

david bowie conversation piece

Conversation Piece features 5 CDs (including 12 tracks previously unreleased) and 120 a page hardback book illustrating David's development throughout 1968 and 1969, via his home demos, BBC radio sessions, studio recordings with John 'Hutch' Hutchinson and the experimental music and mime group, Feathers. The collection also celebrates the 50th anniversaries of the 'Space Oddity' single and David's second album, *David Bowie* (aka *Space Oddity*), with original 1969 mixes and brand new 2019 mixes by Tony Visconti.
