

TABLE OF CONTENTS

PREFACE	vii
--------------------------	-----

CHAPTER 1

Abortion—An Eternal Social and Moral Issue	1
---	---

This chapter explains what abortion is, presents a brief historical overview of abortion, and summarizes the positions of various religions on the topic of abortion. Also discussed are pre-*Roe v. Wade* legal decisions on the topic.

CHAPTER 2

Supreme Court Decisions	9
--	---

Chapter 2 picks up where Chapter 1 leaves off, describing abortion-related decisions from the Supreme Court, beginning with *Roe v. Wade* (1973), which gave women throughout the United States the right to have legal abortions. Other cases addressing such topics as public funding, state restrictions, parental consent, partial-birth abortion, and abortion clinic protesters are also discussed.

CHAPTER 3

Abortion—A Major Political Issue	21
---	----

Ever since *Roe v. Wade*, American political parties have generally taken a strong position on one side or the other of the abortion issue. This chapter examines various political debates, including those over federal and state funding of abortion, funding through Title X for family planning and contraception, international U.S. aid for family planning and contraception, welfare reform and abortion, and the Unborn Victims of Violence Act.

CHAPTER 4

Abortion in the United States: A Statistical Study . . .	37
---	----

This chapter compiles various numbers relating to abortions in the United States. Discussed are the number of abortions performed, what types of women typically seek abortions and why they do, where and how abortions are performed, and the average cost of obtaining an abortion.

CHAPTER 5

Teen Pregnancy and Abortion	61
--	----

This chapter looks at teen pregnancy and sexual risk behaviors; pregnancy rates, abortion rates, and birth rates among teens;

parental involvement in abortion decisions; and teenagers' knowledge of and feelings toward abortion.

CHAPTER 6

Abortion Clinics	81
-----------------------------------	----

Abortion clinics, or medical facilities that specialize in performing abortions, are the topic of this chapter. Quality of clinic care is discussed, as is violence and protests against clinics. The last section describes the Freedom of Access to Clinic Entrances Act (FACE).

CHAPTER 7

Medical and Ethical Questions Concerning Abortion	87
--	----

This chapter examines the debate that surrounds abortion as a medical treatment and its potential impact on a woman's physical and mental health. In addition, the ethical implications of issues such as fetal tissue and embryonic stem cell research and the rights of the fetus are also discussed.

CHAPTER 8

Abortion around the World	95
--	----

This chapter considers abortion in countries outside the United States by exploring laws and statistics. Snapshots of abortion policies are provided for a number of specific countries, and worldwide conferences on the topic are also discussed.

CHAPTER 9

Public Attitudes toward Abortion	109
---	-----

Few topics divide the American public more decisively than abortion. This chapter compiles public opinion survey results on when life begins, if abortions should be legal (and if so, under what circumstances), the importance of the abortion issue from a political viewpoint, and late-term ("partial birth") abortion, among others.

CHAPTER 10

It Should Be Illegal for Minors to Cross State Lines for an Abortion without the Parents' Consent	115
--	-----

This chapter provides testimony from various people in favor of the "Child Interstate Abortion Notification Act," which would prohibit anyone except a parent from accompanying a minor across state lines to obtain an abortion. Chapter 11 provides counterarguments.

CHAPTER 11	
It Should Not Be Illegal for Minors to Cross State Lines for an Abortion without the Parents' Consent	119
This chapter provides testimony from various people opposed to the "Child Interstate Abortion Notification Act," which would prohibit anyone except a parent from accompanying a minor across state lines to obtain an abortion. Chapter 10 provides counterarguments.	
CHAPTER 12	
The <i>Roe v. Wade</i> Decision Should Be Reconsidered . . .	123
These statements dating from 1983 to 2005 argue that the <i>Roe v. Wade</i> decision should be reexamined. Chapter 13 provides counterarguments.	
CHAPTER 13	
The <i>Roe v. Wade</i> Decision Should Not Be Reconsidered	129
These statements dating from 1983 to 2005 argue that the <i>Roe v. Wade</i> decision should stand. Chapter 12 provides counterarguments.	
CHAPTER 14	
Certain Types of Late-Term Abortions Should Be Illegal	135
This chapter includes statements from political, medical, and judicial figures who argue against the so-called partial-birth abortion procedure that is used in the later stages of pregnancy. Chapter 15 provides counterarguments.	
CHAPTER 15	
No New Limitations Should Be Placed on Late-Term Abortion Procedures.	141
This chapter includes statements from political, medical, and judicial figures who argue that "partial-birth" abortion should not be banned, especially when the life of the mother is at risk. Chapter 14 provides counterarguments.
