Index of Modern Authors	245
Subject Index	249

SELECT BIBLIOGRAPHY

TEXTS AND TRANSLATIONS

The most widely accessible series of texts are the *Patrologia Graeca* and the *Patrologia Latina* edited by J. P. Migne. In the former, Clement is found in volumes 8 and 9, Basil is found in volumes 29–52 and John Chrysostom in volumes 47–64. In the latter, Augustine is found in volumes 32–47. A text of Sextus is found in *The Sentences of Sextus*, H. Chadwick (Cambridge, 1959). Citations are from these texts except for Clement who is cited from the edition of O. Stählin, *Die griechischen christlichen Schriftsteller der ersten drei Jahrhunderte*, volumes 12, 15, 17 and 39 (Leipzig, 1905–36).

Selections of text with translations are found in the admirable series, *Sources Chrétiennes*, and to a lesser extent in the *Loeb Classical Library*. Translations into English are available for most of the texts cited, although the translations used are my own except in the case of the ascetic works of Basil where I have followed the translation of W. K. L. Clarke fairly closely. The most extensive and accessible translations are:

- Wilson, W.: *Clement of Alexandria, Ante-Nicene Christian Library*, vols. 4, 12 and parts of 22 and 24, Edinburgh, 1882 and 1884.
- Clarke, W. K. L.: *The Ascetic Works of Saint Basil*, translated with introduction and notes, London, 1925.
- Jackson, B.: *Letters and Select Works, St. Basil, Nicene and Post-Nicene Fathers*, ed. P. Schaff, Second Series, vol. 8, reprinted Michigan, 1968.
- Dods, Marcus: *The Works of Augustine*, edited and translated, 15 vols., Edinburgh, 1871–6.
- Pusey, E. B. et al., *A Library of the Fathers of the Holy Catholic Church*, Oxford, 1842–, *John Chrysostom*, vols. 18–39.
- Various translators: *John Chrysostom, selected works, Nicene and Post-Nicene Fathers*, ed. P. Schaff, First Series, vols. 9–14, reprinted Michigan, 1956.
- Various translators: *Augustine, selected works, Nicene and Post-Nicene Fathers*, ed. P. Schaff, First Series, vols. 1–8, reprinted Michigan, 1956.
