Introduction 12

Sources and Methods 17

1 Foundations of the European unfair competition law – more differences
than expected and admitted23

2 Roots of European harmonization of protection against
unfair competition – way to UCPD34

3 The multitude of purposes of the UCPD – too many birds for just one stone?42

4 The choice of the full harmonization – no more no less pursuant to the UCPD47

5 The target of the UCPD – unfair commercial practices?53

6 The ephemeral protégé of the UCPD – the (un)usual average consumer58

7 Annex I of the UCPD – the Black List with always unfair commercial practices63

8 The European UCPD case law – in the name of integration.....68

9 The Czech (mis)transposition of the UCPD – too early to say73

10 Interaction of the UCPD and CSR – fair competition for sustainability
and vice versa78

11 Interaction of the UCPD and IP – fair competition for ideas, icons,
inventions and innovations?86
