| | Preface | xvii |
| | Acknowledgments | xix |
| 1 | Introduction to Motivation and Emotion | 1 |
| | Meaning of Motivation 1 | |
| | To Be Moved into Action 2 | |
| | Purpose of a Motivation Psychology 4 | |
| | Motivation as Anticipation of the Future 5 | |
| | Aspects of Motivation as a Journey 8 | |
| | Auxiliary Assumptions about Motivation 9 | |
| | Section Recap 10 | |
| | Sources of Motivation 11 | |
| | Internal Sources 11 | |
| | External Sources 12 | |
| | Linking Biological, Psychological, and Environmental Variables 13 | |
| | The Past as a Source of Motivation 14 | |
| | Combined Internal and External Sources Motivate Behavior 15 | |
| | Emotions 17 | |
| | Section Recap 17 | |
| | Study of Motivation and Emotion 18 | |
| | Research in Motivation 19 | |
| | Research in Emotion 21 | |
| | Sources and Scope of Motivation 22 | |

| | |
|---------------|----|
| Section Recap | 22 |
| Glossary | 23 |
| References | 25 |

2**The History of Motivation and Emotion****29****Brief History of Motivation 30**

| | |
|--|----|
| Aristotle's Theory | 30 |
| Hedonism | 30 |
| Evolution and Motivation | 35 |
| Unconscious Motivation | 39 |
| Early Views on Drives, Needs, and Incentives | 42 |
| Early Views that Drives and Incentives Interact to Motivate Behavior | 46 |
| Section Recap | 51 |

Brief History of Emotion 52

| | |
|--|----|
| Emotion as Subjective Feeling | 53 |
| Basic Emotions | 53 |
| Emotion as Motive for Action and Thought | 54 |
| Accompaniments of Emotion | 55 |
| Section Recap | 57 |

| | |
|------------|----|
| Glossary | 57 |
| References | 60 |

3**Evolutionary Antecedents of Motivation****65****Evolutionary Perspective on Motivation 65**

| | |
|---|----|
| Evolutionary History and Personal History | 66 |
| Evolutionary Psychology | 68 |
| Section Recap | 70 |

Universal Motives for Relationships and Sex 70

| | |
|-------------------------------------|----|
| Motivation for Relationships | 70 |
| Good Genes and Bad Genes Hypotheses | 72 |
| Long-Term Mate Selection | 75 |
| Biosocial Theory | 76 |
| Guarding Relationships | 79 |
| Section Recap | 81 |

Fear, Food Preferences, and Music as Universal Motives 82

| | |
|----------------------------------|----|
| Fear as a Universal Motive | 82 |
| Preferences and Liking for Foods | 85 |
| Universal Appeal of Music | 89 |
| Section Recap | 92 |

| | |
|------------|----|
| Glossary | 92 |
| References | 94 |

| | | |
|----------|---|------------|
| 4 | Addictions and Addictive Behaviors | 99 |
| | Drugs of Abuse and Addiction 100 | |
| | Aspects of Addiction 100 | |
| | Specifics of Drug Addiction 103 | |
| | From Experimentation to Addiction 104 | |
| | Section Recap 108 | |
| | The Addiction Process 109 | |
| | Psychological Theories of Drug Addiction 110 | |
| | Brain Correlates of Addiction 112 | |
| | Loss of Self-Control 115 | |
| | Role of Environment in Addiction via Conditioning 116 | |
| | Events that Lead to Drug Relapse 117 | |
| | Cognition and Addiction 119 | |
| | Section Recap 120 | |
| | Behavioral Addictions 121 | |
| | Exercise Addiction and Drug Addiction 121 | |
| | Opioids and Exercise-Induced Euphoria 123 | |
| | Gambling Addiction 125 | |
| | Internet Addiction 127 | |
| | Section Recap 129 | |
| | Glossary 129 | |
| | References 132 | |
| 5 | Homeostasis: Temperature, Thirst, Hunger, and Eating | 137 |
| | Internal Factors of Body Regulation 138 | |
| | Homeostasis and Allostasis 138 | |
| | Negative Feedback System 138 | |
| | Effects of Deviation from Set Point 139 | |
| | Thermoregulation 139 | |
| | Thirst and Drinking 141 | |
| | The Body's Energy Requirements 142 | |
| | Energy Homeostasis 142 | |
| | Hunger Sensations 146 | |
| | Feedback Mechanisms for Satiety 149 | |
| | Dual Intervention Point Model 149 | |
| | Section Recap 151 | |
| | Food Characteristics and Eating 152 | |
| | Cephalic Responses 152 | |
| | Palatability and Amount of Food 152 | |
| | Sensory-Specific Satiety 154 | |
| | Food Preferences 155 | |
| | Section Recap 158 | |

