

# Table of contents

1 Introduction	9
2 Previous research	11
2.1 Previous debates on syntactic development	11
2.2 Argument structure	12
2.3 Complex sentences acquisition	13
2.4 Czech and Slovak research	14
3 Czech language	19
4 Morphological development of the target child during the protomorphological stage	21
5 Syntactic structures in the pre-morphological stage	24
6 The development of syntactic structures in the protomorphological stage	27
6.1 Data and methodology	28
6.2 Types of constructions	31
6.3 Nominal constructions	32
6.4 Constructions with full verbs in finite form (VF)	34
6.5 Constructions with modal verbs	35
6.6 Longer sentences	36
6.7 Discussion and conclusions	39
7 Development of complex sentences – Data and methodology	45
8 Object complement clauses	47
8.1 Types of object complement clauses	47
8.2 Number of occurrences	49
8.3 Protomorphological stage	51

8.4 Stage of modularised morphology	56
-------------------------------------	----

8.5 Summary	59
-------------	----

9 Subject complement clauses	61
------------------------------	----

9.1 Number of occurrences	61
---------------------------	----

9.2 Summary	63
-------------	----

10 Attributive clauses	64
------------------------	----

10.1 Types of attributive clauses	64
-----------------------------------	----

10.2 Syntactic role of a matrix clause element and a gap	68
--	----

10.3 Summary	72
--------------	----

11 Adverbial clauses	74
----------------------	----

11.1. Types of adverbial clauses	74
----------------------------------	----

11.2 Adverbial clauses of cause	75
---------------------------------	----

11.3 Adverbial clauses of condition	80
-------------------------------------	----

11.4 Adverbial clauses of purpose	84
-----------------------------------	----

11.5 Adverbial clauses of time	88
--------------------------------	----

11.6 Adverbial clauses of place	93
---------------------------------	----

11.7 Adverbial clauses of manner	95
----------------------------------	----

11.8 Adverbial clauses of measure	96
-----------------------------------	----

11.9 Adverbial clauses of concession	98
--------------------------------------	----

11.10 Summary	100
---------------	-----

12 Compound sentences	102
-----------------------	-----

12.1 Types of compound relations	102
----------------------------------	-----

12.2 Compound sentences – First occurrences	105
---	-----

13 Copulative relation	108
------------------------	-----

13.1 Number of occurrences	108
----------------------------	-----

13.2 Summary	110
--------------	-----

14 Conclusive relation	112
14.1 Number of occurrences	112
14.2 Summary	115
15 Adversative relation	117
15.1 Number of occurrences	117
15.2 Summary	121
16 Explicative relation	122
16.1 Number of occurrences	122
16.2 Summary	125
17 Adordination	126
17.1 Number of occurrences	126
17.2 Summary	128
18 Disjunctive relation	130
18.1 Number of occurrences	130
18.2 Summary	131
19 Gradational relation	132
20 Compound sentences – Conclusions	133
21 Multiple sentences	135
22 Conclusions	139
