

OBSAH

Silence in soul.....	41
At birth.....	42
In infinity.....	43
I came.....	44
No matter how.....	45
Beyond the horizon.....	46
A place with special power.....	47
In space.....	48
Void with no end.....	49
Each with his own fear.....	50
At that moment.....	51
Constricted.....	52
...By the burden of the moment.....	53
With fear.....	54
I sense.....	55
Voice.....	56
Tempted.....	57
Brief survey.....	58
I understood.....	59

With tears.....	60
I cannot.....	61
Blessed.....	62
With no connection.....	63
Determined.....	64
I sail.....	65
I am.....	66
