PREFACE	ix
---------------	----

PART I. INSECTICIDES AND INSECT GROWTH REGULATORS

1. Ethoprop

F. A. NORRIS, E. G. JORDAN, AND A. GUARDIGLI

I. General	3
II. Analysis.....	7
References	19

2. Fenoxycarb

ROLAND P. HAENNI AND PETER A. MUELLER

I. General	21
II. Analysis.....	23

3. Fenvalerate (Update)

EUPHEMIA PAPADOPOULOU-MOURKIDOU

I. General	31
II. Analysis.....	31
Reference	34

PART II. HERBICIDES

4. Chlorimuron Ethyl

R. A. GUINIVAN, W. M. CHANG, AND J. L. PRINCE

I. General	37
II. Analysis.....	40
Reference	51

5. Chlorsulfuron

R. V. SLATES AND M. W. WATSON

I. General	53
II. Analysis.....	55
References	67

6. Glyphosphate

SAMUEL DUBELMAN

I. General	69
II. Analysis.....	72
References	81

7. Metsulfuron Methyl

L. W. HERSHBERGER AND D. E. BRENNAN

I. General	83
II. Analysis.....	85
References	103

8. Sulfometuron Methyl

E. W. ZAHNOW AND T. J. WAEGHE

I. General	105
II. Analysis.....	108

PART III. CLASS ANALYSIS**9. Determination of Anticoagulant Rodenticides**

K. HUNTER

Chlorophacinone	119
I. General	119
II. Analysis.....	121
Diphacinone	128
I. General	128
II. Analysis.....	130
Brodifacoum.....	134
I. General	135
II. Analysis.....	136
Bromadiolone.....	140

I. General	141
II. Analysis.....	142
Coumatetralyl	148
I. General	148
II. Analysis.....	149
Difenacoum.....	151
I. General	152
II. Analysis.....	153
Warfarin	154
I. General	154
II. Analysis.....	154
Biochemical Techniques.....	174
References	176

10. Recent Advances in Pyrethroid Determination

EUPHEMIA PAPADOPOULOU-MOURKIDOU

I. Introduction	179
II. Analysis of Pyrethroids by Gas-Liquid Chromatography...	182
III. Analysis of Pyrethroids by High-Performance Liquid Chromatography	191
IV. Analysis of Pyrethroid Optical Isomers	196
V. Conclusions.....	202
References	203

11. Fumigant Analysis

K. A. SCUDAMORE

Fumigants: Overview	207
I. General	207
II. Multi-Residue Analysis	208
Carbon Disulfide	219
I. General	219
II. Residue Analysis	220
Carbon Tetrachloride	222
I. General	222
II. Residue Analysis	223
Chloropicrin	224
I. General	224
II. Residue Analysis	225
Ethylene Dibromide.....	226
I. General	226

II. Residue Analysis	227
Ethylene Dichloride	231
I. General	231
II. Residue Analysis	232
Ethylene Oxide	233
I. General	233
II. Residue Analysis	234
Hydrogen Cyanide	239
I. General	239
II. Residue Analysis	240
Methyl Bromide	241
I. General	241
II. Residue Analysis	243
Phosphine	251
I. General	251
II. Residue Analysis	252
III. Determination in Air	257
Other Fumigants	257
I. General	257
II. Residue Analysis	257
References	258
INDEX	263
