Part I

Foundational Topics in Adapted Physical Education and Sport

1 Introduction to Adapted Physical Education and Sport

Joseph P. Winnick

Meaning of Adapted Physical Education 4 • Adapted Sport 6 •
Planning: Purposes, Aims, Goals, and Objectives 7 • Service Providers 8 •
Brief History of Adapted Physical Education 9 • Inclusion Movement 11 •
Litigation 11 • Laws Important to Adapted Physical Education and Sport 12 •
History of Adapted Sport 16 • Periodicals 18 • Organizations 18 •
Summary 19 • References 19 • Written Resources 20 • Online Resources 21

2 Program Organization and Management

Joseph P. Winnick

Program and Curriculum Planning 24 • Administrative Areas Related to Program Organization and Management 24 • Human Resources 35 • General Program Evaluation 39 • Summary 40 • References 40 • Written Resources 40

3 Adapted Sport

Ronald W. Davis

Legislative Background 42 • Sport Framework for Individuals With Disabilities 43 • Working Through Special Education and General Physical Education Services to Address Sport 47 • Organizational Structure of Adapted Sport: National and International 49 • Competition: Paralympic Games, Warrior Games, and Sports Classification 53 • Summary 55 • References 55 • Written Resources 56 • Online Resources 57

4 Measurement, Assessment, and Program Evaluation

Manny Felix and Garth Tymeson

Terminology 60 • Standards for Assessment 60 • Testing and Assessment in Adapted Physical Education 66 • Test Instruments Used in Adapted Physical Education 70 • Program Evaluation 75 • Summary 76 •
References 77 • Written Resources 77 • Online Resources 78

5	Individualized Education Programs	79
	Manny Felix and Garth Tymeson	
	Overview of Individualized Programs 80 • Students With Disabilities: The IEP Document 80 • Components of the IEP 82 • Development of the IEP 92 • Section 504 and the Accommodation Plan 95 • Students Without Disabilities Who Have Unique Needs 96 • Summary 98 • References 98 • Written Resources 99 • Online Resources 99	
6	Behavior Management	101
	E. Michael Loovis	
	Applied Behavior Analysis 102 • Types of Reinforcers 104 • Schedules of Reinforcement 105 • Procedures for Increasing Behavior 106 • Procedures for Decreasing Behavior 108 • Uses of Applied Behavior Analysis in Physical Education and Sport 109 • Positive Behavioral Interventions and Supports 110 • Other Approaches 112 • Summary 117 • References 118 • Written Resources 119 • Video Resources 119 • Online Resources 119	
7	Instructional Strategies for Adapted Physical Education	121
	Douglas H. Collier	
	Philosophical Approaches to Adapted Physical Education and Sport 122 • Systematic Teaching: How to Facilitate Motor Learning 125 • Meeting Individual Differences 126 • Assistive Technology 129 • Curricular Options: What to Teach? 130 • Activity Modifications 131 • Teaching Style 132 • Class Format 134 • Discrete Trial Teaching 135 • Task Analysis 139 • Using Support Services 145 • Summary 146 • References 147 • Written Resources 148 • Online Resources 148	
Part II	Individuals With Unique Needs	151
8	Intellectual Disabilities	153
	Lauren K. Cavanaugh	
	Definition, Classification, and Incidence 154 • Causes of Intellectual Disabilities 156 • Cognitive Development 157 • Characteristics of Individuals With Intellectual Disabilities 160 • Down Syndrome 161 • Assessment 163 • Organizational Methods 164 • Instructional Methods 165 • Activities 167 • Strategies for Inclusion 169 • Special Olympics 169 • Paralympic Games for Individuals With Intellectual Disabilities 171 • Safe Participation 172 • Summary 172 • References 172 • Written Resources 174 • Video Resources 174 • Online Resources 174	

