1967

The year was 1967. It's Packers vs. Chiefs in the first Super Bowl. Twiggy is a supermodel sensation. America's 100,000,000th telephone is installed. And Elvis dives for dollars in *Easy Come, Easy Go*. On his last day in the Navy, frogman Elvis discovers a sunken treasure ship. On his first day as a civilian, Elvis starts his new job—self-employed treasure hunter! Fans will dig these treasures, too: rockin' tunes, romance with a go-go dancer, underwater action, and The King twisted like a human pretzel at a groovy '60s yogafest! Costarring Elsa Lanchester (*Bride of Frankenstein*).
