

Table of Contents

To the Student v

Part I. The Contemporary World 1

- Map 1 Current World Political Boundaries 2
- Map 2 Climates of the World 4
- Map 3 World Topography 6
- Map 4 Land Use Patterns of the World 8
- Map 5 World Population Density 10
- Table A. World Countries: Area, Population, and Population Density, 1992 12

Part II. Historical Developments in the Modern Era 15

- Map 6 National Dates of Independence 16
- Map 7 Post-World War II Europe 18
- Map 8 Post-Cold War Europe 19
- Map 9 The Breakup of the Soviet Union 20
- Map 10 The Middle East: Territorial Changes, 1918-Present 21
- Map 11 Africa: Colonialism to Independence, 1910-1993 22
- Map 12 Asia: Colonialism to Independence, 1930-1993 23
- Table B. World Countries: Form of Government, Capital City, and Major Languages 24

Part III. The Global Economy 27

- Map 13 Total GNP and GNP Per Capita 28
- Map 14 Economic Output Per Sector 29
- Map 15 Employment by Sector 30
- Map 16 Per Capita Income 31
- Map 17 Central Government Expenditures Per Capita 32
- Map 18 International Trade Base 34
- Map 19 Dependence on Trade 36
- Table C. World Countries: Basic Economic Indicators 38

Part IV. Population and Human Development 41

- Map 20 Population Size and Growth Rate 42
- Map 21 Infant Mortality 43

Map 22 Average Life Expectancy at Birth	44
Map 23 Population by Age Group	45
Map 24 Total Labor Force	46
Map 25 Urban Population as Percentage of Total	47
Table D. World Countries: Average Annual Population Growth (%), 1980-2000	48
Table E. World Countries: Total Fertility Rates, 1975-1995	50
Table F. World Countries: Literacy Rates, 1970-1990	52

Part V. Food and Agriculture 55

Map 26 Production of Staple Food Crops	56
Map 27 Agricultural Production Per Capita	58
Map 28 Global Nutrition	59
Table G. World Countries: Agricultural Operations, 1989	60

Part VI. Energy and Materials 63

Map 29 World Energy Resources	64
Map 30 Energy Production Per Capita	66
Map 31 Energy Requirements Per Capita	68
Map 32 Production and Consumption of Selected Metals	70
Table H. World Countries: Energy Production, Consumption, and Requirements, 1990	72

Part VII. Military 75

Map 33 Nations With Nuclear Weapons	76
Map 34 Military Expenditures as Percent of Total Central Government Expenditures	77
Map 35 Size of Armed Forces	78
Map 36 Alliance and Conflict in the Post-World War II World	80
