Preface	III
Advertisement concerning Maps of China	V
Part First. The Pre-Linnean Period. From the Middle-Ages down to about the 18th Century.	
I. Marco Polo	1
II. Early Sea-Trade of the Portuguese with China	5
Garcia ab Orta, 7.	
III. Early Botanical Information with respect to China sup- plied by Catholic Missionaries, and especially the Jesuits.	8
Gonzales de Mendoza, 10. — J. P. Maffeus, 10. — Trigault, 10. — Semedo, 12. — Martini, 13. — M. Boym, Flora Sinensis, 13. — Magalhaens, 14. — Le Comte, 14. — Kamel, 15.	
LETTRES ÉDIFIANTES ET CURIEUSES DES MISSIONS.	
Laureati, 19. — D'Entrecolles, 19. — Parennin, 19. — Jartoux, 20. — Chanseume, 20. — Du Halde, 20.	
IV. Sea Trade of the Dutch with Eastern Asia in the 17th Cent.	21
Linschotten, 21. — J. Breyn, 26. — Rumphius, 27. — E. Kaempfer, 28.	
V. Early English Intercourse with China. First Botanical Col- lections made in that Country	29
J. Cunningham, 31. — Sloane, 32. — Petiver, 33. — Plukenet, 33. — Cunningham's Chinese Plants, 34—44.	
VI. Botanical Collections made by the Jesuit Missionaries in China, in the first half of the 18th Century	45
Cordero, 45. — Gaubil, 45. — D'Incarville, 46. Plants introduced by him into the Gardens of Europe, 48. Peking Plants, 52, Macao Plants, 54.	

	Page.
Part Second. The Linnean Period. From about the middle of the 18th century to 1793.	
I. The first Swedish Botanical Collectors in China.....	58
Osbeck, 58. — Toreen, 60. — Ekeberg, 60. — Sparrmann, 61. — Lagerstroem, 62.	
II. Chinese Plants known to Linnaeus, Father and Son.....	63—106
III. Philip Miller and his Gardener's Dictionary, 1731—1807... 	107
IV. Swedish Botanical Collectors in Southern China in the last third of the 18th Century.....	111
Bladh, 111. — Thunberg, 111. — Retz, 112. — Björkegren, 114. — Fagraeus, 114. — Waenman, 115. — Dahl, 115.	
V. Botanical Researches of the Jesuit Missionaries in China, in the last quarter of the 18th Century.....	115
Cibot, 115. — Loureiro, 116. — Grosier, la Chine, 116.	
VI. P. Poivre.....	117
VII. P. Sonnerat.....	120
VIII. The Royal Gardens at Paris and the Great French Botanists who laboured there in the 18th Century.....	123
Tournefort, 123. — Jussieu, Antoine de, Bernard de, Antoine Laurent de, Adrien de, 124. — Desfontaines, 125. — Lamarck, 125. — L'Héritier, 126. — Buffon, 127. — Bernardin de St. Pierre, 127.	
CHINESE PLANTS KNOWN AT THE END OF THE 18TH CENTURY IN THE JARDIN DES PLANTES, 127.	
IX. Chinese Plants cultivated at Vienna in the second half of the 18th Century and described and illustrated by N. J. Jacquin.....	134
N. J. Jacquin, 135.	
X. Chinese Plants cultivated in the Royal Kew Gardens in 1789	138
The Royal Kew Gardens, 138. — William Aiton, Hortus Kewensis, first edition, 1789; 138. — Solander, Dryander, 138. — J. Lord Petre, 140. — Hon. H. Compton, 142. — Dutchess of Beaufort, 145. — J. Blackburne, Th. Knowlton, 148. — Second Duke of Northumberland, 150. — George, Earl of Coventry, 150. — J. Gordon, 150. — Kennedy & Lee, 151. — B. Torin, 151. — J. Ellis, 151. — Dr. J. Hope, 151. — Dr. J. Fothergill, 151. — Dr. J. Lind, 152. — J. B. Blake, 152. — D. Nelson, 152. — H. Bradley, 153. — Robertson, 154.	
Part Third. Third Period, from the First Botanical Exploration of the Interior of China, in 1793, to the First War between England and China, in 1840. .	155
I. Lord Macartney's Embassy to the Emperor K'ien lung, 1793. Sir George Staunton.....	156
Webb, Delessert, 163. — Chinese Plants gathered by Staunton and other Members of the Embassy, 163—183.	

