PART I. WHY AND HOW TO STUDY LEGAL REGULATION OF ORGANIZED CIVIL SOCIETY COMPARATIVELY

1. The Legal Regulation of Organized Civil Society: A Comparative Study	3
The State and Organized Civil Society: An Increasingly Close but Still Contested Relationship	6
Studying the Legal Regulation of Parties, Interest Groups, and Public Benefit Organizations	16
<i>The Substantive Advantages of an Encompassing Approach to Civil Society Regulation; Why to Focus on the Legal Regulation of Interest Groups, Parties, and Public Benefit Organizations; Analytical Advantages of a Cross-Organizational Perspective on Civil Society Regulation</i>	
Structure of this Study	31
2. Studying Legal Regulation of Organized Civil Society Cross-Nationally: Analytical Tools and Empirical Strategy	33
Comparing Voluntary Organizations' Legal Environments: Basic Concepts	35
<i>Regulatory Constraints and Privileges; Legal Inclusiveness and Legal Complexity</i>	
Mapping Organization-Centred Regulation across Jurisdictions: An Analytical Framework	41
<i>Distinguishing Parties, Interest Groups, and Public Benefit Organizations as the 'Targets' of Legal Regulation; Developmental Stages in an Organization's Life Cycle and How They Are Regulated: Formation, Operation, and Dissolution</i>	
The Empirical Analysis of Organization-Centred Regulation	47
<i>Country Selection; Challenges Resulting from Terminological Discrepancies and Differences in Legal Inclusiveness; Challenges Resulting from Legal Complexity: Assuring Equivalence of the Legal Form(s) Analysed</i>	
Measuring Regulatory Constraints in the Formation, Operation, and Dissolution Stages	53
The Nature of Legal Environments and Implications for Organizational Adaptation and Convergence	59
Conclusion	63

PART II. HOW PARTIES, INTEREST GROUPS, AND PUBLIC BENEFIT ORGANIZATIONS ARE REGULATED

3. The Legal Regulation of Political Parties in Long-Lived Democracies	69
Party Regulation in Comparative Perspective: Why Go beyond Party-Specific Regulation?	70
Strategies for Regulating Political Parties in Nineteen Democracies:	
An Overview	72
The Regulation of Legal Recognition and its Withdrawal	75
Party Regulation in the Operation Stage	79
<i>State Funding for Political Parties: A Trade-off between Privileges and Constraints?; Ensuring Compliance with Party-Finance Regulation; Legal Inclusiveness and Access to Indirect State Funding: The Regulation of Tax Benefits</i>	
The Dissolution Stage: Provisions for Banning Parties	98
Conclusion	102
4. The Regulation of Interest Groups and Public Benefit Organizations in Long-Lived Democracies: Formation and Dissolution	107
Basic Characteristics of NPO and PBO Regulation in Nineteen Democracies: An Overview	108
NPO and PBO Regulation in the Formation and Dissolution Stages	111
<i>Constitutional Rights and Group Ban Regulations; Differences between NPO and PBO Legal Recognition and their Withdrawal</i>	
Conclusion	122
5. The Regulation of Interest Groups and Public Benefit Organizations: The Operation Stage	123
Legal Constraints on Interest Groups' and Public Benefit Organizations' Political and Partisan Activities	124
<i>The Expansion of Lobby Regulation in Long-Lived Democracies; Other Regulatory Constraints on Organizations' Partisan and Political Activities</i>	
The Regulation of NPO and PBO Resource Access	142
<i>The Provision of Direct and Indirect NPO and PBO Tax Benefits; Fundraising Regulation</i>	
Monitoring Structures Implementing NPO and PBO Regulation	158
Conclusion	162

PART III. HOW DEMOCRACIES REGULATE ORGANIZED CIVIL SOCIETY: THE IMPORTANCE OF LEGAL DISPOSITIONS

6. The Diversity of Legal Environments for Organized Civil Society in Long-Lived Democracies: A Theoretical Framework	167
Democracies' Legal Dispositions: Parallels between Party, NPO, and PBO Regulation	168

A Theoretical Framework on the Legal Dispositions of Long-Lived Democracies	175
<i>Legitimizing Conditions: Democratic Discontinuity and Voluntary Sector Incentives towards Government Regulation; Legal Family as Reinforcing Condition; Facilitating Conditions: Decision-Making and Administrative Capacity</i>	
Conclusion: How the Interplay of Systemic Conditions Shapes Legal Environments	189
7. The Legal Environments of Organized Civil Society in Nineteen Democracies: A Cross-National Analysis	192
Qualitative Comparative Analysis	192
<i>Calibration and Measurement of Conditions and Outcome Set; Analysing Necessary and Sufficient Conditions for Constraining and Permissive Legal Environments with fsQCA</i>	
Results	202
<i>Necessary Conditions for Constraining and Permissive Legal Environments; Sufficient Paths towards a Constraining Legal Environment for Organized Civil Society; Sufficient Paths towards a Permissive Legal Environment for Organized Civil Society</i>	
Conclusion: From the Cross-Sectional to the Longitudinal Analysis of Legal Environments for Organized Civil Society	225

PART IV. THE LONG-TERM EVOLUTION OF LEGAL FRAMEWORKS FOR ORGANIZED CIVIL SOCIETY

8. The Voluntarist Path towards a Permissive Legal Environment for Organized Civil Society: Sweden	233
Why Study the Legal Environments of Organized Civil Society Longitudinally	233
The Selection of Permissive and Constraining Legal Environments for In-Depth Study	234
Regulatory Reluctance, Legal Inclusiveness, and Benefit Orientation in Swedish Civil Society Regulation	236
<i>The Limited Regulation of Organizational Formation and Dissolution; Legal Inclusiveness in the Operation Stage: The Increasing Generosity of NPO Tax Benefits; The Benefit Orientation in Direct Group Support; The Evolution of Party-Specific Regulation</i>	
Conclusion	250
9. The Functionalist Path towards a Constraining Legal Environment for Organized Civil Society: The UK	252
The Evolution of PBO Regulation	255
<i>The Expansion of Regulatory Constraints and the Growing Complexity of Charity Law; Monitoring: The Increasing Powers of the Charity Commission; The Evolving Regulation of Groups' Political Activities</i>	

The Evolution of Indirect and Direct PBO Support	265
<i>The Increasing Permissiveness and Complexity of Tax Law; From Grants to Contracts: Increasing Constraints through Performance Contracting</i>	271
The Evolving Regulation of Political Parties	
<i>The Increasing Importance of Party-Specific Regulation since PPERA; Growing Constraints through Monitoring: The Evolution of the Electoral Commission; The Lasting Resistance against State Privileges for Parties</i>	278
Conclusion	
10. The Statist Path towards a Constraining Legal Environment for Organized Civil Society: France	281
The Regulation of Groups: Inclusiveness and Legal Complexity	282
<i>The Increasing Permissiveness of Constraining NPO Regulation; The Constraining Nature of PBO-Specific Regulation</i>	289
The Growing Regulation of Groups Receiving Direct State Support	
The Expansion of Organization-Specific Regulation of Interest Groups and Political Parties	294
<i>The Adoption of Statutory Lobby Regulation; Party-Specific Regulation: Balancing Privileges and Constraints</i>	299
Conclusion	301
11. Conclusion