9	Behavioral Disabilities E. Michael Loovis Nature of Emotional and Behavioral Disorders 177 • Causes of Behavioral Disorders 178 • General Implications for Physical Education and Sport 180 • Specific Approaches for Physical Education and Sport 185 • PBIS: Secondary and Tertiary Interventions and Supports 188 • Inclusion 192 • Summary 192 • References 194 • Written Resources 195 • Video Resources 195 • Online Resources 196	175
10	Autism Spectrum and Social Communication Disorders Cathy Houston-Wilson History of Autism Spectrum Disorder 198 • Autism 198 • Etiology 201 • Incidence 202 • Physical and Motor Characteristics 202 • General Educational Approaches 202 • Implications for Physical Education 206 • Managing Behavior 210 • Inclusion 212 • Summary 212 • References 212 • Written Resources 213 • Video Resources 213 • Online Resources 214	197
11	Specific Learning Disabilities Barry W. Lavay What Is a Specific Learning Disability? 216 • Behaviors Present Unique Challenges 221 • General Educational Approaches 221 • Recommendations for Teaching Physical Education and Sport 224 • Summary 231 • References 231 • Written Resources 233 • Online Resources 233	215
12	Visual Impairments Lauren J. Lieberman Definition of Visual Impairment 236 • Causes of Vision Loss 236 • Characteristics of People With Visual Impairments 237 • Teaching Students With Visual Impairments in Inclusive Physical Education 240 • Sports for Athletes With Visual Impairments 248 • Summary 251 • References 251 • Written Resources 252 • Video Resources 252 • Online Resources 252	235
13	Hard of Hearing, Deaf, or Deafblind Lauren J. Lieberman Definitions of Hearing Loss 254 • Types and Causes of Hearing Loss 255 • Characteristics of Students With Hearing Loss 255 • General Considerations for Teaching Physical Education to Students With Hearing Loss 257 • Teaching Considerations for Students With Cochlear Implants 257 • Inclusion Strategies for Teaching Students With Hearing Loss 261 • Deafblindness 264 • Sport Opportunities 267 • Summary 268 • References 268 • Written Resources 269 • Online Resources 269	253

14	Cerebral Palsy, Traumatic Brain Injury, and Stroke	271
	David L. Porretta	
	Cerebral Palsy 272 • Traumatic Brain Injury 276 • Stroke 278 • Program Implications 280 • Inclusion 287 • Adapted Sport 288 • Summary 289 • References 289 • Written Resources 290 • Video Resources 290 • Online Resources 290	
15	Amputations, Dwarfism, and Les Autres	291
	David L. Porretta	
	Amputations 292 • Dwarfism 294 • Les Autres 295 • Program Implications 302 • Inclusion 307 • Adapted Sport 308 • Summary 309 • References 309 • Written Resources 310 • Video Resources 310 • Online Resources 310	
16	Spinal Cord Disabilities	311
	Luke E. Kelly	
	Classifications 312 • Spinal Cord Injuries 312 • Spinal Column Deviations 323 • Orthotic Devices 331 • Implications for Physical Education 333 • Inclusion 335 • Adapted Sport Activities 336 • Summary 337 • References 337 • Written Resources 338 • Video Resources 339 • Online Resources 339	
17	Other Health Impairment Conditions	341
	Francis M. Kozub	
	Diabetes Mellitus 342 • Seizure Disorders 344 • Asthma 346 • Cancer 347 • Cardiovascular Disorders 348 • Anemia 348 • AIDS and HIV 349 • Tourette Syndrome 350 • Inclusion 350 • Summary 351 • References 351 • Written Resources 352 • Video Resources 353 • Online Resources 353	
18	Students With Other Special Conditions: Injuries, Longer-Term Disabilities, and Obesity	355
	Christine B. Stopka	
	Activity Injuries and Rehabilitative Exercises 356 • Suggested Adapted Physical Activities for Longer-Term Disorders 361 • Obesity 365 • Summary 370 • References 370 • Written Resources 371 • Online Resources 371	
Part III	Developmental Considerations	373
19	Motor Development	375
	John C. Ozmun and David L. Gallahue	
	Motor Development Defined 376 • Categories of Movement 376 • Motor Development as a Dynamic System 377 • Phases of Motor Development 379 • Summary 388 • References 389 • Written Resources 389 • Online Resources 390	

20 Perceptual–Motor Development 391

Barry W. Lavay

Overview of the Perceptual–Motor Process 392 • Sensory Systems 397 •
 Summary 404 • References 404 • Written Resources 405 • Video
 Resources 405 • Online Resources 405