	Page.
II. A. E. Van Braam Hoockgeest. 1794—95.....	183
Van Braam, 184. — De Guignes, 184.	
Icones Plantarum sponte China nascentium, 186.	
III. W. Kerr. 1804—13.....	189
IV. New Chinese Plants introduced into the Royal Kew Gardens, 1789—1813.....	191
W. T. Aiton. Hortus Kewensis, 2nd edition, 1813; 191—200.	
V. English Promoters of Botanical Science. Eminent Botanists, Gardeners, Travellers etc. mentioned in the Second Edition of Hortus Kewensis and in the Early English Illustrated Botanical Periodicals, in Connection with the Introduction and Description of new Chinese Plants, from 1789 to about 1820.....	201
The Botanical Magazine. W. Curtis, J. Sims, Gawler (Ker), S. Edwards, 201.	
Botanist's Repository, H. C. Andrews, 201.	
Sir Jos. Banks, 201. — J. Dryander, 203. — A. B. Lambert, 205. — D. Don, 205. — Dr. Sir James E. Smith, 207. — The Linnean Society of London, 207. — A. Rees, Cyclopaedia, 208. — R. A. Salisbury, 209. — W. Anderson, 210. — G. Anderson, 210. — C. F. Greville, 210. — Sir Abraham Hume, 211. — Lady A. Hume, 212. — J. Mean, 213. — William, Duke of Portland, 213. — Sir Robert Preston, 213. — Slater, 213. — Th. Evans, 215. — Peter Good, 216. — Sir Charles Raymond, 216. — Rev. W. B. Coyte, 216. — J. Drummond, 216. — J. Haxton, 217. — D. Lance, 217. — J. Swainson, 217. — J. Hunneman, 217. — G. Hibbert, 218. — C. H. Turner, 218. — R. Wellbank, 218. — J. Colvill, 218. — J. Knight, 220. — Lee & Kennedy, 220. — Davey, 221. — S. Brookes, 221. — J. Poole, 221. — R. Whitley, 222. — J. Shepherd, 223. — Blandford, Duke of Marlborough (Spencer Churchill), 223. — Lord Bagat, 223. — Lady Long (Farnborough) 224. — Count and Countess de Vandes, 224. — Countess of Aylesford, 224. — Sir H. T. Colebrooke, 224.	
VI. Lord Amherst's Embassy to the Chinese Court, 1816—17. Dr. Clarke Abel.....	225
VII. Roxburgh and Wallich.....	237
W. Roxburgh, 237. — N. Wallich, 246.	
VIII. Ventenat. — Jacquin Jun.....	248
E. P. Ventenat, Jardin de Cels, 248. — Baron J. F. Jacquin, 249.	
IX. The Royal Horticultural Society of London and its Exertions to introduce Chinese Plants.....	251
Jos. Sabine, 251. — Dr. J. Lindley, 252. — W. Cattley, 255. — J. Reeves (Sen.), 256. — J. R. Reeves (Jun.), 263. — J. Livingstone, 266. — H. A. Drummond, 268. — C. O. Mayne, 268. — Nesbitt, 269. — Mayer, 269. — J. P. Wilson, 269. — Jamieson, 269. — Lindsay, 269. — J. Potts, 269. — J. D. Parks, 271. — Th. Leblanc, 274.	

