Foreword

Foreword	vii
Acknowledgments	xi

Part 1: Defining the Problem and Mapping Solutions

1 Why We Need a Transdiagnostic Road Map	3
2 Vulnerability Mechanisms	13
3 Response Mechanisms	33
4 Core Principles of the Transdiagnostic Road Map	47

Part 2: Developing Transdiagnostic Mechanism Hypotheses

5 Assessment and Data Collection: The Road to Mechanism Hypotheses	69
6 Developing a Transdiagnostic Mechanism Formulation with the Patient	93

Part 3: Planning Treatment

7 Developing Treatment Goals	113
8 Selecting Interventions	127

Part 4: Navigating the Transdiagnostic Road Map

9 Implementing Treatment	159
10 Assessing Progress, Changing Course, and Ending Treatment	181
Appendix: Road Map Worksheets	199
References	205
Index	231