21 Infants and Toddlers 407

Cathy Houston-Wilson

Legislation and Implications for Intervention Services 408 • Teachers of Early
 Childhood Adapted Physical Education 409 • Assessment 409 • Goals,
 Objectives, and Activities of Motor Programs for Infants and Toddlers 412 •
 Goals, Objectives, and Activities of Motor Programs for Infants and Toddlers With
 Unique Needs 415 • Developmentally Appropriate Interactions With Infants and
 Toddlers 417 • Interacting With Families 418 • Summary 419 •
 References 419 • Written Resources 420 • Video Resources 420 • Online
 Resources 420

22 Early Childhood Adapted Physical Education 421

Lauriece L. Zittel and So-Yeun Kim

Identifying Young Children With Developmental Delays 422 • Assessment
 of Performance 422 • Early Childhood Program Standards and Learning
 Objectives 425 • Planning for Instruction 429 • Developmentally Appropriate
 Teaching Approaches 430 • Activities 433 • Summary 433 •
 References 434 • Written Resources 435 • Online Resources 436

**Part IV Activities for Individuals
With Unique Needs****23 Health-Related Physical Fitness and Physical Activity 439**

Francis X. Short

Types of Physical Activity, Health, and Fitness 441 • Physical Fitness and
 Health 441 • Physical Activity and Health-Related Physical Fitness 442 •
 Physical Activity and Health 449 • Summary 452 • References 453 • Written
 Resources 453 • Online Resources 454

24 Rhythmic Movement and Dance 455

Boni B. Boswell

Teaching Dance: What Is It? 456 • Teaching Dance: What Is It Not? 456 •
 Selection of Age-Appropriate Content 456 • Rhythmic Movements 457 •
 Creative Educational Dance 460 • Structured Dance 468 • Dance and
 Rhythm for Students With Autism 471 • Inclusion 472 • Summary 473 •
 References 473 • Online Resources 474

25	Aquatics	477
	Pamela Arnhold and Monica Lepore	
	Benefits of Adapted Aquatics 478 • General Teaching Suggestions 478 • Aquatic Assessment 479 • Adapting Swimming Skills 480 • Orientation to Water 483 • Facility and Equipment Considerations 484 • Meeting Participants' Unique Needs 487 • Swimming as a Competitive Sport 488 • Other Aquatic Activities 490 • Inclusion in Aquatic Activities 494 • Summary 496 • References 496 • Written Resources 497 • Video Resources 497 • Online Resources 497 • Other Resources 497	
26	Team Sports	499
	David L. Porretta	
	Getting Involved 500 • Basketball 500 • Floor Hockey 502 • American Football 505 • Soccer 506 • Softball 510 • Volleyball 514 • Goalball 516 • Quad Rugby 518 • Inclusion 520 • Summary 521 • References 521 • Written Resources 522 • Video Resources 522 • Online Resources 522	
27	Individual, Dual, and Adventure Sports and Activities	523
	E. Michael Loovis	
	Tennis 524 • Table Tennis 525 • Badminton 527 • Angling 529 • Archery 529 • Bowling 531 • Boccia 532 • Fencing 533 • Horseback Riding 534 • Gymnastics 537 • Wrestling and Judo 538 • Golf 539 • Powerlifting 540 • Cycling 541 • Track and Field 542 • Adventure Activities 545 • Inclusion 547 • Summary 547 • References 547 • Written Resources 548 • Video Resources 548 • Online Resources 549	
28	Winter Sport Activities	551
	Luke E. Kelly	
	Value of Winter Sport 552 • Alpine Skiing 552 • Snowboarding 555 • Cross-Country Skiing 556 • Competitive Skiing for People With Disabilities 557 • Ice-Skating 558 • Sledding and Tobogganing 560 • Snowshoeing 560 • Hockey 560 • Curling 561 • Inclusion 562 • Summary 562 • References 562 • Written Resources 563 • Video Resources 563 • Online Resources 563	
29	Enhancing Wheelchair Sport Performance	565
	Victoria L. Goosey-Tolfrey and Barry S. Mason	
	Athlete and Wheelchair: A Systems Approach 566 • Combining the Athlete and the Wheelchair 575 • Future Directions 581 • Summary 582 • References 582 • Written Resources 583 • Video Resources 583 • Online Resources 584	
Appendix A	Definitions Associated With the Individuals with Disabilities Education Act (IDEA)	585
Appendix B	Adapted Physical Education and Sport Contact Information	587
Appendix C	Brockport Physical Fitness Test	593
Appendix D	Rating Scale for Adapted Physical Education	597
