Introduction	xv
What is a <i>Green Career</i> and Where are the <i>Green Jobs</i>?	1

Part I: Green Career Profiles

Engineering Group	11
Chemical Engineers, including Green Chemical Engineers	11
Civil Engineering Technicians	17
Civil Engineers, including Green Building, Irrigation/Reservoir and Waste Management Engineers	20
Conservation, Biological and Agricultural Engineers	25
Electrical Engineering Technicians, including Photovoltaic, Wind and Biomass Energy Technicians	26
Electrical Engineers, including Recycling, Solar/Photovoltaic, Wind and Biomass Engineers	27
Environmental Engineering and Pollution Control Technicians	28
Environmental Engineering Professors.	29
Environmental Engineers, including Ecological and Air Quality Engineers.	32
Mechanical Engineers, including Green Mechanical Engineers	36
Environmental Health and Safety Group	39
Environmental Health and Safety Engineers.	39
Environmental Health and Safety Technicians	40
Hazardous Materials (HazMat) and Asbestos Abatement Workers	41
Industrial Hygienists and Environmental Health and Safety Analysts/Managers	45
Government Regulations and Planning Group	55
Construction and Building Inspectors, including Green Building Inspectors	55

Environmental and Regulatory Compliance Inspectors and Specialists	60
Urban and Regional Planners, including City/County, Environmental/Land Use and Transportation Planners	64
Urban and Regional Planning Aides, Assistants and Technicians	68
Green Building and Landscaping Group	71
Architects, including Green and Natural Building Architects	71
Green Building/Construction Trades Workers and Supervisors	75
Landscape Architects, including Habitat Restoration Specialists	84
Landscaping and Groundskeeping Workers (Eco-friendly)	91
Green Business and Enterprising Group	93
Accountants, including Environmental Accountants	93
Financial Analysts, including Sustainability and Sustainable Investment Analysts	95
Green Entrepreneurs and Consultants	97
Marketing Managers, including Environmental Marketing Specialists	130
Refuse and Recyclable Material Collectors, including Recycling Technicians	133
Sales Representatives, including Renewable Energy and Natural/Organic Products Sales Reps	135
Sustainability Coordinators and Officers	143
Travel Guides, including Ecotourism Guides and Operators	157
Green Education, Communication and Law Group	167
Customer Service Representatives, including Energy Efficiency Specialists	167
Health Educators, including Environmental Health Educators	168
Health Specialties Instructors, including Environmental Health Education Instructors	173
Lawyers, including Environmental and Regulatory Attorneys	174
Public Relations Specialists, including Environmental/Sustainability Specialists	178
Reporters and Correspondents, including Green Journalists	182

Natural and Land Resource Management Group	187
Fish and Game Wardens, including Wildlife Officers.	187
Park Naturalists, including Park Rangers and Interpreters	191
Range Managers, including Natural Resource Managers	198
Natural Sciences Group	201
Atmospheric and Space Scientists, including Air Analysts, Environmental Meteorologists and Climatologists.	202
Biochemists and Biophysicists, including Toxicologists and Ecotoxicologists	208
Biological Technicians, including Environmental and Wildlife Technicians	212
Chemical Technicians, including Environmental and Green Chemical Technicians	213
Chemists, including Environmental and Green Chemists and Forensic Toxicologists.	215
Earth Sciences Professors, Postsecondary	219
Environmental Science Technicians, including Lab Techs and Air Pollution Auditors.	225
Environmental Scientists, including Environmental Researchers, Analysts and Investigators	226
Epidemiologists, including Environmental Epidemiologists	230
Forest and Conservation Technicians, including Soil Conservation and Biomass Technicians	231
Forest and Conservation Workers, including Conservation and Reforestation Aides/Workers.	232
Foresters, including Environmental Protection Foresters and Forest Pathologists.	233
Geoscientists, including Environmental Geologists, Hydrogeologists and Marine Geologists	237
Hydrologists, including Environmental Hydrologists and Water Resources Managers	241
Microbiologists, including Environmental and Public Health Microbiologists.	242
Physicists, including Health and Atmospheric Physicists	243
Soil and Plant Scientists, including Agronomists	246

Soil and Water Conservationists, including Ecologists and Erosion Specialists	248
Tree Trimmers and Pruners, including Arborists	252
Water Treatment Plant Operators	256
Zoologists and Wildlife Biologists, including Marine Biologists	260
Physical Geography Group	263
Geographers, including Physical and Geographic Information Systems (GIS) Geographers	263
Physical Geography Professors, including Geographic Information Systems (GIS) Instructors	264
Sustainable Agriculture Group	271
Agricultural Science Professors, including Organic and Sustainable Agriculture Specialists	271
Agricultural Technicians, including Organic and Sustainable Ag Technicians	275
Aquacultural Managers, including Sustainable Aquaculture Farm and Fish Hatchery Managers	276
Farmers and Ranchers, including Organic and Sustainable Farmers and Ranchers	279
Farm Workers, including Organic and Sustainable Farm and Ranch Workers	289
Nursery and Greenhouse Managers, including Organic and Native Plant Specialists	291
Green Jobs with Electric Utility Companies	293

Part II: Additional Information and Resources

Career Planning	303
Online Occupational Information Resources	309
Hidden Job Market	339
Glossary of Green Terminology	341
Alphabetical Listing of Real People Q&A	343
Alphabetical Listing of Career Profiles (Occupations)	347
About the Authors	351
