RAQUEL ROMBERG

Monty D. BAILEY is an associate professor of history at the University of Ames. His research interests include the history of magic, witchcraft, and superstition in the United States. He has published *Fearful Spirits: Magic, Witchcraft, and Superstition in New England, 1690–1730* (2013), which traces the development of magic in New England.

20 · New Age and Neopagan Magic 635

SABINA MAGLIOCCO

Barbara Pollio, The Renaissance of Magic in the Modern Europe (2013), which traces and analyzes Western thinking about magic.

*Bibliography* 665

*Index* 771

David Soraia is an associate professor of Hebrew Culture and Jewish Philosophy at Tel Aviv University. He has published extensively on ancient and medieval Jewish culture, literature, and myth. Cambridge University Press published his most recent scholarly volume, *Ancient Jewish Magic: A History*, in 2008.

Louise M. Burkhart is a professor in the Department of Anthropology at the State University of New York in Albany. Her research focuses on the religion of Nahua speakers in central Mexico and their appropriation of Christianity, in particular through study of Nahua catechetic and devotional literature written by native authors and European priests. Her most recent scholarly monograph is *Aztec on Stage: Religious Theater in Colonial Mexico* (2011).

David J. Collins, SJ, is an associate professor of History at Georgetown University in Washington, DC. He has published extensively on the cult of the saints, Renaissance humanism, and learned magic. His most recent scholarly monograph is *Reforming Saints* (2011), a study of humanist engagement in the cult of the saints during the Renaissance.

Owen Davies is a professor in the Department of History at the University of Nottingham. His research interests include the Western belief in magic, witchcraft, and ghosts from antiquity to the modern era, as well as the related topics of popular medicine and folklore. His most recent scholarly monograph is *Anglia Bruxella: The Book of Witches after 1600* (2014).

Chris A. Paine is an associate professor in the History of Science and Technology Programmes at the University of King's College in Halifax. He has published extensively on magic, alchemy, and esoterism in Roman Antiquity, including "The Contested
