

## OBSAH

|   |    |
|---|----|
| ÚVOD .....  | 10 |
| <b>DOMÁCÍ DRŮBEŽ</b> .....                                | 11 |
| Farmakologické požadavky na léčiva .....                  | 12 |
| Toxicita, vedlejší účinky .....                           | 13 |
| Ochranná lhůta .....                                      | 14 |
| Aplikace léčiv .....                                      | 14 |
| Farmakoterapie .....                                      | 20 |
| <b>HOLUBI</b> .....                                       | 22 |
| Aplikace léčiv .....                                      | 22 |
| Farmakoterapie .....                                      | 22 |
| <b>PŠTROSI</b> .....                                      | 23 |
| Aplikace léčiv .....                                      | 23 |
| Farmakoterapie .....                                      | 23 |
| <b>PERNATÁ ZVĚŘ</b> .....                                 | 26 |
| Aplikace léčiv .....                                      | 26 |
| Farmakoterapie .....                                      | 26 |
| <b>DRAVCI, PĚVCI A EXOTIČTÍ PTÁCI</b> .....               | 27 |
| Aplikace léčiv .....                                      | 27 |
| Farmakoterapie .....                                      | 30 |
| <b>LÉČIVA POUŽÍVÁNÍ K TERAPII INFEKČNÍCH NEMOCÍ</b> ..... | 32 |
| <b>Antibakteriální léčiva</b> .....                       | 32 |
| <i><b>β-laktamová antibiotika</b></i> .....               | 33 |
| Penicilinová antibiotika .....                            | 33 |
| Benzylpenicillinum kalicum .....                          | 34 |
| Amoxicillinum .....                                       | 34 |
| Ampicillinum .....  | 36 |
| Carbencillinum .....                                      | 36 |
| Ticarcillinum .....                                       | 36 |
| Piperacillinum .....                                      | 36 |
| Cefalosporinová antibiotika .....                         | 37 |
| Perorální cefalosporinová antibiotika .....               | 38 |
| Cefalexinum .....   | 38 |
| Ceftiofurum .....   | 38 |
| Injekční cefalosporinová antibiotika .....                | 38 |
| Cefalotinum .....   | 39 |
| Cefazolinum .....   | 39 |
| Cefradinum .....  | 39 |
| Cefoxitinum .....   | 39 |
| Cefotaximum .....   | 39 |
| Ceftriaxonum .....  | 39 |
| <i><b>Tetracyklinová antibiotika</b></i> .....            | 40 |
| Doxycyclinum .....  | 40 |
| Chlortetracyclinum .....                                  | 41 |
| Oxytetracyclinum .....                                    | 42 |
| Tetracyclinum .....                                       | 43 |
| <i><b>Aminoglykosidová antibiotika</b></i> .....          | 44 |
| Amikacinum .....  | 44 |
| Apramycinum .....   | 45 |
| Gentamicinum .....  | 45 |
| Kanamycinum .....   | 46 |
| Neomycinum .....  | 46 |
| Spectinomycinum .....                                     | 47 |
| Streptomycinum .....                                      | 47 |
| Tobramycinum .....  | 48 |
| <i><b>Makrolidová antibiotika</b></i> .....               | 48 |
| Azithromycinum .....                                      | 48 |
| Erythromycinum .....                                      | 48 |
| Josamycinum .....   | 49 |
| Spiramycinum .....  | 49 |
| Tylosinum .....   | 49 |

