

## Contents

<b>KIRs in SCT – is it time to move from journals to clinical practice?</b>	
Pavel Jindra .....	9
<b>Non-HLA gene polymorphism – mere ISI impact or real impact in allogeneic HSCT?</b>	
Ambruzova Zuzana, Mrazek Frantisek, Petrek Martin .....	10
<b>History, current status and future of accreditation program in Central &amp; East Europe- predestined to be few steps behind?</b>	
Blanka Vidan-Jeras .....	11
<b>EPT in transplantation: Just a control of laboratory performance?</b>	
Ilias IN Doxiadis .....	12
<b>CET-EPT: Results from the Central European Quality Control Exercise 2009</b>	
Gottfried Fischer, Ingrid Faé .....	13
<b>Continuous validation of key reagents for HLA genotyping conformable with EFI standards and ČSN EN ISO 15189</b>	
P. Váňová, V. Šiffnerová, H. Klimentová, M. Melková, S. Nazarová, M. Novotný, H. Vondráčková, M. Vraná, M. Dobrovolná .....	14
<b>Sharing Our Experience with the SBT technology</b>	
Libor Kolesar, Lenka Brozova, Yelena Pavlova, Antonij Slavcev .....	15
<b>HLA-DRB1*04 haplotypic diversity in the Croatian population</b>	
Grubic Z, Stingl K, Sviličić D, Zunec R .....	16
<b>Data management of harvest and transplant centers</b>	
David Steiner, Daniel Lysák .....	17
<b>Prediction of acute rejection of the kidney allograft by analysis of HLA antibodies, soluble CD33 and hepatocyte growth factor</b>	
Yelena Pavlova, Antonij Slavcev, Marcela Bürgerlova, Caner Susal, Janka Slatinska, Gerhard Opelz, Jelena Skibova, Helena Sajdlova, Ilja Striz, Libor Kolesar and Ondrej Viklicky .....	18
<b>Intruducing the Immuknow assay for immune monitoring after hematopoietic stem cell transplantation</b>	
Moshe Israeli, Tirza Klein, Ofer Shpilberg, Benjamin Sredni & Moshe Yeshurun .....	19
<b>Selecting the best unrelated stem cell donor: is there still a role for cellular assays in the age of sequencing?</b>	
M. Oudshoorn, M. Jöris, D. Roelen , J. J. van Rood, F. H. J. Claas .....	20
<b>The upcoming change of the HLA nomenclature – historical overview, rationale, future, implications for routine use</b>	
Frantisek Mrazek, Martin Petrek, Zuzana Ambruzova .....	21

<b>The Establishment of a Regional Stem Cell Donor Registry in Chelyabinsk, Russia</b> T. A. Suslova, M. S. Chernova, T. M. Zavyalova, M. N. Vavilov, E. B. Khromova, S. V. Timofeeva, E. I. Lupar O. V. Yanina, A. A. L. Burmistrova .....	22
<b>HLA-A, B, DRB1 allele frequencies and estimation of haplotype frequencies in the Croatian Cord Blood Bank and Croatian Bone Marrow Donor Registry</b> M. Burek, Z. Grubic, K. Stingl, B. Golubic Cepulic, I. Bojanic, S. Mazic, D. Clekovic, R. Zunec .....	24
<b>Distribution of HLA-A and HLA-B antigen among donors of hematopoietic stem cells in the different regions of Russia</b> Bubnova L. N., Pavlova I. E., Zaitseva G. A., Erokhina L. V., Berkos A. S., Reutova N. V., Belyaeva E. V., Petrovskaya M. N., Ignatova N. K., Koudinova E. Ye. ....	25
<b>On the road to the second half-million: The Ezer-Mizion Bone-Marrow Donor Registry</b> Moshe Israeli, Nira Shriki, Ofra Konikof, Tirza Klein and Bracha Zisser .....	26
<b>International cooperation on software development for stem cell donor Registries: Prometheus project</b> Steiner David, Arvola Anne, Costeas Paul, Du Toit Ernette, Kauc Leszek, Kurikova Marie, Kusikova Maria, Morales Victor H, Naumova Elisaveta, Raffoux Colette .....	27
<b>The contribution of ethnic minorities to the HLA diversity of the Czech National Marrow Donors Registry (CNMDR) – analysis of pilot targeted recruitment</b> Petra Venigová, Pavel Jindra, Vladimír Koza .....	28
<b>Establishment of HLA typing strategy in Moscow Stem Cell Bank</b> L. Lebedeva, T. Potapova, T. Puchlikova, T. Astrrelina, M. Yakovleva .....	29
