A number of other amazing scholars have also offered their feedback and support as I worked on this research project. In this spirit, I'd especially like to thank Jad Melki, Lisa Hajjar, Lisa Parks, Danny Grinberg, Herman Wasserman, Howard Timber, Chris Paterson, Mel Bunce, Soomin Seo, Kenneth Andresen, Colleen Murrell, Saumya Mitra, Kate Wright, Matthew Bowers, Nikki Usher, Bhaskar Sarkar, Michael Carrin, Linda Steiner, and Barbie Zelizer.

The graduate students who took my 2015 research seminar on war and journalism provided valuable insights throughout the class, but most particularly in the weeks when we discussed news fixers and local producers. Through that class, along with other graduate seminars I taught in following years, I was lucky enough to hire some remarkable graduate student researchers: Alicia Wright, Lisa Speckhard, and Shezad Baloch. Thanks to
