

## Foreword

Help your class discover their inner compass as you guide them through the wonderful world of maps!

**Using Maps** is a three-book series to teach primary school pupils how to use maps and to develop a range of mapping skills.

### TITLES IN THIS SERIES ARE:

- **Using Maps** Book 1 (Years 1/2 and 1st/2nd Classes)
- **Using Maps** Book 2 (Years 3/4 and 3rd/4th Classes)
- **Using Maps** Book 3 (Years 5/6 and 5th/6th Classes)

## Contents

|                                                      |            |
|------------------------------------------------------|------------|
| Teachers Notes.....                                  | iv-vi      |
| Development Activities Section 1.....                | vii-viii   |
| Development Activities Section 2.....                | viii-ix    |
| Resources.....                                       | x-xvii     |
| Glossary.....                                        | xviii-xix  |
| Scope and Sequence Charts (England).....             | xx-xxi     |
| Scope and Sequence Charts (Republic of Ireland)..... | xxii-xxiii |
