

Foreword

Help your class discover their inner compass as you guide them through the wonderful world of maps!

Using Maps is a three-book series to teach primary school pupils how to use maps and to develop a range of mapping skills.

TITLES IN THIS SERIES ARE:

- **Using Maps** Book 1 (Years 1/2 and 1st/2nd Classes)
- **Using Maps** Book 2 (Years 3/4 and 3rd/4th Classes)
- **Using Maps** Book 3 (Years 5/6 and 5th/6th Classes)

Contents

Teachers Notes.....	iv–vi
Development Activities Section 1.....	vii–ix
Development Activities Section 2.....	ix–xi
Resources.....	xii–xxi
Glossary.....	xxii–xxiii
Scope and Sequence Charts (England).....	xxiv–xxv
Scope and Sequence Charts (Republic of Ireland).....	xxvi–xxvii
Pupil Checklist Section 1.....	xxviii
Pupil Checklist Section 2.....	xxix
Links to Other Curriculum Areas.....	xxx
