| Chapter 1: An Evaluation of Population Estimates for Counties and Incorporated Places in Texas for 2000                        | 1    |
| Background   | 1    |
| Methodology  | 1    |
| Results  | 1    |
| Conclusion   | 1    |
| Appendix A   | 1    |
| Appendix B   | 1    |
| Appendix C   | 1    |
| Appendix D   | 1    |
| Appendix E   | 1    |
| Acknowledgements   | xiii |
| <b>SECTION II: POPULATION ESTIMATES AND PROGRAMS</b>   |      |
| <b>INTRODUCTION</b>  |      |
| Chapter 1: Applied Demography at the Beginning of the 21st Century   | 3    |
| Steve H. Murdock and David A. Swanson  |      |
| <b>SECTION I: DATA USE AND MEASUREMENT ISSUES</b>  |      |
| Chapter 2: Measuring Population Change Using the American Community Survey   | 13   |
| Howard Hogan   |      |
| Introduction   | 13   |
| Population and Housing Estimates Program   | 14   |
| The American Community Survey's Design   | 20   |
| ACS Reference Period   | 21   |
| Measurement Issues   | 24   |
| Important Avenues for Research on the ACS and the Population Estimates Program   | 27   |
| Summary  | 30   |
| Chapter 3: Using the 2005 American Community Survey  | 31   |
| Patricia C. Becker   |      |
| Using ACS Data   | 31   |
| Looking to the Future  | 34   |
| Conclusion   | 35   |
| Chapter 4: Address Coverage Improvement and Evaluation Program – 2005 National Estimate of Coverage of the Master Address File | 37   |
| Susan Perrone  |      |
| Background   | 38   |

|   |     |
|---|-----|
| Methodology   | 41  |
| Limitations   | 48  |
| Results   | 52  |
| Additional Research   | 59  |
| Conclusions   | 67  |
| Appendix A  | 70  |
| Appendix B  | 76  |
| Appendix C  | 78  |
| Appendix D  | 79  |
| Appendix E  | 83  |
| <b>SECTION II: POPULATION ESTIMATES AND PROJECTIONS</b>   |     |
| Chapter 5: Using Assessor Parcel Data to Maintain Housing Unit Counts for Small Area Population Estimates   | 89  |
| <i>Beth Jarosz</i>  |     |
| Background and Introduction   | 89  |
| Methodology for Improving the Housing Unit Estimates  | 92  |
| Advantages and Disadvantages of the Parcel Data   | 95  |
| Next Steps  | 96  |
| Appendix A: Detailed Methodology for Maintaining Parcel Housing Estimates   | 98  |
| Appendix B: Reported Housing Unit Counts by Jurisdiction (2000, 2004, and 2006)   | 100 |
| Chapter 6: Aging and Elder Abuse: Projections for Michigan  | 103 |
| <i>Lori Post, Charles Salmon, Artem Prokhorov, James Oehmke and Sarah Swierenga</i>   |     |
| Introduction  | 103 |
| Method  | 104 |
| Results   | 107 |
| Discussion  | 110 |
| Limitations and Suggestions for Future Research   | 111 |
| Chapter 7: Methods for Measuring the Population after a Disaster: Household Population Surveys in Post-Katrina New Orleans, October 2005–October 2006 | 113 |
| <i>Gregory Stone</i>  |     |
| Introduction  | 113 |
| Context   | 114 |
| Methods   | 114 |
| Results   | 117 |
| Discussion  | 120 |
| Conclusion  | 121 |

|  |     |
|--|-----|
| Chapter 8: An Evaluation of Population Estimates for Counties and Places in Texas for 2000<br><i>Nazrul Hoque</i>  | 125 |
| Introduction   | 125 |
| Evaluation of Texas County and Place Estimates for 2000  | 132 |
| Conclusion   | 146 |
| Chapter 9: Using Demographic Estimates and Projections to Improve Statistical Forecasting<br><i>Don R. Warren</i>  | 149 |
| Introduction   | 149 |
| Distinction between Projections and Forecasts  | 150 |
| A One-Way Disconnection between Statisticians and Demographers   | 151 |
| An Example of a Longer-Term Applied Forecasting Project  | 152 |
| The Typical Applied Forecasting Setting  | 153 |
| Demographic Complements to Forecasted Data Series  | 154 |
| An Over-Extended ARIMA Model   | 154 |
| A Demographically Assisted ARIMAX Alternative  | 159 |
| Conclusions  | 161 |
| Chapter 10: Measuring Uncertainty in Population Data Generated by the Cohort-Component Method: A Report on Research in Progress<br><i>David A. Swanson</i> | 165 |
| Introduction   | 165 |
| Mean Square Error Confidence Intervals   | 168 |
| Data   | 169 |
| Methods  | 171 |
| Results  | 176 |
| Discussion   | 180 |
| Appendix   | 184 |
| <b>SECTION III: APPLIED DEMOGRAPHY AND HEALTH</b>  |     |
| Chapter 11: Tuberculosis and Perception of Risk: A Comparison of Native Born and Foreign Born Persons in the United States<br><i>Mary Bollinger</i>        | 193 |
| Introduction   | 193 |
| Global Patterns of Migration   | 193 |
| World Health and Tuberculosis  | 196 |
| Theoretical Framework  | 200 |
| Methods  | 202 |
| Results  | 204 |
| Discussion   | 207 |

