Foreword by the Dean .....	4	<b>Geography</b> .....	99
<b>Charles University</b> .....	7	Department of Applied Geoinformatics and Cartography ..	100
Charles University .....	8	Department of Demography and Geodemography .....	104
<b>History of the Faculty of Science</b> .....	13	Department of Physical Geography and Geoecology .....	108
Faculty of Science in the Mirror of the History of Charles		Department of Social Geography	
University and the Czech State.....	14	and Regional Development .....	112
<b>Albertov and Its Genius Loci</b> .....	19	<b>Geology</b> .....	117
Albertov and Its Genius Loci .....	20	Laboratories of the Geological Institutes .....	118
<b>The Faculty Today: Education and Teaching</b> .....	23	Institute of Geology and Palaeontology.....	120
Faculty in Figures: Numbers of Students		Institute of Geochemistry, Mineralogy	
in the Last 10 Years .....	24	and Mineral Resources .....	122
Faculty in Figures: Numbers of Graduates		Institute of Petrology and Structural Geology .....	126
in the Last 10 Years .....	26	Institute of Hydrology, Engineering Geology	
Faculty in Figures: Numbers of Employees		and Applied Geophysics.....	128
in the Last 10 Years .....	28	<b>Institute for Environmental Studies</b> .....	133
Faculty in Figures: Amount of Funds for Each		Institute for Environmental Studies .....	134
of the Last 10 Years.....	28	<b>Faculty-Wide Institutions</b> .....	139
Structure of Study .....	30	Institute of Applied Mathematics	
Overview of Bachelors' Subject Areas,		and Information Technologies.....	140
Programmes and Their Specialisations .....	32	Department of Physical Education .....	142
Overview of Masters' Subject Areas,		<b>Museums, Collections and Libraries</b> .....	145
Programmes and Their Specialisations .....	33	Botanical Gardens.....	146
Overview of Doctoral Programmes .....	34	Herbarium Collections.....	148
<b>STARS</b> .....	37	Hrdlička Museum of Man .....	150
STARS – Supporting Talented PhD Research Students...	38	Chlupáč Museum of Earth History.....	152
<b>International Contacts and Cooperation</b> .....	41	Library of the Biological Sciences.....	154
International Contacts and Cooperation .....	42	Library of the Chemical Sciences .....	155
<b>Science and Research</b> .....	45	Geographical Library .....	156
<b>Biology</b> .....	47	Library of the Geological Sciences .....	157
Department of Anthropology and Human Genetics.....	48	Map Collection .....	160
Department of Botany .....	50	Mineralogy Museum .....	162
Department of Cell Biology.....	54	Periodic Table of Elements .....	164
Department of Ecology .....	56	<b>Student and Faculty Life</b> .....	167
Department of Experimental Plant Biology.....	58	Student Life .....	168
Department of Philosophy and History of Science .....	60	<i>Rybička</i> Kindergarten at the FSc CU .....	170
Department of Physiology.....	62	Events for the People at the Faculty .....	171
Department of Genetics and Microbiology .....	64	<i>Věda je krásná</i> Competition .....	172
Department of Parasitology .....	68	<b>Alumni and Graduates</b> .....	175
Department of Teaching and Didactics of Biology.....	70	Alumni of the Faculty of Science of CU .....	176
Department of Zoology .....	72	<b>Third Role of the Faculty</b> .....	179
<b>Chemistry</b> .....	77	Lifelong Learning .....	180
Department of Analytical Chemistry .....	78	University of the Third Age .....	181
Department of Inorganic Chemistry .....	82	Preparatory Courses and Competitions .....	182
Department of Biochemistry .....	86	<i>Přírodovědci.cz</i> (Scientists.cz) Project.....	184
Department of Physical and Macromolecular Chemistry.....	88	Teacher Training Schools.....	186
Department of Organic Chemistry .....	92	<b>Development and Future of the Faculty of Science</b> ..	189
Department of Teaching and Didactics of Chemistry .....	96	BIOCEV .....	190
		Albertov Campus .....	192
