1. Introduction **1**

Purpose and Rationale for the Book 2

What Is New in This Edition 2

Positioning Ourselves 5

Definition of Qualitative Research 7

Selection of the Five Approaches 8

Key Book Readings 11

Narrative Research 11

Phenomenology 11

Grounded Theory 12

Ethnography 12

Case Study 12

Audience 13

Organization 13

2. Philosophical Assumptions and Interpretive Frameworks **15**

Questions for Discussion 16

Situating Philosophy and Interpretive Frameworks Within the Research Process 16

Philosophical Assumptions 18

Why Philosophy Is Important 18

Four Philosophical Assumptions 19

Writing Philosophical Assumptions Into Qualitative Studies 21

Interpretive Frameworks 22

Postpositivism 23

Social Constructivism 24

Transformative Frameworks 25

Postmodern Perspectives 26

Pragmatism 26

Feminist Theories 27
Critical Theory and Critical Race Theory 29
Queer Theory 30
Disability Theories 31
The Practice of Using Interpretive Frameworks in Qualitative Research 32
Linking Philosophy and Interpretive Frameworks in Qualitative Research 36
Chapter Check-In 36
Summary 38
Further Readings 38

3. Designing a Qualitative Study **41**

Questions for Discussion 42
The Characteristics of Qualitative Research 42
When to Use Qualitative Research 45
What a Qualitative Study Requires From Us 47
The Features of a "Good" Qualitative Study 47
The Process of Designing a Qualitative Study 49
Preliminary Considerations 50
Phases in the Research Process 51
Elements in All Phases of the Research 53
Ethics in Qualitative Research 53
The Design Structures of a Plan or Proposal 58
Design Considerations Useful for Engaging Readers 58
General Writing Structures 59
Chapter Check-In 60
Summary 61
Further Readings 62

4. Five Qualitative Approaches to Inquiry **65**

Questions for Discussion 66
Deciding Among the Five Approaches 66
Narrative Research 67
Definition of Narrative Research 67
Origin of Narrative Research 68
Defining Features of Narrative Studies 68
Types of Narratives 69
Procedures for Conducting Narrative Research 71
Challenges in Narrative Research 73
Phenomenological Research 75
Definition of Phenomenological Research 75

Origins of Phenomenological Research 75
Defining Features of Phenomenology 76
Types of Phenomenology 77
Procedures for Conducting Phenomenological Research 78
Challenges in Phenomenology 80

Grounded Theory Research 82
Definition of Grounded Theory Research 82
Origins of Grounded Theory Research 82
Defining Features of Grounded Theory 83
Types of Grounded Theory Studies 84
Procedures for Conducting Grounded Theory Research 86
Challenges in Grounded Theory Research 88

Ethnographic Research 90
Definition of Ethnographic Research 90
Origins of Ethnographic Research 90
Defining Features of Ethnographies 91
Types of Ethnographies 92
Procedures for Conducting an Ethnography 93
Challenges in Ethnographic Research 95

Case Study Research 96
Definition of Case Study Research 96
Origins of Case Study Research 97
Defining Features of Case Studies 97
Types of Case Studies 98
Procedures for Conducting a Case Study 99
Challenges in Case Study Research 102

Comparing the Five Approaches 103

Chapter Check-In 107

Summary 108

Further Readings 108

5. Five Different Qualitative Studies **111**

Questions for Discussion 112

A Narrative Study (Chan, 2010; see Appendix B) 113

A Phenomenological Study (Anderson & Spencer, 2002; see Appendix C) 114

A Grounded Theory Study (Harley et al., 2009; see Appendix D) 116

An Ethnographic Study (Mac an Ghaill & Haywood, 2015; see Appendix E) 118

A Case Study (Frelin, 2015; see Appendix F) 119

Differences Among the Approaches 121
Central Features of Each Approach 122
Selecting Your Approach 123

