<b>ANALYTICAL MECHANICS IN OBJECTIVES OF CAM MECHANISMS .....</b>	<b>3</b>
1. Analytical mechanics of cam mechanisms .....	5
2. Analytical mechanics of cam mechanisms – motion equations.....	13
<b>DYNAMIC SOLUTIONS OF CAM MECHANISMS.....</b>	<b>19</b>
1. Cam mechanisms with stiff links.....	21
2. Models of cam mechanisms with flexible links, model of cam mechanism 1-Π-1.	29
3. Models of cam mechanisms with flexible links 0-Π-1 and 1-Π-0.....	37
4. Discretization of mechanisms with flexible links.....	43
5. FEM in dynamics of mechanisms with flexible links.....	49
6. Motion equations in dynamics of mechanisms with flexible links.....	55
7. Contact mechanics in dynamics of mechanisms with flexible links.....	63
<b>SW TOOLS FOR SOLUTION OF CONVENTIONAL MECHANISMS.....</b>	<b>71</b>
1. Solution of displacements .....	73
2. Kinematical analysis and synthesis of cam mechanisms .....	79
3. Approximation of displacements .....	85
4. Kinematical synthesis of basic cam mechanisms .....	91
5. Robust tools of computer technique .....	101
