

# Step by Step

## Piano Course - Book Two

by  
Edna Mae Burnam

Presents new subjects in logical order and ONE AT A TIME.

Sufficient work is given on each step so that the student thoroughly comprehends it before going on to the next one.

Subjects are covered in a clear and concise manner and "music writing games" add to musical knowledge.

A final check-up reviews the work covered thus insuring complete understanding of previous work.

In EDNA MAE BURNAM'S PIANO COURSE — STEP BY STEP — BOOK TWO, the student learns:

- How to read from C (second space bass staff) to C (third space treble staff).
- To count and play eighth notes.
- To recognize and use sharps, flats and naturals as accidentals.
- To play in the following keys: C major; G major; F major.
- To read and play two-note chords.
- To cross the left hand over the right.
- To observe and play *D.C. al Fine*.

LEARN TO PLAY — WITH BURNAM — ALL THE WAY!
