Introduction	1
--------------	---

### PART I: The Theoretical Framework

1. Surprise Attack: A Framework for Discussion	9
a. The concept and the context	9
b. Surprise attacks: success and failure	13
c. Surprise attacks: academic comparative studies	17
d. Pearl Harbor: uniqueness and methodological implications	19
e. Warning failures: the human factor	25
2. Examining the Learning Process	27
a. Psychological factors	29
i. Psychological factors and the learning process	29
ii. Social psychological factors: universal contributions	31
b. Unique psychological issues	41
i. Personality style: openness	42
ii. Narcissism	45
c. Applying the learning process to examine the nature of failure and success	48

### PART II: The Empirical Evidence

3. The First Dyad: Barbarossa and the Battle for Moscow	53
Introduction	53
Case Study I: The Failure	56
a. Hitler's road to war	56
b. The Soviet surprise	61
i. The Soviet intelligence assets	61
ii. The information	67
iii. Intelligence estimate and the decision-making process	74

c. Explaining the lack of preparedness	84
i. State level	84
ii. Decision-making	87
iii. The personal level	87
Case Study II: Success: The Battle for Moscow	97
a. The setting	99
i. The dilemma	99
ii. The information	101
iii. The decision and its impact	105
b. The explanation	110
i. The issue at stake	111
ii. The quality of the intelligence information	111
iii. Decision-making	112
iv. Stalin's learning process	115
4. The Second Dyad: The USA in the Korean War	123
Introduction	123
Case Study I: Failing to Forecast the War	124
a. The road to war	124
b. The American surprise	127
i. The American intelligence assets	127
ii. The information and its estimate	130
c. Explaining the lack of preparedness	135
i. State level	136
ii. Decision-making	141
iii. The personal level	143
d. Summary	143
Case Study II: Failure II: The Chinese Intervention of Fall 1950	143
a. The Chinese road to war	145
b. The American surprise	147
i. The intelligence information and its estimate	147
ii. The decision-making process: Washington, Tokyo, Korea	153
c. Explaining the intelligence failure	159
i. The state level	161
ii. Decision-making	163
iii. The individual level	171

5. The Third Dyad: Intelligence Failure and Success in the War of Yom Kippur	184
Introduction	184
Case Study I: The Failure	188
a. Egypt's road to war	188
b. Israel's surprise	191
i. Israel's intelligence assets	191
ii. The information and its estimate	194
c. Explaining the failure	201
i. State level	201
ii. Decision-making	204
iii. The personal level	207
Case Study II: The Success	216
a. The setting	216
b. The intelligence warning of October 12 and its impact	221
c. Explaining success	223
i. State level	224
ii. Decision-making forums	228
iii. The individual level	230
a. Eli Zeira	230
b. Zvi Zamir	232
6. Conclusions	235
Index	245