| | | |
|----------|--|------------|
| | Person Characteristics and Eating 159 | |
| | Boundary Model of Eating 159 | |
| | Release of Diet Restraint 161 | |
| | Anorexia Nervosa 163 | |
| | Section Recap 164 | |
| | Glossary 165 | |
| | References 167 | |
| 6 | Behavior, Arousal, and Affective Valence | 171 |
| | Arousal and Performance 172 | |
| | Categories of Arousal 172 | |
| | Sources of Arousal 174 | |
| | Arousal and Behavior 175 | |
| | Section Recap 182 | |
| | Theories about the Performance–Arousal Relationship 182 | |
| | Hull–Spence Drive Theory 183 | |
| | Cusp Catastrophe Mode [model] 183 | |
| | Arousal-Biased Competition Theory 185 | |
| | Memory Systems 185 | |
| | Anxiety Affects Cognitive Processing and Behavior 186 | |
| | Section Recap 189 | |
| | Arousal and Affective Valence 190 | |
| | Variation in Affective Valence 190 | |
| | Stimulus Complexity and Affective Valence 192 | |
| | Novelty and Incongruity in Music and Humor 195 | |
| | The Pleasure of Music 196 | |
| | Incongruity Resolution and Humor 198 | |
| | Section Recap 199 | |
| | Glossary 199 | |
| | References 202 | |
| 7 | Stress, Coping, and Health | 207 |
| | Relationship between Life Events and Stress 207 | |
| | Demands, Coping, and Stress 208 | |
| | Characteristics of Stressors 208 | |
| | Characteristics of Stress 211 | |
| | Stressor–Stress Relationship 215 | |
| | Section Recap 223 | |
| | Stressors Affect the Body 224 | |
| | Psychophysiological Disorders 224 | |
| | Sickness Behavior 227 | |
| | Section Recap 227 | |

| | | |
|----------|---|------------|
| | Variables Moderating the Impact of Life Events 228 | |
| | Appraisal and Coping with Life Events and Stress 228 | |
| | Stressor Controllability 231 | |
| | Feedback 233 | |
| | Section Recap 233 | |
| | Glossary 234 | |
| | References 236 | |
| 8 | Psychological Needs and Motives | 241 |
| | Drives and Needs as Internal Sources of Motivation 242 | |
| | Interaction of Push and Pull Motivation 242 | |
| | Physiological Needs, Drives, and Psychological Needs 242 | |
| | Motivation by Psychological Needs 243 | |
| | Characteristics of Psychological Needs 244 | |
| | Demonstrating that Psychological Needs Motivate Behavior 249 | |
| | Maslow's Hierarchy of Needs Revised 252 | |
| | Section Recap 254 | |
| | Some Important Psychological Needs 255 | |
| | Achievement Motivation 255 | |
| | Factors that Affect Achievement Motivation 256 | |
| | Needs for Autonomy and Competence 257 | |
| | Need to Affiliate/Belong 258 | |
| | Need for Closure and Need for Cognition 261 | |
| | Need for Meaning 263 | |
| | Need for Power 265 | |
| | Need for Self-Esteem 266 | |
| | Section Recap 269 | |
| | Glossary 270 | |
| | References 271 | |
| 9 | Personality and Motivation | 275 |
| | Personality Associated with Motivation 275 | |
| | Personality Traits as Categories or Causes of Behavior 276 | |
| | Personality Traits for Motivation 276 | |
| | Biological Reality of Traits 278 | |
| | Section Recap 283 | |
| | Personality Traits Affect Motivation 285 | |
| | Personality and Environment 285 | |
| | Cybernetic Big Five Theory 285 | |
| | Effects of Openness-to-Experience on Motivation 287 | |
| | Effects of Extraversion on Motivation 287 | |
| | Effects of Neuroticism on Motivation 291 | |