|  |     |
|--|-----|
| Chapter 12: Causes of Fire Deaths and Injuries in Anchorage, Alaska:<br>Policy Implications<br><i>Donna Shai</i>   | 213 |
| Introduction   | 213 |
| Background   | 214 |
| Methods  | 215 |
| Results  | 215 |
| Causes   | 216 |
| Policy Implications  | 217 |
| Conclusion   | 220 |
| Chapter 13: Dispersion of Registered Death Causes as a Function of<br>Age in the 1999 U.S. Population<br><i>Bo G. Eriksson</i>   | 223 |
| Introduction   | 223 |
| Methodological Considerations  | 224 |
| Data   | 225 |
| Results  | 226 |
| Discussion   | 228 |
| Conclusion   | 230 |
| Appendix 1   | 230 |
| <b>SECTION IV: THE BREADTH OF APPLIED DEMOGRAPHY</b>   |     |
| Chapter 14: A Comparison of Potential Demographic Influences on<br>Church Membership of Two United Methodist Congregations in<br>San Antonio, Texas<br><i>Michael E. Cline</i> | 237 |
| Introduction   | 237 |
| Case Study Congregations   | 237 |
| Methodology  | 238 |
| Findings   | 241 |
| Conclusion   | 247 |
| Chapter 15: Linking Tax-Lot and Student Record Data: Applications in<br>School Planning<br><i>D. Richard Lycan</i>   | 251 |
| Introduction   | 251 |
| Most School Districts Track Housing Development  | 252 |
| Related Research   | 252 |
| Using Linked Student Record and Tax-Lot Data   | 253 |
| About Assessors Tax-Lot Files  | 257 |
| About Student Record Data  | 260 |

|   |     |
|---|-----|
| Linking the Tax-Lot and Student Record Data   | 261 |
| Conclusions   | 267 |
| Chapter 16: Demography and Turnover   | 271 |
| <i>Giuseppe De Bartolo and Manuela Stranges</i>   |     |
| Introduction  | 271 |
| Demography and Management of Workforce  | 273 |
| The Demographic Factors That Affect Turnover  | 273 |
| Some Turnover Measures  | 277 |
| Conclusions   | 281 |
| Chapter 17: Household Consumption in China: An Examination of the Utility of Urban-Rural Segmentation | 285 |
| <i>Farhat Yusuf, Gordon Brooks and Ping Zhao</i>  |     |
| Introduction  | 285 |
| Literature Review   | 286 |
| Data  | 287 |
| Findings  | 289 |
| Discussion and Conclusion   | 295 |
| Chapter 18: How Chinese Children Spend Their Time   | 299 |
| <i>Hongwei Xu and Elisabeta Minca</i>   |     |
| Introduction  | 299 |
| Children's Time Use   | 301 |
| Factors That Affect Children's Time Use   | 305 |
| Data and Methods  | 309 |
| Descriptive Results   | 312 |
| Family and Children's Characteristics and Time Use  | 319 |
| Family and Children's Characteristics and Participation in Activities                                 | 320 |
| Family and Children's Characteristics and Time Spent in Activities                                    | 325 |
| Discussion and Policy Implications  | 325 |
| <b>SECTION V: EDUCATING THE APPLIED DEMOGRAPHER</b>   |     |
| Chapter 19: Introducing Survey Methods to Professional Students in Applied Demography                 | 337 |
| <i>David W. Smith and Stephanie L. McFall</i>   |     |
| Introduction  | 337 |
| Environment and Background  | 338 |
| Course Design   | 339 |
| The Analysis Workshop   | 341 |
| Case Study: Prostate Cancer Screening   | 342 |
| Three Years' Experience   | 343 |

|   |     |
|---|-----|
| Lessons Learned and Future Plans  | 344 |
| Chapter 20: The Academic Training of Applied Demographers: History, Evolution, and a Description of the First Ph.D. Program in Applied Demography                                   | 347 |
| Steve H. Murdock and Mary Zey   |     |
| Introduction  | 347 |
| Rationale for a Ph.D. in Applied Demography   | 348 |
| The Necessary Skills of Applied Demography  | 349 |
| A Description of the First Ph.D. Program in Applied Demography  | 351 |
| The Process for Admission and the Characteristics of the First Students   |     |
| Admitted to the Program   | 353 |
| Summary and Conclusions   | 353 |
| Appendix A: Coursework and Other Degree Requirements for the Ph.D. in Applied Demography, Department of Demography and Organization Studies, The University of Texas at San Antonio | 354 |

## CONCLUSIONS
