

Me and My Piano

Me and My Piano is the best-selling series by the distinguished authors Fanny Waterman and Marion Harewood. Designed especially for the needs of the younger beginner and delightfully illustrated throughout, the series aims to make learning the piano an enjoyable experience for both pupil and teacher.

"When I devised this series, I intended to create a method that would have long-lasting success. I am delighted that it is now more widely used and relevant for today's piano teachers and young pupils than ever before."

Dame Fanny Waterman

Part 1 takes the young pianist step by step through the earliest stages of piano technique, first with separate hands, then with a sequence of very easy pieces for hands together. All use a constant five-finger hand position in the key of C major. Games and puzzles give elementary theory a new lease of life, and children will love the rhymes and songs introducing characters such as the Ostrich, Sammy Squirrel and the Old Man with a beard!