	Page.
X. Information regarding Chinese Plants found in Systematic Works on Botany, published after Linnaeus.....	274
C. L. Willdenow, 274. — C. H. Persoon, 275. — M. Vahl, 276. — O. Swartz, 276. — J. W. Hornemann, 277. — J. J. Roemer and J. A. Schultes, 277. — C. Sprengel, 277. — De Candolle, A. P., Senior and De Candolle, A., Junior, Prodrum, 278. — C. S. Kunth, 279. — G. T. Burnett, 280.	
XI. Introduction of Chinese Plants into English Gardens between about 1810 and 40, as recorded in English Illustrated Botanical Periodicals.....	281
The Botanical Magazine, 280. — The Botanical Register, J. B. Ker, J. Lindley, S. T. Edwards, 280. — Loddiges' Botanical Cabinet, 281. — R. Sweet, 282. — Allnut, 282. — Th. Palmer, R. Rawes, 282. — W. Kent, 283. — A. Chandler, 283. — Lady Clifford, 283. — W. Griffin, 283. — J. Braddick, 284. — Basington, 284. — Tate, 284. — W. Herbert, 284. — W. Wells, 285. — H. Goodhall, 285. — Books, 285. — Duchess of Dorset, 285. — R. Barclay, 285. — Fairbairn, 286. — Malcolm, Gray & Co., 286. — Parmentier, 286. — G. Press, 286. — W. Fox-Strangways, 287. — G. Annesley, Earl of Mountnorris, 287. — Third Duke of Northumberland, 287. — Smith, 288. — Messrs Young of Epson.	
XII. Botanical Collectors in the South of China (Macao, Canton) between about 1825—1840.....	288
Visit of H. B. M. Ship «Blossom» to Macao, 1827, Capt. E. W. Beechey, 288. — A. Collie, 289. — G. T. Lay, 290. — Beechey Expedition: New Plants Macao, 291, New Plant Loo choo and Bonin Is., 293. — Rev. G. H. Vachell, 294. — C. Millett, 298. — F. J. Meyen, 302. — Th. Beale, 306. — Dorwand, 307. — Gaudichaud Beaupré, 307. — Capt. Geoffroy, 308. — K. L. Blume, 308.	
XIII. First Russian Botanical Explorations in Eastern Asia.....	309
D. G. Messerschmidt, 311. — J. G. Gmelin, 311. — P. S. Pallas, 311. — J. C. Georgi, J. P. Falk, 312. — Heucke, 312. — A. Ph. Martini, 312. — J. Sievers, 313.	
Admiral Krusenstern's Circumnavigation of the Globe, 1803—6; 313. — G. Langsdorff, 314. — W. Tilesius, 314. — Dr. J. G. Horner, 314.	
Dr. F. E. L. Fischer, Botan. Garden at Gorenki, Botan. Garden, St. Petersburg, 316—21. — Langsdorff, Riedel 318. — Russian Ecclesiastical Mission, Peking. 319.	
Russian Circumnavigation of the Globe, O. von Kotzebue, 1815—18, 321. — A. von Chamisso, Professor J. F. Eschscholtz, Choris, 321.	
Fr. Luetke's Circumnavigation of the Globe, 1826—29; 321. — Dr. Ch. H. Mertens, A. Postels, 322.	
Exploration of the Northern Chinese and Mongolian Flora by Russian Botanists, 323. — Dr. A. Bunge, 323. — Ladijenski, 342. — I. Kuznetsov, 343. — G. Rozov, 346. — Dr. P. Kirilov, 346. — N. N. Turczaninov, 352.	

