

Figures

| | | |
|-----|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|
| 0.1 | Al Roker | xx |
| 0.2 | Behind the scenes on the production of 'pro' live-streams | xxi |
| 1.1 | 51% of media are using Facebook Live videos, but only 11% of companies do | 5 |
| 2.1 | The Facebook Live logo | 13 |
| 2.2 | The Facebook Live start-up screen | 15 |
| 2.3 | The 'waveform' of when you had 'peak viewership', that you see when you have completed your live-video | 16 |
| 2.4 | A Facebook Live stream showing the invitation to follow the broadcaster, a prompt for viewers to comment and a pinned comment | 19 |
| 2.5 | Filter options on Facebook Live | 20 |
| 2.6 | Masks can be chosen by the broadcaster to 'wear' during their show | 20 |
| 3.1 | The Periscope logo | 28 |
| 3.2 | The main broadcast screen for Periscope | 37 |
| 3.3 | A user profile on Periscope | 42 |
| 3.4 | An example of a show created with the Periscope Producer program | 46 |
| 5.1 | A small sample of some of the other live-stream apps available | 56 |
| 7.1 | A unique view, live from the top of the tower of the 900-year-old Chichester Cathedral in England | 78 |
| 7.2 | Recording a beauty tutorial using the Arkon TW Broadcaster Single-Phone Desk Mount | 84 |
| 7.3 | Live-streaming from the classroom using the Arkon Tablet Floor Stand | 86 |
| 7.4 | A musician making money and raising their profile by live-streaming their original composition | 91 |
| 7.5 | Use www.belive.tv to live-stream from several cameras at the same time. In this case, it's a talk show, but you could also use the same app to connect staff at several locations | 101 |
| 7.6 | Anthony Lenzo regularly presents shows of 'unboxings' and reviews on his channel | 104 |
| 7.7 | Greenpeace Executive Director, Annie Leonard, speaks on the Greenpeace Facebook page, moments after being arrested | 105 |

| | | |
|------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|
| 7.8 | Charles Hodgson of <i>View News</i> , Australia interviewing local election candidate Ted O'Brien on a live-stream | 107 |
| 7.9 | Viewers commenting on a Periscope tour of Paris presented by Claire Waddington | 108 |
| 7.10 | "The church is open, would you like me to show you inside. . . ?" | 112 |
| 7.11 | A live-stream 'audition' and raising their profile by live-streaming an original composition | 113 |
| 7.12 | The world's first ever Periscope using a 360 camera | 116 |
| 7.13 | A bird's-eye view of the Australian coast; Periscoping with a drone | 119 |
| 7.14 | Periscope's first underwater live 360 broadcast | 122 |
| 8.1 | A live-stream in an earthquake zone by the BBC's Nick Garnett | 130 |
| 8.2 | Live-streaming from a police news conference. In this instance, a traditional TV crew had previously asked the mobile live-streamer to stand at the back as they "weren't a proper broadcaster" | 131 |
| 8.3 | A March 2017 Periscope by Paul Ronzheimer showing devastation in Mosul | 132 |
| 8.4 | Ahead of the UK EU referendum in 2016, the then Prime Minister, David Cameron, was grilled by audiences in the studio and online | 133 |
| 8.5 | The Facebook Live map | 137 |
| 8.6 | Broadcasting a major local story, that of an agreement of airport expansion, live and direct on Facebook | 141 |
| 8.7 | Democracy in action. Candidates for a local election were invited to discuss their policies and answer voters' questions on a live-stream. This was actually held in the broadcaster's kitchen. | 144 |
| 8.8 | Screenshot of a live-streamed interview at a trade exhibition | 153 |
| 8.9 | Clare Dube regularly presents live house tours | 161 |
| 8.10 | Another museum that regularly hosts successful Facebook Live video tours of its exhibits is The J. Paul Getty Museum in California. Here, curator Bryan C. Keene hosts "The Shimmer of Gold" Facebook Live exhibition walk-through | 165 |
| 10.1 | The image on the right shows the set for the BuzzFeed 2016 US Election coverage | 186 |
| 11.1 | See how accurate the Periscope map feature is | 194 |
| 11.2 | Abusive comments made to girls who said they were 13-years old, on Periscope | 205 |
| 12.1 | The iRig Mic Lav. Note the TRRS connection and the adapter to plug two microphones into a single feed to the phone | 216 |
| 12.2 | A range of iRig microphones | 217 |
| 12.3 | The iRig I/O, so you can use a standard professional microphone into your phone | 218 |
| 12.4 | Just a small part of the Shoulderpod range, which will help improve the stability of your phone | 219 |

| | | |
|------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|
| 12.5 | The Arkon TW Broadcaster Pro, Side-by-Side Phone Tripod Mount and TW Broadcaster Live Streaming Kit | 220 |
| 12.6 | The iKlip Grip Pro features a large, ergonomic handle that expands into a sturdy tripod, an integrated locking extension pole that extends up to 62 cm (24") for getting those 'above the crowd' shots and selfies | 221 |
| 12.7 | Small battery-powered lights can easily be fitted onto a rig, such as this one by Shoulderpod, along with an external mic, too | 222 |
| 12.8 | The different field of view achieved by using a wide-angled rather than a normal lens | 224 |
| 13.1 | The title page on your Periscope, which you can have tweeted to your followers (If you broadcast via Twitter Go Live, your standard tweet text becomes your 'title') | 230 |
| 14.1 | Facebook Live reaction symbols | 243 |
| 15.1 | The 'share' button and 'notification' prompt in a Facebook Live feed | 248 |
| 15.2 | The 'follow' button in a Facebook Live feed | 251 |
| 15.3 | The 'follow' and 'share' menu in a Periscope feed | 251 |
| 16.1 | The different perspectives achieved using portrait and vertical orientation | 267 |
| 16.2 | Good framing for a live-video | 269 |
| 17.1 | A presenter being filmed with the iKlip AV phone mount with integrated wireless mic facility | 274 |
| 17.2 | A producer using a Shoulderpod pocket rig with Rode directional mic and windshield | 274 |
| 18.1 | Pre-promote specific shows so people can plan their day around watching you live | 280 |
| 19.1 | Going live on Facebook Live | 289 |
| 20.1 | Consider having landscape orientation of your phone for shots which are obviously landscape-friendly! This sunset was streamed in portrait mode, and when the viewer turns the phone to landscape the image simply becomes smaller | 303 |
| 20.2 | The sketch facility in Facebook Live | 306 |
| 22.1 | In Facebook, tap on the download icon on the screen and choose to save and upload your live-stream | 318 |
| 24.1 | Thousands viewed this Periscope, but see how long on average they watched for. That doesn't suggest a very meaningful relationship was built by the broadcaster | 341 |
| 24.2 | Viewing figures for a live-stream on Facebook Live | 342 |
| 24.3 | An engagement graph from Facebook Live | 343 |
| 24.4 | Screenshot of additional metrics for a video on Facebook Live | 344 |
| 25.5 | Screenshot of a live-stream ending | 353 |
