

Preface	5		
1	Introduction	9	
1.1	Aims and Presentation of the Key Problems	9	
1.2	Location of Study Areas in Lesotho	9	
1.3	Soil Erosion and Sedimentation	11	
1.4	Previous Studies in Lesotho	12	
2	Regional setting of the study areas	16	
2.1	Introduction	16	
2.2	Roma Valley and Maliele Catchments	16	
2.2.1	Bedrock Geology	16	
2.2.2	Climate and Hydrology	19	
2.2.3	Landforms and Surficial Deposits	22	
2.2.4	Soils	28	
2.2.5	Vegetation and Land Use	31	
2.3	Khomo-khoana Catchment	32	
2.3.1	Bedrock Geology	33	
2.3.2	Climate and Hydrology	36	
2.3.3	Landforms and Surficial Deposits	40	
2.3.4	Soils	42	
2.3.5	Vegetation and Land Use	43	
3	Methods and materials	45	
3.1	Introduction	45	
3.2	Reservoir Surveys	45	
3.3	Catchment Surveys	48	
3.4	Water and Sediment Discharge	49	
4	Soil erosion and reservoir sedimentation: Roma Valley and Maliele Catchments	53	
4.1	Roma Valley Area 1	53	
4.1.1	Introduction	53	
4.1.2	Reservoir Surveys	58	
4.1.3	Catchment Surveys	62	
4.1.4	Water and Sediment Discharge	62	
4.1.5	Results and Discussion	66	
4.2	Roma Valley Area 2	68	
4.2.1	Introduction	68	
4.2.2	Reservoir Surveys	69	
4.2.3	Catchment Surveys	71	
4.2.4	Results and Discussion	71	
4.3	Roma Valley Area 3	75	
4.3.1	Introduction	75	
4.3.2	Reservoir Surveys	75	
4.3.3	Catchment Surveys	77	
4.3.4	Results and Discussion	77	
4.4	Roma Valley Area 4	80	
4.4.1	Introduction	80	
4.4.2	Reservoir Surveys	83	
4.4.3	Catchment Surveys	84	
4.4.4	Results and Discussion	84	
4.5	Roma Valley Area 5	87	
4.5.1	Catchment Surveys	87	
4.5.2	Water and Sediment Discharge	89	
4.6	Maliele Catchment	91	
4.6.1	Introduction	91	
4.6.2	Reservoir Surveys	94	
4.6.3	Catchment Surveys	96	
4.6.4	Water and Sediment Discharge	101	
4.6.5	Results and Discussion	102	
5	Soil erosion: Khomo-khoana Catchment	111	
5.1	Khomo-khoana Catchment Area 1	111	
5.1.1	Introduction	111	
5.1.2	Catchment Surveys	112	
5.1.3	Results and Discussion	113	
5.2	Khomo-khoana Catchment Area 2	117	
5.2.1	Introduction	117	

5.2.2	Catchment Surveys	117
5.2.3	Results and Discussion	118
5.3	Khomo-khoana Catchment Area 3	123
5.3.1	Introduction	123
5.3.2	Catchment Surveys	125
5.3.3	Results and Discussion	125
5.4	Khomo-khoana Catchment Area 4	128
5.4.1	Introduction	128
5.4.2	Catchment Surveys	130
5.4.3	Results and Discussion	130
5.5	Khomo-khoana Catchment Area 5	132

5.5.1	Introduction	132
5.5.2	Catchment Surveys	133
5.5.3	Results and Discussion	133
5.6	Erosion and Sedimentation within the Khomo-khoana Catchment	136
6	Summary and Discussion	143
6.1	Rates of Processes	143
6.2	Geomorphological Conclusions	145
6.3	Conservation Control Measures and Future Research	146