	Page.
Part Fourth. Period from the First War between England and China, 1840, to the Second War, 1860	354
The Opium War, 1840—42, 354—58. Four new Chinese Ports opened to British Trade, Hongkong ceded to England, 358.	
I. Botanical Collectors in Chusan during the British Occupation of the Island, 1840—46.	359
Dr. T. Cantor, 359. — W. Griffith, 359. — W. T. Alexander. 360. — Sir Everard Home, 362. — R. Fortune, 362.	
II. Botanical Exploration of the Island of Hongkong.	362
R. B. Hinds, 363. — Dr. H. F. Hance, 365. — Dr. Morris, 370. — Rev. K. Gutzlaff, 370. — Dr. W. A. Harland, 371. — Dr. Dill, 373. — Th. Philippi, 373. — J. G. Champion, 374. — J. Eyre, 379. — Dr. Sir John Bowring, John C. Bowring, Jun., 381. — J. C. Braine, 383. — Dr. B. Seemann, 384.	
AMERICAN EXPEDITIONS TO EASTERN ASIA.	
Commodore M. C. Perry, United States' Naval Expedition to the China Seas and Japan, 1852—54; 386. Dr. S. W. Williams, Dr. Morrow, 386—390. — Asa Gray 388.	
U. S. North Pacific Expedition, Comm. C. Ringold and J. Rodgers, 1853—56; Ch. Wright, Small 390—91.	
Ch. Wright, 393, Hong kong Plants 395; Bonin Plants, 397; Japanese Plants, 397. — D. C. Eaton, 399.	
C. Wilford, Hongkong, 400. — J. C. Bowman, 400. — Dr. J. Barthe, 400. — Lorraine, 401. — L. Furet, 401. — Colonel Urquhart, 401.	
George Bentham, Flora Hongkongensis, 402.	
III. Robert Fortune.	403
Three Years Wanderings in the Northern Provinces of China, 1843—46; 405. — Journey to the Tea Countries of China, 1848—51; 407. — A Residence among the Chinese, 1853—56; 414. — Yedo and Peking, 1860—61; 419.	
Botanical Results of Fortune's Travels in China, 421—518.	
IV. French Embassy to China, 1844—46.	518
Th. Lagrené 518. — A. Haussmann, 520. — N. Rondot, 520. — I. Hedde, 522. — J. Itier, 523. — Dr. M. Yvan, 523. Le Clancher, 524.	
V. Botanical Collectors in the neighbourhood of Canton and Macao and in other localities of the Kuang tung Province, between 1840—60.	525
J. M. Callery, 625. — Rev. R. Krone, 527. — Park, 530. — G. R. Tate, 531.	
VI. British, French and Dutch Botanical Explorations, between about 1850—1860, near the then opened Chinese Trading Ports (besides Canton), in Formosa, in the Co-	

	Page.
rean Archipelago, on the Coasts of Corea and Manchuria, etc.	532
J. H. Layton, 532. — Dr. H. F. Hance, Amoy, 532. — Dr. C. F. Grijs, 533. — W. Gregory, 534. — W. H. Medhurst, Jun., 535. — J. Smith, 535. — W. Tarrant, 535. — Dr. C. Fabre-Tonnerre, 535. — L. Montigny, 536. — E. Guierriy, 538. — L. Hélot, 539. — C. Wilford, 539.	
VII. Botanical Investigations in the Interior of China by French Missionaries between 1840—60	544
E. Verrolles, 544. — P. J. Bertrand, 545. — J. Voisin, 545. — P. Perny, 546.	
VIII. Illustrated English Botanical Periodicals, 1840—60	548
Sir William Jackson Hooker; Botanical Magazine, 548. — Sir Joseph Paxton; Magazine of Botany, Flower Garden, 551.	
IX. British Gardeners cultivating new Chinese and Japanese Plants, 1840—60	551
Messrs Lucombe, Pince & Co., 551. — Veitch & Sons; John Gould Veitch, 551. — Messrs Standish & Noble, 552.	
X. Botanical Information derived from Chinese Sources. Translations made by Sinologists	554
Stan. Julien, 554. — Dr. S. W. Williams, 555. — Dr. D. J. Mac Gowan, 557. — C. Shaw, 558. — W. H. Medhurst, Sen., 558.	
XI. Russian Botanical Collectors at Peking, 1840—60	559
Dr. A. Tatarinov, 559. — N. I. Liubimov, 569. — V. V. Gorski, 569. — J. Goshkewich, 569. — S. Basilevski, 570. — C. Skatchkov, 570.	
XII. Russian Occupation of the Amur River and Naval Expedition to Eastern Asia, 1852—55. Botanical Explorations connected with this Enterprise	572
N. Muraviov, 572. — G. Nevelski, 572. — Admiral Putiatin, 573. — Occupation of the Amur 576. — General N. Ignatiev, 577. — Frigate «Diana», 577.	
C. MAXIMOWICZ, 581.	
Explorations on the Amur, 1854—56; 582. Amur Plants, 583—88.	
Maximowicz' second Journey to Eastern Asia, Amur, 1859; 588, Manchuria, 1860; 589, Japan, Maximowicz and Tchonoski, 1860—64; 592.	
Plants introduced by Maximowicz from the Amur, Manchuria, into the Botan. Gardens St. Petersburg, 602.	
R. MAACK'S BOTANICAL EXPLORATIONS OF THE AMUR AND USSURI, 1855 AND 1859; 611.	
New Plants discovered by Maack, 613; Plants introduced by Maack, 616.	
Dr. L. von Schrenck, 616. — D. Orlov, 617. — G. Radde, 617. — Dr. H. Weyrich, 618. — A. von Schlippenbach, 621. — D. Kuznetsov, 621. — P. Yolkin, 621. — Dr. M. Albrecht, 622.	

