Table of Contents	
<b>Chapter 8</b>	Error Handling and Debugging . . . . . 243
Error Types and Basic Debugging . . . . .	244
Displaying PHP Errors . . . . .	250
Adjusting Error Reporting in PHP . . . . .	252
Creating Custom Error Handlers . . . . .	255
PHP Debugging Techniques . . . . .	260
SQL and MySQL Debugging Techniques . . . . .	264
Review and Pursue . . . . .	266
<b>Chapter 9</b>	Using PHP with MySQL . . . . . 267
Modifying the Template . . . . .	268
Connecting to MySQL . . . . .	270
Executing Simple Queries . . . . .	275
Retrieving Query Results . . . . .	284
Ensuring Secure SQL . . . . .	288
Counting Returned Records . . . . .	293
Updating Records with PHP . . . . .	296
Review and Pursue . . . . .	304
<b>Chapter 10</b>	Common Programming Techniques . . . . . 305
Sending Values to a Script . . . . .	306
Using Hidden Form Inputs . . . . .	310
Editing Existing Records . . . . .	316
Paginating Query Results . . . . .	323
Making Sortable Displays . . . . .	331
Review and Pursue . . . . .	336
<b>Chapter 11</b>	Web Application Development . . . . . 337
Sending Email . . . . .	338
Handling File Uploads . . . . .	344
PHP and JavaScript . . . . .	356
Understanding HTTP Headers . . . . .	364
Date and Time Functions . . . . .	370
Performing Transactions . . . . .	374
Review and Pursue . . . . .	380

<b>Chapter 12</b>	Cookies and Sessions . . . . .	381
	Making a Login Page . . . . .	382
	Making the Login Functions . . . . .	385
	Using Cookies . . . . .	390
	Using Sessions. . . . .	404
	Improving Session Security . . . . .	412
	Review and Pursue . . . . .	416
<b>Chapter 13</b>	Security Methods . . . . .	417
	Preventing Spam . . . . .	418
	Validating Data by Type. . . . .	425
	Validating Files by Type. . . . .	431
	Preventing XSS Attacks. . . . .	435
	Using the Filter Extension . . . . .	438
	Preventing SQL Injection Attacks . . . . .	442
	Securing Passwords with PHP . . . . .	449
	Review and Pursue . . . . .	458
<b>Chapter 14</b>	Perl-Compatible Regular Expressions . . . . .	459
	Creating a Test Script . . . . .	460
	Defining Simple Patterns . . . . .	464
	Using Quantifiers . . . . .	467
	Using Character Classes . . . . .	469
	Finding All Matches . . . . .	472
	Using Modifiers . . . . .	476
	Matching and Replacing Patterns . . . . .	478
	Review and Pursue . . . . .	482
<b>Chapter 15</b>	Introducing jQuery . . . . .	483
	What Is jQuery? . . . . .	484
	Incorporating jQuery . . . . .	486
	Using jQuery . . . . .	489
	Selecting Page Elements. . . . .	492
	Event Handling. . . . .	495
	DOM Manipulation . . . . .	499
	Using Ajax . . . . .	505
	Review and Pursue . . . . .	518

<b>Chapter 16</b>	<b>An OOP Primer</b>	519
	Fundamentals and Syntax . . . . .	520
	Working with MySQL . . . . .	523
	The DateTime Class . . . . .	538
	Review and Pursue . . . . .	546
<b>Chapter 17</b>	<b>Example—Message Board</b>	547
	Making the Database . . . . .	548
	Writing the Templates . . . . .	556
	Creating the Index Page . . . . .	565
	Creating the Forum Page . . . . .	566
	Creating the Thread Page . . . . .	571
	Posting Messages . . . . .	576
	Review and Pursue . . . . .	586
<b>Chapter 18</b>	<b>Example—User Registration</b>	587
	Creating the Templates . . . . .	588
	Writing the Configuration Scripts . . . . .	594
	Creating the Home Page . . . . .	602
	Registration . . . . .	604
	Activating an Account . . . . .	614
	Logging In and Logging Out . . . . .	617
	Password Management . . . . .	624
	Review and Pursue . . . . .	634
<b>Appendix A</b>	<b>Installation</b>	635
	Installation on Windows . . . . .	636
	Installation on macOS . . . . .	639
	Managing MySQL Users . . . . .	641
	Testing Your Installation . . . . .	646
	Configuring PHP . . . . .	649
	Configuring Apache . . . . .	652
	<b>Index</b> . . . . .	662