|  |           |
|--|-----------|
| <b>Linkosamidová antibiotika</b> .....                         | <b>50</b> |
| Clindamycinum .....  | 50        |
| Lincomycinum .....   | 50        |
| <b>Amfenikolová antibiotika</b> .....                          | <b>51</b> |
| Florfenicolum .....  | 51        |
| Chloramphenicolum .....  | 51        |
| <b>Polypeptidová antibiotika</b> .....                         | <b>52</b> |
| Colistinum .....   | 52        |
| Polymyxinum B .....  | 53        |
| Vancomycinum .....   | 53        |
| <b>Ansamycinová antibiotika</b> .....                          | <b>53</b> |
| Rifampicinum .....   | 53        |
| <b>Diterpenová antibiotika</b> .....                           | <b>54</b> |
| Tiamulinum .....   | 54        |
| <b>Sulfonamidová a pyrimidinová chemoterapeutika</b> .....     | <b>54</b> |
| Sulfaclozinum .....  | 55        |
| Sulfadiazinum .....  | 55        |
| Sulfadiazinum argenteum .....                                  | 55        |
| Sulfadiazinum + trimethoprimum .....                           | 56        |
| Sulfadimethoxinum .....  | 56        |
| Sulfadimidinum .....   | 56        |
| Sulfafurazolum .....   | 57        |
| Sulfachlorpyridazinum .....                                    | 57        |
| Sulfamethoxazolum + trimethoprimum .....                       | 58        |
| Sulfamonomethoxinum .....                                      | 58        |
| Sulfaphenazolum .....  | 58        |
| Sulfaquinoxalinum .....  | 58        |
| Sulfaquinoxalinum + trimethoprimum .....                       | 59        |
| Trimethoprimum .....   | 59        |
| <b>Nitroimidazolová a nitrofuránová chemoterapeutika</b> ..... | <b>59</b> |
| Furazolidonum .....  | 60        |
| Furaltadonum .....   | 60        |
| <b>Chinolonová chemoterapeutika</b> .....                      | <b>60</b> |
| Acidum nalidixicum .....                                       | 61        |
| Acidum oxolinicum .....  | 61        |
| Acidum pipemedicum .....                                       | 61        |
| Norfloxacinum .....  | 61        |
| Danofloxacinum .....   | 62        |
| Difloxacinum .....   | 62        |
| Enrofloxacinum .....   | 62        |
| Flumequinum .....  | 64        |
| Ciprofloxacinum .....  | 65        |
| Marbofloxacinum .....  | 65        |
| <b>Ostatní chemoterapeutika</b> .....                          | <b>65</b> |
| Isoniazidum .....  | 65        |
| Ethambutoli dihydrochloridum .....                             | 65        |
| Cycloserinum .....   | 66        |
| Clofaziminum .....   | 66        |
| <b>Probiotika</b> .....  | <b>66</b> |
| <b>Antifungální léčiva</b> .....                               | <b>66</b> |
| Amphotericinum B .....   | 67        |
| Enilconazolum .....  | 68        |
| Flucytosinum .....   | 68        |
| Clotrimazolum .....  | 68        |
| Fluconazolum .....   | 69        |
| Griseofulvinum .....   | 69        |
| Itraconazolum .....  | 69        |
| Ketoconazolum .....  | 70        |
| Miconazolum .....  | 70        |
| Nystatinum .....   | 70        |
| Natamycinum .....  | 70        |
| <b>Antivirová léčiva</b> .....                                 | <b>71</b> |

|   |           |
|---|-----------|
| Acyclovirum .....   | 71        |
| <b>Antiparazitární léčiva .....</b>                             | <b>71</b> |
| <b><i>Antiprotozoika .....</i></b>                              | <b>71</b> |
| Carnidazolium .....   | 71        |
| Clazurilum .....  | 71        |
| Dimetridazolium .....   | 72        |
| Chloroquinum .....  | 72        |
| Ipronidazolium .....  | 72        |
| Metronidazolium .....   | 72        |
| Nitrofurazonum .....  | 73        |
| Ornidazolium .....  | 73        |
| Primaquinum .....   | 73        |
| Pyrimethaminum .....  | 73        |
| Ronidazolium .....  | 73        |
| Quinacrinum .....   | 74        |
| <b><i>Antikocidika .....</i></b>                                | <b>74</b> |
