'Funny, incisive, gloriously readable ... we dismiss maths at our peril, and this book charmingly, persuasively, puts us straight'

JAMES MCCONNACHIE, *SUNDAY TIMES*

'Ellenberg runs the numbers like a magician. He can't save you from life, but he can save you from everyday error'

IAIN FINLAYSON, *THE TIMES*

'Lucid and witty ... If only all maths lessons were like this'

ORLANDO BIRD, *FINANCIAL TIMES*

'Brilliantly engaging ... Sheer intellectual joy'
