

## Contents

1. Introduction .....	5
2. Scopes and aims of the thesis .....	6
3. Methodology.....	7
3.1 Materials and processing methods .....	7
3.2 Characterization techniques .....	8
4. Main results .....	10
4.1 Description of the raw materials .....	10
4.2 Preparation and characterization of geopolymers.....	12
4.3 Cellulose based geopolymer composites .....	20
4.4 Hydro-pressure sintering.....	21
5. Conclusion .....	24
6. References .....	25
