Preface	x
Acknowledgements	xiii
Chapter 1	1
<i>Framing women — anatomy as destiny</i>	1
<i>Nineteenth-century madness</i>	3
<i>Twentieth-century madness</i>	9
<i>Reproduction: exaggerated or ignored</i>	11
<i>Cultural connections</i>	12
<i>Women split: good/bad, madonna/whore</i>	13
<i>Finally: removing the frame</i>	17
Chapter 2	18
<i>The invisible woman</i>	18
<i>Sexuality concealed</i>	19
<i>Focusing on the breasts</i>	22
<i>Menarche: the arrival of Eve's curse or a celebration of womanhood?</i>	24
<i>Attitudes: reflecting ideology</i>	30
<i>Menstrual ceremonies: celebration or denigration?</i>	31
<i>Silence and secrecy</i>	31
<i>Mothers and daughters</i>	33
<i>Education devoid of reality</i>	35
<i>The perfect body: achieving the impossible</i>	38

Chapter 3	41
<i>Menstruation: curse or confirmation of womanhood?</i>	41
<i>Mad or bad? The curse of menstruation</i>	41
<i>Taboo and silence</i>	43
<i>The premenstrual syndrome: an insidious influence in all women's lives</i>	45
<i>A woman's prerogative</i>	51
<i>Arousal and activation: possible explanation for feelings?</i>	53
<i>Stress: increasing vulnerability?</i>	55
<i>Women's performance: fluctuating wildly, or constant and reliable?</i>	57
<i>Performance in the workplace</i>	58
<i>Athletic performance</i>	59
<i>Experimental performance testing</i>	59
<i>Academic performance</i>	60
<i>Accidents</i>	62
<i>Menstrual madness: psychiatric hospital admissions</i>	64
<i>Motherhood in question</i>	65
<i>Jekyll and Hyde: criminal behaviour and violence</i>	66
<i>The premenstrual syndrome: a mythical construct disguising oppression</i>	69
<i>Premenstrual changes as a 'syndrome': a misnomer with dangerous influence</i>	71
<i>Femininity as pathology</i>	73
 Chapter 4	 76
<i>Pregnancy and motherhood: malady or mourning?</i>	76
<i>Mothers confined: oppression through the ages</i>	77
<i>Pregnancy: a time of change</i>	80
<i>Postnatal depression: pathologizing distress after childbirth</i>	85
<i>Grieving the loss of self</i>	88
<i>Sexuality and motherhood: the last taboo</i>	92
<i>Body image: changing size, changing self</i>	97
<i>Childlessness: the curse of the barren womb</i>	99
<i>Women in a paradox</i>	101

Chapter 5	104
<i>Menopause: a time of change</i>	104
<i>Menopause, climacteric, the change: a matter of semantics?</i>	106
<i>Menopause or mid-life crisis: lifting the menstrual curse</i>	109
<i>The return of the raging hormones: medicalization missing the boat again</i>	109
<i>Limited roles: limited lives?</i>	115
<i>Life events</i>	120
<i>The power of attitudes</i>	122
<i>Mourning the empty nest: fact or fiction?</i>	125
<i>The best years of our lives?</i>	128
Conclusion	133
<i>Witches, wicked women, or patients: women confined</i>	133
<i>Symptoms and splitting</i>	139
<i>Social constructionism: denying the existence of despair?</i>	140
