

# BRIEF CONTENTS

|                                                                           |            |
|---------------------------------------------------------------------------|------------|
| Preface                                                                   | xiv        |
| Acknowledgments                                                           | xxi        |
| About the Author                                                          | xxiii      |
| <br>                                                                      |            |
| <b>PART I • WHAT IS ACTION RESEARCH?</b>                                  | <b>1</b>   |
| CHAPTER 1 • Introduction to Action Research                               | 2          |
| CHAPTER 2 • Overview of the Action Research Process                       | 33         |
| <br>                                                                      |            |
| <b>PART II • HOW DO I BEGIN MY ACTION RESEARCH STUDY?</b>                 | <b>51</b>  |
| CHAPTER 3 • Planning for Action Research and Reviewing Related Literature | 52         |
| CHAPTER 4 • Developing a Research Plan                                    | 85         |
| <br>                                                                      |            |
| <b>PART III • WHAT DO I DO WITH ALL THESE DATA?</b>                       | <b>125</b> |
| CHAPTER 5 • Collecting Data                                               | 126        |
| CHAPTER 6 • Analyzing Data                                                | 169        |
| <br>                                                                      |            |
| <b>PART IV • I'VE GOT RESULTS! . . . NOW WHAT?</b>                        | <b>213</b> |
| CHAPTER 7 • Next Steps and Future Cycles: Developing an Action Plan       | 214        |
| CHAPTER 8 • Writing an Action Research Report                             | 228        |
| CHAPTER 9 • Sharing and Reflecting                                        | 251        |
