### **A note on resources**

The resources in this book are all available for you to download free from my website: [www.funkypedagogy.com](http://www.funkypedagogy.com)

They are also available on: [www.litdrive.org.uk](http://www.litdrive.org.uk) and [www.englishdepartment.co.uk](http://www.englishdepartment.co.uk)

Some of the resources in this book have been inspired by colleagues, or things I have seen shared on social media. I have tried my best to give credit for resources and ideas which are not my originals and there is a known original creator.

I would strongly urge any English teachers to follow these accounts on Twitter, so that you can share resources and ask for support!
