

Content

Author and his way from SPM to graphene	4
1 Introduction.....	6
2 A brief overview of SPM	7
3 Ambient SFM and water-bridge	9
4 EFM and KPFM	11
5 LAO and Mechanical nanolithography	15
6 A brief overview of graphene.....	20
7 Graphene CVD fabrication on copper foil	24
8 Graphene and gallium	26
9 Great unification – graphene, biosensors, sensors and SPM.....	30
10 Conclusion	31
References.....	33
Abstract	41
Acknowledgment.....	41
