

TABLE OF CONTENTS

INTRODUCTION..... 7

CHAPTER I. METHODOLOGICAL ASPECTS OF THE WORK..... 9

I.1 Subject of research 9

I.1.1 Research problems and hypotheses 10

I.1.2 Research methods, techniques and tools 11

I.1.2.1 Questionnaire technique 12

I.1.2.2 Interview technique 13

I.3 Document analysis technique 14

I.4 Selection of student study group 15

**CHAPTER II. EDUCATIONAL VALUES OF TOURISM FROM THE
VIEWPOINT OF VARIOUS AUTHORS..... 17**

**CHAPTER III. OWN RESEARCH ON TOURISM AS A SOURCE
OF EDUCATIONAL VALUES..... 35**

III.1 Social and demographic characteristics of the subjects 35

III.2 Most frequent forms of tourism undertaken in the families
of the studied students 38

III.3 Most frequent forms of tourism undertaken by students during
school education 42

III.4 After-school tourist activity of the studied students..... 47

III.5 Tourism qualifications of the studied students..... 51

III.6 Sources of arousing tourist interests in the studied students..... 55

III.7 Students’ participation in domestic and foreign tourism
as well as the influence of cultural elements..... 60

III.8 Tourism as a personality-shaping factor 65

III.9 Motives inspiring students to undertake studies in the field
of Tourism and Recreation 71

III.10 Fulfilling the needs and expectations of students studying
in the field of Tourism and Recreation - students’ opinions 73

III.11 Utilizing students’ tourist experience in future professional work 76

III.12	Analysis of study plans and curricula in the field of Tourism and Recreation	78
III.13	Adventure tourism in the products of students.....	84

CHAPTER IV. GENERAL CHARACTERISTICS OF THE RESEACH	
RESULTS	97
CONCLUSIONS	104
