

CONTENTS

1. INTRODUCTION TO TRANSPORT	5
1.1 Subject of transport	5
1.2 Transport history	7
1.3 Transport and logistics	9
1.4 Transport theory	12
1.5 Transport and environment	15
1.6 Law frame in Czech Republic.....	16
1.7 International treaties.....	16
1.8 Transport Policy of the Czech Republic and European Union	19
2. TRANSPORT AND TRANSPORTATION PROCESS.....	35
2.1 Service requirements demand on vehicles	37
2.2 Traffic capacity	39
2.3 Transport quality	39
3. TRANSPORTATION AND TRANSPORTATION OUTPUT	41
4. TRANSPORT SERVICE.....	45
4.1 Influences with effect on transport service	46
4.2 Transportation service demand and citizens' mobility	47
4.3 Transportation demand	48
4.4 Information systems for transport service.....	49
4.5 Transition points and multimodal terminal in EU	50
4.6 Basic area of traffic control.....	51
5. SELECTED AGGREGATES.....	53
5.1 Marginal transportation distance.....	53
5.2 Technological indicators in road transport.....	53
5.2.1 Indicators of goods transport	54
5.2.2 Operating indicators in passenger transport	58
5.3 Speeds of transport.....	60
6. RAILWAY TRANSPORT TECHNOLOGY.....	64
6.1 Characteristics of railway transport	64
6.2 Railway transport process	75
6.2.1 Wagons	75
6.2.2 Tractive vehicles	78
6.2.3 Trains	79
6.3 Timetable	81
6.3.1 Background for construction of TT - quantitative standards.....	83
6.3.2 Background for construction of TT - time standards.....	84
6.3.3 Aids for TT	86
6.4 Capacity of railway network	89

6.5	Railway lines and stations.....	91
6.5.1	Technological procedures in railway stations.....	93
6.5.2	Tracks in the stations	97
6.5.3	Signals in the railway stations	98
6.5.4	Railway interlocking.....	99
6.5.5	Disposal for freight transportation.....	101
6.5.6	Dispatching management of railway traffic operation	103
6.6	Information and control systems in railway transport	105
7.	ROAD TRANSPORT TECHNOLOGY	115
7.1	Road transport characteristics	115
7.2	Key technological indicators.....	117
7.3	Road network	119
7.4	Road vehicles	123
7.5	Operative road transport management	126
7.5.1	Operative management of road cargo transport.....	126
7.5.2	Operative management of road passenger transport.....	129
7.6	Traffic streams	131
7.7	Information and control systems in road transport	132
8.	WATER TRANSPORT TECHNOLOGY.....	135
8.1	Water transport characteristics.....	135
8.2	Infrastructure of water transport	137
8.3	Ports	141
8.4	The maritime shipping	143
8.5	Vessels	147
8.5.1	Cargo ship categories.....	147
8.5.2	Passenger boats	148
8.5.3	Cargo ships	150
8.5.4	Sailing conditions	154
8.6	Information and control systems in water transport.....	154
9.	AIR TRANSPORT TECHNOLOGY	157
9.1	The Characteristic of the Air Transport	157
9.2	Transport process	160
9.2.1	Airport.....	160
9.2.2	Air services	164
9.2.3	Aviation	167
9.2.4	Aircraft.....	170
9.3	Air Cargo Transport.....	173
9.4	Czech avionic infrastructure and airlines.....	174
9.5	Information and control system in the Air Traffic.....	175
9.6	The International Organizations in the Air Traffic	178

10. INTERMODAL TRANSPORT TECHNOLOGY.....	180
10.1 Definition	180
10.2 Division of intermodal transport	181
10.3 Importance of intermodal transport.....	184
10.4 Ecology and intermodal transport	185
10.5 Intermodal transport systems	187
10.6 Infrastructure of intermodal transport	191
10.7 Intermodal transport terminal.....	193
10.8 Reloading mechanisms.....	198
10.8.1 Vertical reloads and facilities for vertical reloading.....	198
10.8.2 Horizontal reload and equipment for horizontal reloading.....	201
10.8.3 Reloading mechanisms	203
10.8.4 Crane gantries	203
10.8.5 Container carrier – rubber tyred mobile reloading mechanisms	206
11. LOGISTIC TECHNOLOGY.....	210
11.1 Infrastructure and Technology	210
11.2 Freight Distribution and Network Strategie	213
12. PUBLIC TRANSPORT TECHNOLOGY.....	215
12.1 Characteristics of city public transport.....	216
12.2 Designing routes of public transport	219
12.3 Operations management of urban public transport	221
12.4 Systems and subsystems of mass public transport	222
12.5 Integrated transport systems.....	229
13. INDEX OF TERMS.....	233
14. ABSTRACT.....	247
15. LITERATURE	248