| | | |
|-----------|--|------------|
| | Effects of Conscientiousness on Motivation 293 | |
| | Effects of Agreeableness on Motivation 293 | |
| | Effects of Multiple Traits on Motivation 294 | |
| | Effects of Sensation-Seeking on Motivation 299 | |
| | Section Recap 300 | |
| | Glossary 301 | |
| | References 303 | |
| 10 | Extrinsic and Intrinsic Motivation | 307 |
| | Extrinsic Motivation and Incentive Value 308 | |
| | Reinforcers and Punishers versus Incentives 308 | |
| | Objective and Subjective Incentive Value 310 | |
| | Positive and Negative Incentives 311 | |
| | Section Recap 314 | |
| | Factors that Affect Incentive Value 315 | |
| | Amount 315 | |
| | Internal States Determine Incentive Value 316 | |
| | Rate of Reinforcement 317 | |
| | Contrast Effects 318 | |
| | Temporal Motivation Theory 321 | |
| | Section Recap 326 | |
| | Intrinsic Motivation 327 | |
| | Differences between Extrinsic and Intrinsic Motivation 328 | |
| | Purpose of Intrinsically Motivated Behavior 328 | |
| | Interaction between Extrinsic and Intrinsic Motivation 330 | |
| | Motivational Orientation 333 | |
| | Section Recap 334 | |
| | Glossary 334 | |
| | References 336 | |
| 11 | Goal Motivation | 341 |
| | Origins of Goals 341 | |
| | From Possible End-States to Goals 342 | |
| | Sources of Goals 345 | |
| | Section Recap 348 | |
| | Goal Characteristics and Expectations 348 | |
| | Motivating Characteristics of Goals 349 | |
| | Expectancy Value Theory and Expected Utility Theory 351 | |
| | Framing 353 | |
| | Prospect Theory 354 | |
| | Section Recap 355 | |

| | | |
|-----------|---|------------|
| | Goal Commitment, Planning, and Achievement 356 | |
| | Committing to a Goal 356 | |
| | Planning to Achieve a Goal 358 | |
| | Progress toward Goal Achievement 358 | |
| | Activating Goal Achievement Behavior 362 | |
| | Goal Achievement and Goal Failure 363 | |
| | Goal Achievement without Awareness 365 | |
| | Section Recap 367 | |
| | Glossary 368 | |
| | References 370 | |
| 12 | Economics of Motivation | 375 |
| | Motivation Costs and Resources 375 | |
| | Costs of Motivated Behavior 376 | |
| | Effort Discounting 379 | |
| | Motivation Resources 381 | |
| | Section Recap 384 | |
| | Function of Fatigue 385 | |
| | Self-Control Strength 385 | |
| | Fatigue Motivates Alternative Behaviors 386 | |
| | Section Recap 388 | |
| | Spending Motivation Resources 388 | |
| | Demand Law 389 | |
| | Elasticity 390 | |
| | Elasticity and the Substitution Effect 391 | |
| | Section Recap 393 | |
| | Motivation toward Least Effort 394 | |
| | Early Views on Effort and Motivation 394 | |
| | Choices Based on Least Effort 395 | |
| | Behavior and Thought Based on Least Effort 398 | |
| | Section Recap 401 | |
| | Glossary 402 | |
| | References 403 | |
| 13 | Emotions and Moods | 407 |
| | Characteristics and Categories of Emotions 407 | |
| | What Is an Emotion? 408 | |
| | Methods for Uncovering Basic Emotions 411 | |
| | Characteristics of Emotion 415 | |
| | Intensity and Duration of Emotions 419 | |
| | Section Recap 422 | |

| | | |
|-----------|---|------------|
| | The Function of Arousal 422 | |
| | James–Lange Theory 423 | |
| | Cognitive Arousal Theory 426 | |
| | Cannon's Theory of Arousal 428 | |
| | Arousal Helps Construct an Emotion 429 | |
| | Section Recap 429 | |
| | Moods 430 | |
| | Differences between Moods and Emotions 430 | |
| | Measurement of Moods 430 | |
| | Factors that Affect Mood 431 | |
| | Section Recap 435 | |
| | Glossary 436 | |
| | References 437 | |
| 14 | Emotions as Motives | 443 |
| | Appraisal of the Emotion Event 443 | |
| | Characteristics of the Emotion-Inducing Event 444 | |
| | Event–Appraisal–Emotion Sequence 445 | |
| | The Appraisal Process 447 | |
| | Section Recap 452 | |
| | Emotions Motivate Facial Expressions 452 | |
| | Expression–Feeling Link 452 | |
| | Innateness of Facial Expression of Emotion 453 | |
| | Function of Facial Expression 456 | |
| | Section Recap 460 | |
| | The Motivating Function of Emotions 461 | |
| | Emotions as Motives for Behavior 461 | |
| | Emotions as Motives for Cognitive Activity 462 | |
| | Motivational Nature of Positive Emotions 466 | |
| | Section Recap 470 | |
| | Glossary 470 | |
| | References 471 | |
| | Index | 477 |