Chapter Check-In 124
Summary 125
Further Readings 125

6. Introducing and Focusing the Study **127**

Questions for Discussion 128
Interrelating the Study Problem, Purpose, and Questions Within Research 128
The Research Problem Statement 129
The Purpose Statement 132
The Research Questions 137
The Central Question 137
Subquestions 140
Chapter Check-In 143
Summary 145
Further Readings 146

7. Data Collection **147**

Questions for Discussion 148
The Data Collection Circle 148
Ethical Considerations for Data Collection 149
Institutional Review Boards 151
The Site or Individual 152
Access and Rapport 154
Purposeful Sampling Strategy 156
Participants in the Sample 157
Types of Sampling Strategies 158
Sample Size 158
Forms of Data 160
Interviewing 163
Observing 166
Recording Procedures 169
Field Issues 172
Entry and Organizational Access 172
Procedures for Observations 172
Dynamics Between Interviewer and Interviewee 173
Availability of Documents and Audiovisual Materials 174
Data Storage and Security 174
Five Approaches Compared 175
Chapter Check-In 176
Summary 178
Further Readings 178

8. Data Analysis and Representation 181

Questions for Discussion 182

Ethical Considerations for Data Analysis 182

Three Analysis Strategies 183

The Data Analysis Spiral 185

Managing and Organizing the Data 185

Reading and Memoing Emergent Ideas 187

Describing and Classifying Codes Into Themes 189

Developing and Assessing Interpretations 195

Representing and Visualizing the Data 196

Analysis Within Approaches to Inquiry 198

Narrative Research Analysis and Representation 198

Phenomenological Analysis and Representation 201

Grounded Theory Analysis and Representation 203

Ethnographic Analysis and Representation 204

Case Study Analysis and Representation 206

Comparing the Five Approaches 207

Computer Use in Qualitative Data Analysis 207

Advantages and Disadvantages 208

How to Decide Whether to Use a Computer Program 210

A Sampling of Computer Programs and Features 212

Use of Computer Software Programs With the Five Approaches 214

How to Choose Among the Computer Programs 218

Chapter Check-In 220

Summary 222

Further Readings 222

9. Writing a Qualitative Study 225

Questions for Discussion 226

Ethical Considerations for Writing 226

Several Writing Strategies 227

Reflexivity and Representations in Writing 228

Audience for Our Writings 230

Encoding Our Writings 231

Quotes in Our Writings 232

Overall and Embedded Writing Strategies 233

Narrative Writing Structures 233

Overall Structures 235

Embedded Structures 236

Phenomenological Writing Structures 238

Overall Structures 241
Embedded Structures 242
Ethnographic Writing Structures 243
Overall Structures 243
Embedded Structures 245
Case Study Writing Structures 246
Overall Structures 246
Embedded Structures 248
A Comparison of Writing Structures Across Approaches 248
Chapter Check-In 249
Summary 250
Further Readings 251

10. Standards of Validation and Evaluation 253

Questions for Discussion 254
Validation and Reliability in Qualitative Research 254
Perspectives on Validation 254
Validation Strategies 259
Researcher's Lens 259
Participant's Lens 261
Reader's or Reviewer's Lens 262
Reliability Perspectives and Procedures 264
Evaluation Criteria 266
Qualitative Perspectives 266
Narrative Research 269
Phenomenological Research 271
Grounded Theory Research 273
Ethnographic Research 276
Case Study Research 278
Comparing the Evaluation Standards of the Five Approaches 280
Chapter Check-In 283
Summary 283
Further Readings 284

11. "Turning the Story" and Conclusion 287

Turning the Story 288
A Case Study: "Campus Response to a Student Gunman" 289
Kelly J. Asmussen and John W. Creswell
A Case Study 303
A Narrative Study 304

A Phenomenology 304
A Grounded Theory Study 305
An Ethnography 306
Conclusion 308
Chapter Check-In 310
