

Contents

1 Introduction, Epidemiology, and Definition of Chest Wall Injuries	1
Michael D. McKee	
2 A Review of the Modern Literature	9
Gerard P. Slobogean and David J. Stockton	
3 The Pathophysiology of Flail Chest Injury	19
Akhilesh Tiwari, Shalini Nair, and Andrew Baker	
4 The Current Treatment of Flail Chest Injuries	33
Niloofer Dehghan	
5 The Nonoperative Management of Flail Chest Injury	41
Shalini Nair, Akhilesh Tiwari, and Andrew Baker	
6 Biomechanics of Rib Fracture Fixation	53
Michael Bottlang and William B. Long	
7 Indications for Operative Management of Flail Chest Injuries	73
Jaclyn Farquhar and S. Morad Hameed	
8 Surgical Approaches for Rib Fracture Fixation	81
Aaron Nauth	
9 Principles of Plate Fixation: Rib Fracture Applications	89
Richard J. Jenkinson	
10 Associated Intrathoracic Injuries and Their Treatment	101
S. Morad Hameed, Emilie Joos, and James Bond	
11 Clinical Outcomes Following Operative Fixation of Flail Chest Injury	119
Justin A. Walker and Peter L. Althausen	
12 Complications of Surgical Treatment and Their Management	131
Ryan Martin, Bernard Lawless, Patrick D. Henry, and Aaron Nauth	
13 Postoperative Care Including Chest Tube Management	143
Barbara Haas and Avery B. Nathens	

14 Long-Term Outcome Following Flail Chest Injuries..... 155
 Niloofar Dehghan

**15 Management of Associated Injuries
 (Clavicle and Scapula)** 163
 Peter A. Cole, Sara C. Graves, and Lisa K. Schroder

16 Unstable Chest Wall Injuries: Future Directions..... 191
 Emil H. Schemitsch and Zachary Morison

Index..... 201

1 Introduction, Epidemiology, and Definition
 of Chest Wall Injuries..... 1
 Michael D. McKee

2 A Review of the Modern Literature..... 9
 Gerard R. Siobogan and David J. Stockton

3 The Pathophysiology of Flail Chest Injury..... 19
 Atulish Tiwar, Shalini Nair, and Andrew Baker

4 The Current Treatment of Flail Chest Injuries..... 33
 Niloofar Dehghan

5 The Nonoperative Management of Flail Chest Injury..... 41
 Shalini Nair, Atulish Tiwar, and Andrew Baker

6 Biomechanics of Rib Fracture Fixation..... 53
 Michael Bollang and William B. Long

7 Indications for Operative Management
 of Flail Chest Injuries..... 73
 Jaclyn Fugalar and S. Moad Hamed

8 Surgical Approaches for Rib Fracture Fixation..... 81
 Aaron Nambu

9 Principles of Plate Fixation: Rib Fracture Applications..... 89
 Richard J. Jenkinson

10 Associated Intrathoracic Injuries and Their Treatment..... 101
 S. Moad Hamed, Emilie Joor, and James Bond

11 Clinical Outcomes Following Operative Fixation
 of Flail Chest Injury..... 119
 Justin A. Walker and Peter L. Althausen

12 Complications of Surgical Treatment
 and Their Management..... 131
 Ryan Martin, Bernard Lawless, Patrick D. Henry,
 and Aaron Nambu

13 Postoperative Care Including Chest Tube Management..... 143
 Barbara Hans and Avery B. Nathens