	Page.
XIII. The Imperial Botanical Garden, St. Petersburg.....	622
C. A. Meyer, 622. — Dr. E. Regel, 623. — F. J. Ruprecht, 623.	

Part Fifth. Period from the War between the Allied British and French Powers, with China, 1860, — to the Present Time.	625
Second War between England and China, 1857—60.....	625
New Chinese Ports opened to Foreign Trade since 1860.....	628
R. Hart, Inspector General of Chinese Marit. Customs.....	631

I. British and American Botanical Explorers in China, since 1860	632
Dr. H. F. Hance, 632. — A. Hance, Jun. 639. — Dr. Hance's Botanical Papers, 640.	

Th. Sampson, 652. — New Plants discovered, 657.

R. Swinhoe, 661. — New Plants, 670. — Papers, 672.

Dr. W. F. Daniell, 678. — Dr. A. C. Maingay, 679. — Birnie, 679. —
S. W. Williams, 679. — Dr. W. Dickson, 681. — G. L. King, 682. — F. Parry,
682. — R. Oldham, 682. — H. A. Sarel, 688. — T. W. Blakiston, 688. —
Rev. J. J. Irwin, 689. — E. W. Jacob, 689. — Hay, 689. — T. T. Meadows,
690. — F. Fagg, 691. — Rev. A. Williamson, 690. — Dr. D. B. Mc Cartee,
691. — E. C. Taintor, 691. — Dr. J. Anderson, 692. — H. Kopsch, 693. —
E. C. Bowra, 695. — W. F. Mayers, 695. — M. Moss, 696. — W. Keswick,
696. — Rev. I. Pierson, 697. — C. W. Everard, 697. — Dr. G. Dods, 697. —
C. Alabaster, 698. — Capt. A. L. Walker, 698. — Rev. Dr. R. H. Graves,
698. — Dr. G. Shearer, 699. — J. F. Quekett, 701. — J. B. Steere, 702. —
Rev. W. Campbell, 702. — Dr. S. W. Bushell, 703. — Rev. J. Ross, 703. —
Rev. J. Chalmers, 705. — Rev. G. E. Moule, 705. — Rev. J. Lamont, 706. —
Rev. J. C. Nevin, 706. — Miss Galbraith, 707. — Miss Whilden, 707. —
Beazeley, 707. — Rev. J. Mc Carthy, 708. — W. G. Stronach, 708. — J. P.
Martin, 709. — G. M. H. Playfair, 709. — C. Ford, 710. — F. B. Forbes,
720. — Dr. J. R. Carmichael, 723. — W. J. Clarke, 723. — A. Davenport,
725. — E. C. Baber, 727. — Capt. W. Gill, 730. — T. L. Bullock, 736. —
W. M. Cooper, 738. — B. C. G. Scott, 739. — T. Watters, 739. — C. Maries,
741. — General W. Mesny, 744. — W. Hancock, 747. — E. H. Parker,
750. — W. R. Carles, 755. — G. C. Anderson, 755. — W. W. Perry, 756. —
Rev. B. C. Henry, 756. — Capt. J. Calder, 763. — A. B. Westland, 764. —
W. J. Tutchter, 765. — Rev. Dr. C. Wenyon, 765. — Rev. J. Webster, 765. —
Dr. W. B. Morrison, 765. — H. E. M. James, 766. — Capt. A. Carpenter,
767. — J. H. Veitch, 767. — A. Hosie, 767. — F. S. A. Bourne, 771.

