Examiners: Dr. Sarah Grogan, Professor Justin Smith, Dr. Ryan Shand, Dr. Robin Price, Dr. Laura Crossley, Dr. Nerea Johnson, Dr. Lesley-Ann Dillman and Prof. Wainman. Special thanks to Dr. Lucy Bolton and Dr. Julia Roberts Wright for their friendship, their encouragement of my work, and for including my chapter on Taylor in their edited collection *Leading Stars: Images and Fame and Personae that Endure* (Palgrave Macmillan, 2015), which won the 2017 BAFTS Award for Best Edited Collection, and is truly a wonderful collection that I was honored to be a part of. A big wall at the British Film Institute's (BFI's) library and special collections for helping me access the library's press cutting files and journals and for permitting me to view the Michael Jackson files, which were helpful in the writing of the case study of *A Star is Born*; and to the University of Glasgow's library staff for obtaining a number of rather
