Foreword	xvii
1 Introduction	1
<i>Lynette Joubert and Martin Webber</i>	
SECTION 1	
State of the art	13
2 Identifying the conceptual foundations of practice research	15
<i>Michael J. Austin</i>	
3 Social work practice research developments: four statements, ten years later	32
<i>Lars Uggerhøj and Pernille Wisti</i>	
4 From research question to practice research methodology	43
<i>Mike Fisher</i>	
5 Underlying theoretical positions, perceptions and foundations in practice research	57
<i>Maja Lundemark Andersen, Lene Ingemann Brandt, Kirsten Henriksen, Kirsten Mejlvig, Liesanth Nirmalarajan, Mette Rømer, Lars Uggerhøj and Pernille Wisti</i>	
6 Practice research as a collective enterprise	69
<i>Ian Shaw</i>	
7 Philanthropic collaboration in practice research: The Mrs Lee Choon Guan Endowed Research Fund model, Singapore	78
<i>Rosaleen Ou, Isabel Sim and Esther Goh</i>	

SECTION 2

Methodologies

91

- 8 Clinical data mining: a practice research methodology of choice for health social workers 93
Lynette Joubert, Melinda Collins, Lisa Braddy, Kathryn Turner, Alison Hocking, Denise Beovich, Sarah Blaschke, Fiona Wiseman and Vera Steiner
- 9 Different approaches in practice research 105
Maja Lundemark Andersen, Lene Ingemann Brandt, Kirsten Henriksen, Kirsten Mejlvig, Liesanth Nirmalarajan, Mette Rømer, Lars Uggerhøj and Pernille Wisti
- 10 Methodological pluralism in practice research 115
Martin Webber
- 11 Pragmatist knowledge production in practice research 126
Heidi Muurinen and Mirja Satka
- 12 Evaluating social work practice with single system research designs 137
Bruce A. Thyer
- 13 Measuring effectiveness in practice research 156
Grahame Simpson
- 14 The interface between qualitative research methodology and practice research 173
Lisa Morriss
- 15 Engaging service users in practice research 181
Maja Lundemark Andersen, Lene Ingemann Brandt, Kirsten Henriksen, Kirsten Mejlvig, Liesanth Nirmalarajan, Mette Rømer, Lars Uggerhøj and Pernille Wisti
- 16 Practice research in Indigenous communities 192
Angus Macfarlane
- 17 Translating ideas of practice research for a national and local child welfare reform process 203
Laura Yliruka, Päivi Petrelius and Pia Eriksson
- 18 Causal analysis for practice-based research using observational data 217
Arno Parolini, Wei Wu Tan, Marlena Klaic and Anna Bornemisza

SECTION 3**Pedagogies****229**

- 19 Teaching practice research through partnerships with field educators, social work communities and university 231
Laura Yliruka, Jenika Heinonen, Maria Tapola-Haapala and Nanne Isokuortti
- 20 Teaching practice research through fieldwork placements: critical factors for successful trialogical learning processes 243
Maria Tapola-Haapala, Aino Kääriäinen, Maija Jäppinen and Mirja Satka
- 21 Teaching practice research: a curriculum guide for postgraduate social work training 255
Martin Webber
- 22 Academic practitioner collaboration: a state-wide social work innovation from Victoria, Australia 267
Lynette Joubert, Alison Hocking, Anita Morris and Lisa Braddy
- 23 International capacity-building for practice research in India 276
Saju MD, Meredith Fendt-Newlin, Lynette Joubert and Martin Webber

SECTION 4**Applications****287**

- 24 From practice wisdom to research knowledge: the case of the development of the Integrative Body-Mind-Spirit intervention model 289
Margaret Xi-can Yin, Celia Hoi-yan Chan, Yat-lui Fung and Cecilia Lai-wan Chan
- 25 Using existing data to explore practice issues and improve service responses: application of clinical data mining methodology in a healthcare context 300
Alys-Marie Manguy, Lynette Joubert, Ed Oakley and Robert Gordon
- 26 Post-hospital caregiving experiences: an exploratory, longitudinal mixed-methods study 314
Geok Ling Lee, Corinne S.N. Ghoh, Gerald C.H. Koh, Soon Noi Goh, Crystal Chai-Lim, Marcus Y.L. Chiu, Nan Luo and Kai Cao
- 27 The role of clinical supervision within Australian Youth Cancer Services 326
Kate Thompson, Lucy Holland, Jeremy Lewin, Victoria Dax and Lynette Joubert
- 28 Narrative practice and practice-based research 342
Kristina Lainson

29	Co-producing practice research: The Connecting People Implementation Study <i>Nicola Moran, Martin Webber, Harminder Dosanjh Kaur, David Morris, Kayonda Ngamaba, Victoria Nunn, E. Thomas and Keith J. Thompson</i>	353
30	Sharing lived experience in mental health services <i>Jonny Lovell, Alison O'Connell and Martin Webber</i>	368
31	Co-creation in research with young people <i>Frida Westerback, Emma Murtonen, Judith Metz and Ilse Julkunen</i>	382
32	Parenting Assessment Manual Software with forensic parenting assessments: from practice to research <i>Tracee Green and Martin Webber</i>	396
33	Practice-led research: developing communities of practice to drive research and practice change in the domestic and family violence arena <i>Susan Heward-Belle, Cathy Humphreys, Lucy Healey, Menka Tsantefski, Jasmin Isobe, Cherie Toivonen, Erin Links, Amy Young and Tracy Wilde</i>	418
34	The performance of researching with migrants and refugees <i>Janet Carter Anand, Chaitali Das, Csilla Veszteg and Enkhjargal Batbaatar</i>	430
SECTION 5		
	Expanding the frontiers	441
35	Beyond knowledge transfer in practice research in social work: making sense of relations and alliances <i>Ilse Julkunen and Raija Koskinen</i>	443
36	Results to practice: navigating complexities to create meaningful impact <i>Christa B. Fouché and Laura A. Chubb</i>	455
37	Staying close to practice: knowledge translation in practice research <i>Meredith Fendt-Newlin</i>	467
38	Whence and whither clinical data mining? <i>Irwin Epstein</i>	481
39	New frontiers for practice research <i>Lynette Joubert and Martin Webber</i>	491