Dr. Aug. Henry, 774. New Plants, 778—94.

BRITISH BOTANICAL EXPLORATION OF CHINESE TURKESTAN AND TIBET, 795.

A. Schlagintweit, 795. — W. H. Johnson, 795. — G. W. Hayward,
796. — R. B. Shaw, 796. — Sir D. Forsyth, 796. — Dr. G. Henderson,
796. — Dr. W. H. Bellew, 798. — Dr. F. Stoliczka, 798.

V. Jacquemont, 802. — Dr. J. Hooker, 802. — Strachey and Winterbottom, 802.

A. E. Pratt, 802. — H. Bower, 806. — Dr. W. G. Thorold, 807. — W. W. Rockhill, 808. — St. G. R. Littledale, 809. — H. P. Picot, 812. — Wellby and Malcolm, 812. — H. H. P. Deasy, 812. — H. E. Hobson, 812.

II. British Botanists, especially of the Kew Gardens, who during the last period have determined and described Chinese Plants..... 813

Sir J. D. Hooker, 813. — General W. Munro, 814. — Dan. Hanbury, 815. — D. Oliver, 816. — J. G. Baker, 817. — S. Le Marchant Moore, 819. — W. B. Hemsley, 820. — Dr. W. T. Thielton-Dyer, 823. — B. D. Jackson, 823. — N. E. Brown, 824. — R. A. Rolfe, 824. — C. H. Wright, 824. — Dr. O. Stapf, 824.

III. French, Belgian, Portuguese, and Italian Botanical Collectors in China, since 1860 824

Rev. Guillemin, 824. — Rev. Guillon, 825. — O. Debeaux, 825. — Dr. L. Savatier, 826. — G. E. Simon, 827. — V. H. Fontanier, 833. — Ch. d'Argy, 833. — C. Dabry de Thiersant, 834. — Dr. C. Thorel, 835. — P. Champion, 836.

Père A. David, 837: First Journey, 839, Second Journey, 842, Third Journey, 849. — New Plants 856—870.

Père P. Heude, 870. — A. A. Fauvel, 871. — Père J. Vinçot, 872.

Belgian Missionaries: Père Artselaer, 873. — Père A. De Vos, 873. — Père Verlinden, 874.

J. G. da Silva, 874.

Père J. M. Delavay, 874. — Localities in Yün nan, 877—83. — New Plants, 884—911.

Père P. Vial, 911. — Père H. F. Bon, 911. — Le Prince Henri d'Orléans, 912. — J. Martin, 918. — Père A. Provost, 918. — Père E. Bodinier, 918. — H. Leduc, 919. — Tanant, 919. — Père J. A. Soulié, 919. — Pères Faurie, 923. — Père P. Farges, 912. — J. L. Dutreuil de Rhins, 927. — G. Giraldi, 928.

IV. French Botanists, who during the second half of the present century have determined and described Eastern Asiatic collections..... 929

J. Decaisne, 929. — C. V. Naudin, 931. — E. A. Carrière, 932. — J. Planchon, 933. — H. Baillon, 934. — A. Franchet, 935.

V. German and Austro-Hungarian Botanical Collectors in China, since 1860 941

The Prussian Expedition to Eastern Asia, 1859—62, M. Wichura, O. Schottmüller etc., 941.
