa	301
7.22	Urbanization in Sub-Saharan Africa	304

CHAPTER 8

South Asia 316

The South Asian Region	318
------------------------	-----

PHYSICAL GEOGRAPHY AND ENVIRONMENTAL ISSUES 320

Physical Patterns	320
-------------------	-----

Landforms 320 • Climate and Vegetation 321

Environmental Issues	322
----------------------	-----

South Asia's Vulnerability to Climate Change 324

• Responses to Water Issues Related to Global Climate Change 327 • Deforestation 329 • Industrial Air Pollution 329

HUMAN GEOGRAPHY 330

Human Patterns over Time	330
--------------------------	-----

The Indus Valley Civilization 331 • A Series of Invasions 331

• Language and Ethnicity 331 • Religious Traditions 331

• Globalization and the Legacies of British Colonial Rule 334

Globalization and Development	338
-------------------------------	-----

Economic Trends 338 • Economic Reforms 338 • Offshore

Outsourcing 340 • Free Trade Within South Asia 340

• Food Production and the Green Revolution 340

• Microcredit: A South Asian Innovation for the Poor 342

Power and Politics	343
--------------------	-----

Religious Nationalism 344 • The Growing Influence of Women and Young Voters 344 • Regional Conflicts 344

Urbanization	348
--------------	-----

Mumbai 348

Population Patterns	351
---------------------	-----

Sociocultural Issues	354
----------------------	-----

The Texture of Village Life 354 • Social Patterns in the Status of Women 354 • Gender, Politics, and Power 355

PHOTO ESSAYS

8.5	Climates of South Asia	323
8.7	Vulnerability to Climate Change in South Asia	325
8.8	Human Impacts on the Biosphere in South Asia	328
8.10	Visual History of South Asia	332
8.20	Power and Politics in South Asia	345
8.21	Urbanization in South Asia	349

CHAPTER 9

East Asia 360

The East Asia Region	362
----------------------	-----

PHYSICAL GEOGRAPHY AND ENVIRONMENTAL ISSUES 364

Physical Patterns	364
-------------------	-----

Landforms 365 • Climate 365

Botafofo/Flickr/Getty Images

Environmental Issues	367
Food Security and Sustainability 369 • Three Gorges Dam: The Power of Water 372 • Air Pollution: Choking on Success 374	

HUMAN GEOGRAPHY 375

Human Patterns over Time 375

Bureaucracy and Imperial China 375 • Confucianism Molds East Asia's Cultural Attitudes 376 • Why Did China Not Colonize an Overseas Empire? 377 • European and Japanese Imperialism 377 • China's Turbulent Twentieth Century 377 • Japan Becomes a World Leader 380 • Chinese and Japanese Influences on Korea, Taiwan, and Mongolia 381

Globalization and Development 381

The Japanese Miracle 382 • Mainland Economies: Communists in Command 382 • Economic Reforms in China 384

Power and Politics 384

Pressures for Political Change in China 385 • Japan's Recent Political Shifts 389 • Political Tensions Between East Asian Countries 389

Urbanization 390

Transportation Improvements 390
• Hong Kong's Special Role 393

Population and Gender 394

Responding to an Aging Population 394
• The Legacies of China's One-Child Policy 395 • Population Distribution 396

Sociocultural Issues 397

East Asia's Most Influential Cultural Export: The Overseas Chinese 401

PHOTO ESSAYS

9.4 Climates of East Asia	366
9.5 Vulnerability to Climate Change in East Asia	368
9.9 Human Impacts on the Biosphere in East Asia	373
9.12 Visual History of East Asia	378
9.18 Power and Politics in East Asia	387
9.20 Urbanization in East Asia	391

CHAPTER 10 **Southeast Asia**

404

The Southeast Asia Region 406

PHYSICAL GEOGRAPHY AND ENVIRONMENTAL ISSUES 409

Physical Patterns 409

Landforms 409 • Climate and Vegetation 410

Environmental Issues 411

Deforestation 411 • Climate Change and Deforestation 411
• Climate Change and Food Production 415 • Climate Change and Water 417 • Responses to Climate Change 419

HUMAN GEOGRAPHY 419

Human Patterns over Time 419

Diverse Cultural Influences 419 • European Colonization 421
• Struggles for Independence 421

Globalization and Development 422

Economic Crisis and Recovery: The Perils of Globalization 424 • Regional Trade and ASEAN 425

Power and Politics 428

Southeast Asia's Authoritarian Tendencies 428 • Militarism and China 430 • Can the Expansion of Political Freedoms Help Bring Peace to Indonesia? 430

Urbanization 431

Emigration Related to Globalization 432

Population and Gender 435

Sociocultural Issues 438

Cultural and Religious Pluralism 438
• Gender Patterns in Southeast Asia 441
• Globalization and Gender: The Sex Industry 442

Paul Kennedy/Lonely Planet Images/Getty Images

PHOTO ESSAYS

10.7 Climates of Southeast Asia	412
10.9 Human Impacts on the Biosphere in Southeast Asia	414
10.11 Vulnerability to Climate Change in Southeast Asia	418
10.13 Visual History of Southeast Asia	422
10.18 Power and Politics in Southeast Asia	429
10.19 Urbanization in Southeast Asia	433

CHAPTER 11

Oceania: Australia, New Zealand, and the Pacific 446

The Oceania Region 448

PHYSICAL GEOGRAPHY AND ENVIRONMENTAL ISSUES 450

Physical Patterns 450

Continent Formation 450 • Island Formation 451
• Climate 451 • Fauna and Flora 454

Environmental Issues 455

Global Climate Change 455 • Invasive Species and Food Production 457 • Globalization and the Environment in the Pacific Islands 457

HUMAN GEOGRAPHY 461

Human Patterns over Time 461

The Peopling of Oceania 461 • Arrival of the Europeans 463
• The Colonization of Australia and New Zealand 463
• Oceania's Shifting Global Relationships 463

Globalization and Development	464
Globalization, Development, and Oceania's New Asian Orientation 464 • The Stresses of Asia's Economic Development "Miracle" on Australia and New Zealand 465 • The Advantages and Stresses of Tourism 467 • The Future: Diverse Global Orientations? 468	
Power and Politics	468
Urbanization	470
Population and Gender	472
Population Numbers and Distribution 472	
Sociocultural Issues	473
Ethnic Roots Reexamined 473 • Forging Unity in Oceania 476	

PHOTO ESSAYS

11.5 Climates of Oceania	452
11.8 Vulnerability to Climate Change in Oceania	456
11.9 Human Impacts on the Biosphere in Oceania	458
11.14 Visual History of Oceania	464
11.17 Power and Politics in Oceania	469
11.18 Urbanization in Oceania	471

EPILOGUE: ANTARCTICA
