

Contents

1 Introduction	6
2 Preliminaries	7
3 Simple (one-sided) quaternionic polynomials	11
4 Two-sided quaternionic polynomials	14
4.1 The quadratic case	16
5 Quaternionic polynomials with multiple terms of the same degree	18
5.1 Numerical computation of zeros	21
6 Sylvester's equation in quaternions	21
7 Conclusions	23
References	23
